October 26, 1962

SGA To Sponsor Leadership Conference

At the Personnel Department meeting, October 4, 1962, George Schmidt and Ken Wolff proposed an idea for a Montclair State Leadership Conference to instruct leaders from the college and organizations in Group Dynamics. It will be patterned after the Leadership Conference held by Newark State the past year under the direction of Ken Schmidt and Wolff attended.

It was decided that a conference of this type would make the individual leader sensitive to the social factors and forces which influence the success of leadership in organization activity and provide the leaders with skills enabling them to work with small groups. It will be interested to see if the conference they will have to function in as leaders of their own organizations.

George Schmidt and Wolff further stated they felt a conference of this type would be beneficial because of the individual growth, motivation and organization of students as a group leader it would provide. The various campus groups would have an increased membership awareness and students would be able to choose present student affairs. Furthermore, this conference will promote interaction between student groups on campus.

Pat Morse' s Phi Of the Month

The Men of Phi Lambda Pi have announced Patricia Morse as their Phi of the Month for October. Pat is a fine artist major from Perth Amboy. The Phi of the Month is a student who through their good work and leadership in campus affairs represents excellence in Quarter Life, the Montclair College News Letter. According to tradition, the men of Phi presented Pat with a corsage of red roses and forty candy kisses.

Stapley Announces Montclair Statistics

Peter Stapley, Registrar of Montclair State College, announced today that the undergraduate population of Montclair has reached 3283 students. This year's enrollment includes 1676 males and 1489 female students. At the same time, Edward J. Ambry, Director of the Office of Records, announced that 5780 three semester units have been awarded for the fall semester. Students are urged to check their account balances at the office and report any errors to the office immediately.

Yearbook Needs Name; Present Title Outmoded

At a special editorial board meeting the yearbook staff on Wednesday, October 16, 1962, it was decided that the name "La Campana" was no longer a representative one for Montclair State College. The board also decided that student opinion should be obtained to ascertain whether the majority of students desired a change in the present name. "La Campana" in Spanish for "The Bell." In 1962 the Montclair College expanded from a two and one half year college to a four year teachers college, the name of the publication was changed. The present title, "La Campana," was felt to be outmoded and did not reflect the college's current status.

DO YOU THINK THAT THE NAME OF THE YEARBOOK SHOULD BE CHANGED IF A MORE REPRESENTATIVE NAME IS PROPOSED?

Wapalanne Work Week Planned

The week of November 13, 17, and 18 has been reserved for Montclair State College students for the work weekend at Camp Wapalanne. All apparatus, fixtures, and supplies will be furnished by the college. It is planned to include lunch and transportation, lodgings supplied by the college. Come on up, come on up to do some supervising. The college will not be responsible for any accident which may occur.

On October 31, at 7:30 in room 32 and 4 of the Speech and Dramatics, Mr. George Schmidt, education officer in the Speech and Dramatics, will conduct a meeting of those students interested in attending the Wapalanne Work Week. Mr. Schmidt will discuss the general purposes of the college, the work to be done, the location of the campsite, and the general administration of the work.

Two Workshops File Date Nov. 2

Please note the date for filing time sheets for student assistants has changed from November 14 to November 2, 1962. All time sheets must be submitted to the Personnel Office on Friday, December 14, 1962. Please disregard former filing date.

State College; Registration

The State College Inter-Relations Council is once more being brought into being with Montclair being represented by George Schmidt. The first meeting was held October 9, 1962 in the administration building, Mills room. All the colleges were represented this year. The group, consisting of representatives of all the institutions, laid the foundation for the organization. SCIRC is a committee of the SGA at each participating school and is operated to produce harmonious relations between the colleges and state. SCIRC was originally formed in the early 1950's but failed to be successful. Last year, with the defeat of N.S.A., the Board of Trustees felt there was a need for an inter-college organization. Two colleges (Jersey City and Newark) held out and the year was lost resulting in the constitution.

The constitution states that SCIRC is only to represent the body and its decisions are not binding to any school. There will be at least six meetings a year, one each school, this year. The president of the SGA and one other person from each school will serve as representatives, with one carry-over each year.

The main purpose of the organization is to promote relations among college offices and members and to work in developing national education. Many students of Montclair State are looking forward to the SCIRC conference which will be held away from the college on a cruise ship to the Bahamas. The conference would be held away from the college, since the college was not large enough to hold the entire conference.

Peace Corps Assembly Scheduled for Tuesday

Mr. William W. Warner, Executive Secretary of the Peace Corps, will visit the campus on Tuesday, October 30, to discuss with interested students recent developments in Peace Corps programs. The assembly will be scheduled in the Memorial Auditorium on Tuesday at 10:30 a.m. at which time he will be a guest speaker. The Peace Corps is a new twenty-seven minute documentary film showing how Peace Corps volunteers and their work in developing nations round the world order to be admitted to all the activities of Montclair State College.

