Alpha Phi Omega Holds Convention

The Section 25 Conference of Alpha Phi Omega, an international service fraternity, was held December 1 and 2 at the Shliff Scout Reservation in Mendham, New Jersey. Six brothers from Montclair State College and Psi Phi Chapter attended the conference. They were: Ken Kelly, Berg APC, and Gerard Kennedy, President; Earl Post, Tom Munge, and Art Pillo, the Chairman of Psi Phi's Associated Fraternity. The conference was organized into various committees to discuss and suggest remedies to any problems confronting the fraternity. Montclair State College President Dr. E. De Almeida, and community. Anyone interested or desiring information should contact Mr. Morris McGee, Mr. Joseph McGinty, Dr. Kenneth Gless, Mr. George Johnson, and such distinguished speakers as Dr. Max Sobel, Professor of Mathematics at the University of Chicago.

The Montclair group will return to New York by plane December 24.

Phewes Has Initiation

On Tuesday, December 4, 1962, the honorary society, Alpha Phi Omega, held its third annual banquet and initiation at the Friar Tuck Inn.

Five members of the International Relations Club will travel as delegates to the Section 25 Conference of Alpha Phi Omega in San Juan, Puerto Rico on December 17 and will then travel by bus to the city of San German, located in the interior of the island. The Montclair students will visit hotels, resorts, and other establishments in order to learn more about the political, social and cultural aspects of the island.

The seminar, which will attempt to discuss the recently formed International Relations Club delegates from universities and colleges in the United States and Canada. It will include discussions on the many international affairs that are of interest to those who have attended the seminar.

Mr. Edward Johnson, a member of the history department at Montclair, will represent Montclair State College at a seminar to be conducted in India. The committee representing the seminar asked Montclair State to send a representative, and President Johnson asked Mr. Edward Johnson to accept the opportunity, since he teaches the courses on the history of the American and Indian education. The conference will be conducted mainly in New Delhi, but a tour of India's major cities will follow this. The American Library Association is represented in the conference. It will give the American educators the chance to meet the Indian educators in these cities. They will also visit Calcutta, Bombay, Madras, and Ceylon.

Mr. Johnson will fly directly to India, November 1 and 2 at Shliff Scout Reservation in Mendham, New Jersey. Tickets at $5, $4 and $3 are available at the YMCA, North Mountain Avenue, Montclair, or American Express, 4-6810. As the show two years ago was a sell-out, early application for tickets is advised.

This year's show is a spectacular tribute to the arts of the ancient orient. The dance numbers are based on the sagas of the Odyssey and the Iliad, while the costumes are based on those used in the ancient Orient.

Mr. Johnson will fly the direct route home and stop over in Bombay, Madras, and Ceylon before returning to New Delhi, India, January 26, India's Republic Day, for the seminar. It will be made possible by the University of Chicago.

The Best Critics — Students

The recent Christmas Dance sponsored by the SGA in the Westminster Country Club last December proves that a school function can be held off campus with much success and favorable repercussions.

Well planned, well publicised, and well attended, the annual dance afforded the opportunity for students to dance to the Elgart band and to purchase alcoholic beverages. This last provision, however, has created quite a controversy. The dance afforded the opportunity for students to dance to the Elgart band and to purchase alcoholic beverages. This last provision, however, has created quite a controversy. The legality of offering alcoholic beverages at dances sponsored by student organisations is open to question.

The students demonstrated moderation and restraint and showed a mature attitude toward drinking. Guides were on hand to ensure that no student under the legal drinking age purchased or consumed alcoholic beverages. When students appeared before the table as the action of the student body as a whole, these conditions are enough to signify the success of the dance in all phases.

SUMMARY OF S.G.A. MEETINGS

This report is not the official minutes of the S.G.A., 1962-63 Board of Trustees meeting but is the summary of the meeting. Any opinions expressed are those of members present and do not necessarily those of the Montclarion editors or staff.

Chairman: Chuck Mastel

SGA Office

December 31, 1962.

The twelfth regular meeting of the 1962-63 Board of Trustees was called to order at 4:37 P.M. by President George Schmidt.

Minutes of the eleventh regular Board of Trustees meeting were read by Secretary Kim Reid and approved with correction.

Corrections:

The President's motion to permit students who have not been excused by 3:00 P.M. to have their absence at any time a suggestion is made, the motion to accept this revision was passed unanimously.

Social Committee: Chair Yeager informed the chairman that the social committee will continue the practice of offering alcoholic beverages at the Snack Bar. The motion to appropriate up to $200 for the operation of the Snack Bar was passed unanimously.

Committee Reports:

1. The Freshman Class requested that the Snack Bar be open only on weekdays. The motion to appropriate $175.50 to the Snack Bar was passed unanimously.

