Bramwell Fletcher, a noted Broadway actor and director, will appear at Montclair State on Wednesday evening, October 10, 1962, at 7:00 p.m. to give his presentation of "Parnassus '63."

This collection of poetry readings will include the works of Frost, Shaw, Joyce, Shelley, Keats, Donne, Shakespeare, Melville, Whitman, Chaucer and Dylan Thomas. Comedy, poetry, and drama are woven together in this performance, as Mr. Fletcher "finds some of the finest utterances of different ages into a single theme demonstrating their great timelessness and universality." A lifetime actor, Mr. Fletcher has been critically acclaimed for his dramatic abilities and unusual range and quality of his speaking voice. He has appeared as Henry Higgins in "My Fair Lady," taking part in over two hundred New York performances, starring in over thirty roles on the London and New York stages. Mr. Fletcher has played opposite Helen Hayes, Katherine Cornell, Laurette Taylor, Corinna Otis Skinner and Tallulah Bankhead.

New Editors

Fill Positions

At a recent meeting of the editorial board of THE MONTECLAIR, the following changes in the staff were made.

Jo Ann Yurchuck was elected managing editor. Jo Ann, a junior English major, formerly held the position of news editor. She is a member of the college choir and resides in North Hall.

Carol Ann Galucci was elected news editor, a promotion from her former position of assistant news editor. "Sam" as she is commonly called, is a sophomore Spanish major, formerly a member of the Newman Club, and she works in the Audio-Visual Center.

Upon the resignation of Tony Siller, Charmaine Peterson was elected to fill his position as features editor. She is a junior English major, a member of Alpha Chi Omega, former officer of the Newman Club, and she works in the audio-visual center.

State Scholarships

Open to Freshman

Montclair freshmen have had the opportunity to apply for New Jersey State Scholarship aid.

Interested freshmen should write to the College Entrance Examination Board and request that scores be sent to the New Jersey State Scholarship Commission. There is a $1.00 charge for this service.

State Scholarships are valued at $400 annually or the cost of tuition, whichever is less. Each scholarship is renewable and may be held for a four year period of undergraduate study.

It is possible to hold a State Scholarship in addition to other loans or scholarships.

The application must be postmarked no later than midnight, December 15, 1962. Interested students should contact Mr. Ulrich Neuner in the personnel office.

**Spirit at MSC**

The action of the MSC band in refusing to march at football games seems both ludicrous and deplorable. The explanation of too much work, no place to practice and a lack of school spirit, the band's decision could have a detrimental effect on this spirit, which up to now has been very good.

Another point to consider is the fact that MSC is represented to outsiders, through the football games. A crowd of 3,000 spectators at Clifton stadium, the sight of four twirlers, doing their routine to a record, alone on a 100 yard field, is less admirable.

Thirdly, it is interesting to note that Band is a required part of any music major's curriculum. This implies that any graduate of Montclair with a B.A. in music will be qualified to teach band in high school.

Lastly, and perhaps most important, is the fact that the number of cars coming onto the campus during the time of the construction program, if enough persons who drive vehicles would observe these suggestions, it would make a real difference. A number of cars coming onto the campus during the time of the construction program, if enough persons who drive vehicles would observe these suggestions, it would make a real difference.

1. The number of cars coming onto the campus during the time of the construction program, if enough persons who drive vehicles would observe these suggestions, it would make a real difference.

2. Parking is proper areas and in such a way as to overlap another space would make additional parking areas.

3. At the end of the school day at 2:30 and 3:00 those who leave the campus could relieve congestion at Normal Avenue or if the wish to go east on Route 46 turn right on Upper Montclair Avenue, or if they wish to go onto a new section of the campus.

**POLITICAL NOTES**

*by Robert Rudy*

**THE BRIEFS: The program presided over by President Kennedy is the overwhelming hit of the campaign. The President will most likely win New Jersey and Essex County on behalf of Democratic candidates.**

**THE MONTCLAIR CAMPUS: Both Republican and Democratic student candidates are taking the campaign very seriously. Both of them seek your support and are working hard to join their clubs. This campaign promises to be one of much interest and excitement.**

**Letter to the Editor**

To: All Class A and B Organizations

From: The Student Government Association

All Class A and B Organizations are requested to attend an organizational meeting held by the Student Government Association on October 9, 1962 at 7:30 p.m. in the cafeteria to discuss the financial set-up of the SGA and other rules and regulations concerning the organizations.