The Peace Corps Assembly will be on November 18, 1962. Mr. Warner will be on Tuesday, December 18, 1962. The board also decided that student opinion should be obtained to ascertain whether the majority of students desired a change in the present name. "La Campana," though appropriate, is no longer a representative one for Montclair State College. For these purposes of the organization. The film Is in color and is a service to MSC students.

Jr. Officers Announced

Newspaper Offices Established

The students in the 1962 edition of the Montclair State College Yearbook have been selected. They will be in charge of the newspaper offices established this year with the cooperation of the students.

It is time to take a definite stand against Communist aggression. We cannot afford to guarantee this right to all citizens, despite their politics, we fail ourselves.

On October 18, 1962, the Board of Trustees of Fairleigh Dickinson University announced that Gus Hall, American Communist leader, would not be permitted to speak at the University (Rutherford). While the board maintained that it supported the ideal "that the university community should have the right to hear all speakers whose positions we oppose. We, as Communists speak, guarantee their rights, do not sacrifice the freedom of integrity of America or American citizens.

Too long have we pursued a "peace at any price" philosophy. Only positive action in defense of our views is acceptable at this point. Once more we must assert our position or sacrifice our integrity.

We are acting in defense and our position can be criticized, but our opponents whom we oppose. We, as Communists see, guarantee their rights, do not sacrifice the freedom of integrity of America or American citizens.

The topic for today is soapboxes! Now I suppose you are asking what in the world (or out of it, as the case may be) I could possibly say about soap. I'm glad you asked me, for I have had a bubble- masia for years! For instance, let's consider the jewels of advertising that have plagued me far beyond my first year of use! "99 4/5 pure—It floats." So what? Of what good is it if you can't even pick it out of the soap dish? Did you ever ask yourself why a floating cake of soap can be advertised but not about getting an extra bar free? Free of what? And what ever happened to the other 5/6? Woe to the one with the soap results in "tickling your pink." If you can't pick it out of the soap dish, I suggest that you save money and instead purchase a pink feather! If you don't do the job, and you can't possibly stop it in the bathtub. There's always someone who would love to have it. You know—something your best friend won't tell you. Naturally, he's probably so worried about "femininity" that he hasn't noticed you in months! If you don't have a shower attachment or live near the Atlantic or Pacific, you're just out of luck. Have you noticed that one does not work in aIntegrally bath with those "active soap bars"—one must either twist under the shower or swim out to the three miles. On the other sink are the medicated soaps. After the small cost of the bar, you are foolish enough to believe that your complexion will miraculously transform into one of "peaches and cream." Oh, the buying has just begun! Naturally, in order to use this soap, one must either twist under the shower or swim out to the three miles. Don't forget to leave 10:30 a.m. Saturday.

**Course in Beginning Greek**

The weekend of November 18-19 is the college work week for Monclair State students at the State University of Louisiana. Students are provided board and bring for work done around the camp. Anyone interested in participating in the program should contact Dr. J. G. Redd.

**Course in Beginning Hebrew**

Our Lady of Good Counsel now offers a special evening Hebrew course under the direction of Dr. George Kadosh. The course will cover the first stages of Hebrew, beginning with the Hebrew alphabet, which will be taught through the medium of the Hebrew Old Testament. The course will be in English and will be given on Tuesday evenings, 8:00-9:00, from October 16 to December 12.

**Course in Beginning Latin**

The course in beginning Latin at the State University of Louisiana will be taught by Dr. George Kadosh. The course will cover the first stages of Latin, beginning with the Latin alphabet, which will be taught through the medium of the Latin Vulgate. The course will be in English and will be given on Tuesday evenings, 8:00-9:00, from October 16 to December 12.

**Course in Beginning Spanish**

The course in beginning Spanish at the State University of Louisiana will be taught by Dr. George Kadosh. The course will cover the first stages of Spanish, beginning with the Spanish alphabet, which will be taught through the medium of the Spanish Bible. The course will be in English and will be given on Tuesday evenings, 8:00-9:00, from October 16 to December 12.

**Course in Beginning Yiddish**

The course in beginning Yiddish at the State University of Louisiana will be taught by Dr. George Kadosh. The course will cover the first stages of Yiddish, beginning with the Yiddish alphabet, which will be taught through the medium of the Yiddish Book of Hours. The course will be in English and will be given on Tuesday evenings, 8:00-9:00, from October 16 to December 12.
Acid Comedy Has Impact

The production of Bertolt Brecht's "Maggie Four," a satirical comedy with political overtones, has made an impact on the campus at the University of Illinois, Urbana-Champaign. The production is directed by Andrew Grenier, a graduate student in English, and is presented by the university's improvisational theater group, the Illinois Improvisors.

