MONTCLAIR CELEBRATES END OF SECOND DECADE

Twenty years ago on November 9, 1928, the Montclair Alumni Association held its first banquet in the Montclair Hotel, attended by students, alumni, faculty, and dignitaries. The purpose of the paper was stated in the first editorial, to be "not a broadsheet or a tabloid, but also a forum for the discussi- on that make active and intelligent citizenship possible.

The small staff of 27, un- der the able leadership of Professor Edward H. Webster and Mr. W. Paul Hamilton, saw their efforts translate into a successful publication.

Our 20th Anniversary

This issue of The Montclarion commemorates the 20th successful year of publication. In the history of The Montclarion, the News has often changed to conform with the modern standards of the profession of journalism and the demands of the times. Success has brought many worthy innovations. However, the basic philosophy, which has guided the editorial staff throughout the years, has remained unchanged.

The Montclarion has always sought to serve the College and reflect the opinions of the students body. The editors have consistently endeavored to uphold the ideal of fair and accurate presentation and presentation of news. This paper is written by the students, for the students, in the interests of all. It is in this spirit that the present board of editors embarked on the next decade of publication.

Who's Who!

Sixteen seniors have been nominated by the SGA and faculty members of the History and English departments for membership in Who's Who. The seniors were chosen on the basis of their contributions to the College, the department and the community.

Unwelcome Culprits

It is regrettable that in a Teachers College, we must admonish a group of students. In the past, we have always endeavored to uphold the ideal of fair and accurate presentation of news. We hope that in the future the SGA will institute a more just system of evaluation.

Letter to the Editor

It's Your SGA by Norman Dultz

In order to clarify some misconceptions, I would like to state that the comments and opinions presented in this column are those of the writer and do not necessarily reflect the views of The Montclarion! Therefore, I will sincerely endeavor to present the SGA as a student organization in a fair and unbiased manner.

Once more a precedent was established at the SGA meeting held on Monday, November 8 at 3:30 in the Senate room. This time the "battle of the bulletin boards" took the spotlight! Mr. Robert Strover, representing IEC, presented a request that his organization be allowed to have a bulletin board in the lower center hall. In my opinion, the request was reasonable, since the board would set another precedent and be allowed to accord all organizations this privilege. After a lengthy discussion the IEC received approval for its proposal.

Tribe Had Many Good Backs

Montclair Eleven Defeats Blue
and White at New Haven

by Sandy MacMillan

Before a wildly cheering crowd of two hundred, at Bowen Field in New Haven, Montclair defeated New Haven College 20-7.

After Montclair had received the opening kickoff, they drove two first downs and missed a third third of a yard. New Haven then took over on their own forty. By using their wing T to perfection on end runs, the Blue and White backed the Indians out of the ten yard line where Montclair resistance stiffened. On fourth down, a New Haven end dropped a pass in the end zone, leaving the "Blue" and "White" advancers.

New Haven came right back for a touchdown however. A poor Indi-

ian punt gave them the ball on the Montclair 5. Bill Top-

chick, New Haven right halfback, started on the inside and was to be

a left end run. He paused and fired a pass to quarter back Joe Opel, all alone on the right side of the field. Joe went out for the first time in the season. The Blue and White backs had the extra point, and Montclair was a 20-7 victor.

Fairfield Dickinson in Cross Country Loss

Wednesday, Mr. William's men meet Fairfield Dickinson for the cross country event. Unfortunately only three Fairfield Dickinson men showed up but the meet was held anyway. The race started a few minutes before the standard Montclair, Trenton football game and finished approximately fifteen minutes later. Montclair won easily as Savage carried the crossed the finish line with fists in the air, with Dickenson men finished, but all of Montclair's men had already won.

The score of the meet was Montclair 60, Dickinson 0. The order of finish was 1st, Savage and McMillan of Montclair; 2nd, D. B. Davis, Frankfort graduate; 3rd, Peabody; 4th, G. F. Flingrother; 5th, A. A. Voger; 10th, Ros-

sed. The cheerleaders kept the fans alive. Mr. Moore, directing the cheerleaders, announced that the celebration was carried on into the early hours of the morning.

The Unsung Heroes of the Football Season

The unsung heroes of the football season are the managers. Their work this year was great. They did their best, and their best proved more than ample.

We are thankful that we had two men like them guiding our Montclair football team.

Others Help

Other people and organizations did much to make the season a success. The cheerleaders kept the fans alive. Mr. Moore, directing the band, provided splendid music. Tribe did a excellent job on the field. Joe Cohen and the reporters of the Montclair sports staff worked hand in hand. All these people had something to do with the success of the season.

As we remember a football season, there was an unscheduled celebration commemorating the end of the football season the day after the Trenton game. Many players and fans attended the gala function. It is to be noticed that the celebration was carried on into the early hours of the morning. I am afraid a great many people could not verify this fact. It is a fitting climax to a wonderful campaign.

The W.A.A. held its first council monthly meeting on Monday, Nov. 8, at 7:00 P.M. in the faculty lunch room. The council consists of the W.A.A. officers and the chairmen of each W.A.A. special group.

It was decided that a schedule of events would be printed in the W.A.A. bulletin board, especially the schedule of each special group, for an all over view of the whole season's activities.

Discussion was also concerned, concerning the coming of a swimming club. Jenny Buch was asked to suggest further information and the YWCA report at the next council meeting.

The club will be held at the earliest after Christmas.