The SGA prefers that the organization's representatives be the president and/or the treasurer. Also, failure in representation will result in that organization's suspension from all activities during the fall semester.

Sincerely,

George Schmidt

President Partridge Holds "Open House;" Presently Resides South Of MSC Campus

An addition to Montclair State College is the residence of President and Mrs. E. DeAlton Partridge which is located at 852 Valley Road.

The house, like the other buildings of MSC, is a property of the state. Late in 1961, the state acquired the building from Mr. and Mrs. A. C. Diehl who actually vacated the building last spring. The house was then redecorated by the state dormitory committee and President Dr. and Mrs. Partridge to move in August, the President and his wife had been living at 40 Highland Avenue, Upper Montclair.

The Partridges had not a particularly easy one for the Partridges, since they had just returned from their previous home for twenty-three years. They are, however, pleased with their new residence and plan to make use of it, The Partridges had welcomed the entire Freshman class at their first appearance and are holding an open house for the faculty this month.

Among the interesting features of the house are the remodelling of Cosia paintings including: "Portrait of a Lady" by Lilly, "The Second Portrait of a Lady" by Reynolds, Abbot's "Butterfield" and "The Two Harbours" by over 700 Montclair students and friends.

One of the highlights of the evening was the singing of the "Get Jackets" to the squad's advisor, Dr. Hazel Wacker, and Lois Sax, the captain of the cheerleaders. The three songs were sung, adored with a megaphone, as designations for the girls from frost bite on those brisk fall weekends.

After trying out their new addition, most of the students agreed that the girls reported that they had found their new home an extremely pleasant and cheerful in keeping Old Man Winter at bay.

COUS, from pg. 3, col. 5. The students of the high school- anthropology, philosophy, psychology and business.

In Cleveland, Ohio, students at Western Reserve University have taken steps to increase student influence in the formation of University education policy. Known as the Student Educational Policy Committee (SEPC), received its impetus from a suggestion from Dean Frank Hurley, who felt that the students should have a voice in the educational policy of the university. The group, as representing the students, believes in the necessity of educating the students as to whether they shall remain there permanently.

Cheerleader Get Jackets

On Friday evening, September 21, the men of Psi Lambda Pi presented their annual Sock Hop and Pop Rally which was held in the Montclair State College hall seating 2,000. The house was packed to the doors by over 700 Montclair students and friends.

Villani Recounts Experience, Spends Summer in England

Ken visited a number of schools and universities and several churches, including St. Paul’s Cathedral. He also saw the London Tower, the Crown Jewels, the original “black and white,” the house of Parliament, and Big Ben. The only place that Ken visited twice during a short stay in London was Winslow Castle. While the Experiment group was in London, Queen Elizabeth gave a tea to all the aristocracy who arrived at Buckingham Palace in bowlers and waistcoats.

The Cheddar Cheese, one of the peaks that Ken thought was a very literal connotation: it was here that Samuel Johnson would meet with Josselew.

Most of the people that Ken talked to (particularly students) seemed enthusiastic about the European Common Market, but Ken said that the English people at large are not interested in change, and thus are not in favor of the program. In spite of all these politics, Ken observed that the English like President Kennedy, but somehow expect more of us and are very critical of what we do. They also believe that they see Americans in American movies, basically, Ken associated with students of his own age and found them to be very serious concerning their studies and what is going on in the world about them. They question Americans on their every move—internal as well as external.

The English students are interested in thought and logic, have private tutors, are well-versed in literature, and take more advanced courses.

The Experiment in International Living was certainly a unique experience involving many strange customs (including five full meals each day) and a rich and rewarding one for Ken Villani.