The play, which is a dark and often disturbing look at the issues of imperialism and fascism, has received mixed reviews from the student body. While some have praised the production for its sharp commentary on current political events, others have criticized it for its overly didactic approach.

 же, the creator of the "Three Penny Opera," is a skillful button-pusher-playwright. He sketches in his entertainment a background of the war on the Army and its power to corrupt. His soldiers are lost and hollow men who plot to estray a poor and hungry German solider, Gally Gay. The hero's metamorphosis into a servant of his Majesty's Army who lives for destruction and death is a bitter and final.

The play is a graphic, shattering story, however, is embellished with songs, sketches, and sound effects. A very skillful make-up artist has given the soldiers slouching faces and red demonic eyes under their World War I uniforms. The music is introduced, sordid, and powerful.

The real key to the impact of this entertainment lies in the question: Who is the audience? Why did Gally Gay (Man) fall so easily into this new evil? Why did the audience accept the war on the Army and its power to corrupt? The play raises these questions. What are Man's eternal values, which might sustain him against evil? Have we lost them in the modern age? Could there be alternatives to a world of war and inhumanity?

Any infringements of these procedures are subject to penalties—grade penalties may be re­stricted from campus activities for one semester and the Inter Sorority Council court decision is in effect.

In adherence with BC regulations, pledge meetings may begin only after 1:00 a.m. are returned; however, the length of the pledge period shall be left to the discre­tion of the individual sorority.

This suspension is agreed as common courtesy to eliminate unnecessary pledging in the Snack Bar which could continue to the already crowded conditions during the lunch hours. Upon request, Mr. Forth will reserve areas in the cafeteria for pledging purposes. If a sorority wishes to pledge during the lunch period, the game room is also available. Provided Mr. Forth is notified prior to the Snack Bar but requesting drinks are invalid in the cafeteria for pledging employees busy would be dis­couraged.

Workshop Set October 31
Regional Business Education

The Montclair State College Business Education Department is sponsoring a Workshop on Wednesday, October 31, from 3:30 to 4:30 in the Audito­rium from 11:00-12:30. Conant and members of his com­mittee were impressed with the language department. The SGA, in view of the suc­cess of last Monday’s Faculty-Student Coffee Hour, has an­nounced that a second Coffee Hour will be held on November 24, 1962. A report presented at the Octo­ber 23 SGA meeting estimated that over one hundred students at­ended the gallon of coffee served to approximately 30 professors and college personnel.

Although the event was sched­uled for 6:00 p.m., it was not un­til after 7:00 that the last group of students and teachers was dispersed. It was mentioned at the beginning that the suc­cess of the event was mainly due to the ease with which those present pre­vented mingled conversations and the subsequent discussions that quickly developed throughout the room.

A standing Coffee Hour com­mittee for the SGA, with Frank Rega as chairman, has been formed. Mr. Rega announced that the second Coffee Hour will be held every two or three weeks in the future, with the exception of those scheduled specifically in advance or dependent on the response to the event. Asked whether he felt that the program should be held every week, Rega replied that, according to the general consen­sus of opinion, interest in a weekly event was quickly dissipated, whereas a less frequent event with greater publicity could be sustained.
Thinclads Lose To Connecticut

October 26, 1962

Gentler Sex
by Mona Cooper

The Women's Recreation Association is sponsoring an intramural program for the fall semester, and assigning committees and scheduling games.

Posters will be mounted in Life Hall and the Administration Building, outlining the rules, the time, and the location, if you wish to play. This will be the first year that women will just attend the event, because of time constraints.

A new committee was selected to work with the system, to enable more girls to receive awards, instead of just those who participate in the events.

A time is also being sponsored by a football team with over 40 players participating. There are six teams: Cheeks, 4th Floor, Montclair, Men, Relays, Majors, and hustlers. An award will be presented to the winning team.

A special team will be traveling from Paterson State and New York University on October 30. This team will play against Newark State on November 15.

There is still time if you wish to join the team. Come up in one hour of the first Varsity match and meeting on November 12, and the second one on November 27, or any time that you wish.

All are encouraged to attend the next WRA meeting, to be held on November 15, at 3 P.M. in the Administration Building.

Mr. Henry Schmitt, coordinator of athletics and head basketball coach, would like to see undergraduate men interested in playing varsity or junior varsity basketball, to report to him in Gym I any afternoon from 4:30 to 6:00 p.m. Men from all undergraduate majors are welcome.

There will be a meeting of all male athletes, basketball, hockey, and junior varsity wrestling teams, at 7:00 p.m. on October 29.

Any male student interested in joining the new Men's Fraternity, the Men's Fraternity Club, should contact Mr. Delora or Bob Schwartz, for further information. Workouts are held Monday and Thursday nights from 6:30 p.m. to 8:00 p.m. in Gym IV.