Mathematics Lectures Begin At Montclair

The Mathematics Department of Montclair College announces two special lectures on Saturday, October 13, and Monday, October 15, 9:30 a.m. in room 150, Flinders Hall.

The topic of the first lecture will be "The ABC's of Topology" by M. K. Fort, Jr., chairman of the Mathematics Department at the University of Georgia.

Professor Fort is a visiting lecturer under a program administered by the Mathematics Association of America. He will present an introductory talk on topology and a series of talks on the association of ideas with places. The second lecture to be given will be presented by Howard P. Folsom, head of the Department of Mathematics, Education, Teachers Colleges, University of Kentucky. "Mathematics: Reform Across the World" will be the topic.

The committee consists of three faculty members and the head librarian appointed by the SGA. They are, respectively, Mr. Friedman, Dr. Kraus, and Mr. Steffin, member of the Board of Trustees. Miss Claire Merlehan, Assistant Dean, Veronica Gaffney, and Diane Stiles, students, and Mr. Stover, advisory capacity are President President President President President President. Clifford Merlehan (Faculty-Student Cooperative Association) and Mrs. Quinlan, the bookstore director.

The committee's next selected lectures are "Mathematics Reform Around the World," by Howard P. Folsom, at 8:30 a.m.

The basic function of the committee is to consider the over-all functioning of the bookstore. This will include visits to the bookstores of other institutions and surveys of their operations in order to determine more clearly the direction which this new venture should take, but the committee is also urged to present to the membership any problems which they would like considered.

President De Alonzo Portridge announced the promotion of several faculty members for the 1962 Fall session.

The raises of the favored were Dr. I. H. Gantley of the Social Science Department, Mr. Frank K. of the Mathematics Department and Dr. C. A. W. of the Physical Education Department.

Elevated to associate professors are Dr. Dr. and Miss D. of the Language Department and Mr. Frank K. of the Geography Department.

President Dr. C. A. W. of the Language Department and Mr. Frank K. of the Geography Department.

An unusual meeting will launch the third session of open-to-the-Public Program of New Jersey Speech and Hearing Association on Wednesday, October 17, 1962, at 8:00 p.m. in Mem: auditorium. A distinguished assembly of speakers will hold a forum on "Effective Communication" among the deaf.

The meeting is designed to discuss the possible services the store could provide. This motion, which was passed unanimously, became a reality at the board meeting on the first meeting of the book store.

Booters Lose Tilt

The first quarter of Montclair's soccer game with East Stroudsburg saw both teams playing evenly. Breaking the stalemate, East Stroudsburg scored the first goal in the opening minutes of the second quarter. Montclair quickly countered with the score. Midway through the quarter East Stroudsburg took a 2-1 lead. Jim Ballard, dominating the first half, then scored his second goal for Montclair. At the end of the first quarter the score was tied 2-2, at the opening of the second half, East Stroudsburg tallied their third goal only to have Jim Ballard tally for his third goal of the afternoon for the Indians.

The remainder of the game saw East Stroudsburg constantly in Montclair's face. Finally they scored their clenching goal, with four minutes remaining in the game. Although Montclair lost the game 4-3, some of the Indians were outstanding. Jim Ballard completed all three Indian goals while Bill Layton came through with an assist for each goal. Bill Layton contributed steady defensive play. Montclair's outstanding individual effort was桧 (names removed) who would like to coach should contact Bob Schweitzer via the bulletin board.

The club meets each Monday and Tuesday evening from 7:30 to 9:30 in the French Room of the Student Union. The club has a growing membership of over 50. The members have organized a complete program of practice and exhibitions. The club is open to all students who are members of the Arrow. The officers are: President, Bob Schweitzer; Vice President, John Gado; Secretary, Enrico Cianciari; and Treasurer, Sam Turner. The club is under the supervision of the New Jersey College for Women's Physical Education Department. Paterson State College faculty members are paid coaches. Any faculty member who is interested in coaching may contact Bob Schweitzer at the above address.

The club is recognized by the United States Field Fencing Association and the Arrow. The club meets each Monday and Tuesday evening from 7:30 to 9:00 in the French Room of the Student Union.