Committee on Contests: The committee recommended that the SGA adopt the following resolution:

A New Year's Resolution

A New Year's Resolution

In keeping with the Christmas tradition, the MONTCLAIR staff extends Season's Greetings to the administration, faculty members, and students.

Christmas is, in a way, a time of realized resolutions, often unuseable presents and memories of the year on which Father Time has almost closed the chapter. This was a year in which much was accomplished historically in the nation, in the world, and in our own small world. It is coming to an end, never to be ratified except in memory.

With New Year's comes the inevitable resolutions which almost always are broken at the will succumbs in a moment of weakness. Yet, more should be said for resolutions, for they embody the hopes of a brand new year. Hoping for the best for A.L.L. to live in, hoping for better things to come from our own efforts, and hopes of a better understanding between world leaders are silently forming in our hearts and minds.

Christmas is a time for serious contemplation of peace on earth, good will towards all. So often repeated, this phrase is in essence what we sincerely desire, forgetting our own wishes, we realize how much PEACE means in the world today. At this inspirational time of birth, let us all be reborn with concern and intelligent understanding of our fellow man now and throughout the year.

Dear Editor:

I am writing this letter in response to the letter from Mr. Forth, the "angry as hell patron of the Snack Bar" who "called" the Montclarion's Ed-Itorlal Staff for principled articles which were not properly signed. At these names Ronickson and Yeager, those students who do not have the pride to sign their full names? To begin with, the critics, which said their students have as much right to use the Snack Bar and Cafeteria as do the College students.

Second, the College high students do not get to the Snack Bar until 11:30. (They have lunch period from 11:30-12:30 everyday. Occasionally, they come in between classes and after school). If these "patrons" would look in the Snack Bar before 11:30 and when College high students are not there, they would find the same delicious items, of course, the place would be in some way to "congratulate" the College "men" and "women" who emptied the table over the tables, who leave their half eaten lunches on the tables to disgusting array, who leave their cigarette ashes everywhere but in the ashtrays provided, and who leave their empty glasses遍布 the campus, which causes hungry people to search for an available place to wash off the glass and clean up the area.

The manners of the College students are another story. They do not use the Snack Bar. sophomore and junior "patrons" ask at looking at the tables of the fellow "men" and "women" before they pass the snack counter to College high students. (Of course, I presume that these "patrons" manners are impeccable).

I submit the following question to these "patrons." Do not children follow the example of adults? Lorraine Cinno, Class of 1963.

TO THE EDITOR

We would like to take this opportunity to congratulate the 15 recipients of this year's Who's Who Among Students in American Universities and Colleges. We put congratulations in quotations because we are wondering whether 15 members of the class of 1963 are worthy of the award. We do not mean to imply that those particular students are not deserving of the award but rather that, based on the present body of work that these students have produced, many others equally deserving.

We feel that the qualifications must be reinterpreted to fit the standards set in other colleges. Since this year's University will have the best praise that one can give an organization, we believe that the recipients of this award should represent the quality of work done by many others.

Dear Editor:

There are two ways in which one may criticize our cafeteria service—by making a complaint to the head server or anonymous letters. Many others equally deserving. We feel that the qualifications must be reinterpreted to fit the standards set in other colleges. I think we all owe Mr. Forth a personal word of thanks for his perpetual diligence and the energetic friendliness he displays anytime a suggestion is made, and more than that, carrying out any suggestion they make.

Do these examples are the skimmed milk for the ladies, the weakness of the salad bar, the long hours of soda for those with sweet tooth, the new, expedient manner in which the ladies sit behind the counter, and cutting down costs by eliminating the service counter, so we can afford examples as mentioned a couple of weeks ago.

I thought we should have more fresh vegetables. I think we should have more fresh vegetables about a month ago. Since then, Mr. Forth, my personal word of thanks is in order. Hasn't it been certain to have a fresh fruit and cream with our meals, I think it is important to have a fresh fruit and cream with our meals.

Let's make our requests known because we students, a generous number that food is like music, people, and songs are different.

As the Christmas season grows near, many people will be excited about the festivities and the holiday season. In the 1960s, campuses like Montclair State University were vibrant with activities and preparations for the holiday. The campus custodian, a significant part of the university community, has compiled a summary of significant events and activities for the holiday season. Among other things, the custodian highlights the efforts of the university's various groups and organizations to create a festive atmosphere. The campus custodian also mentions the contributions of students, faculty, and staff to the holiday season. This summary is a testament to the collaborative spirit and dedication that characterize the collegiate experience.
Montclair's matmen pulled an 18-18 draw in open their wrestling season against Rutgers College of New York City. The impressive team, however, went into the first two weight classes, 137 and 147 pounds, by Robert Brown who had not and did score 30 seconds for the Indians, Sennas pinned Al Fein in 2:10 of the second period while Blackman had little time putting his landing down in the last minute of the first period. CVC scored the first points of the third period when Blackman pinned Indian Burt Wasserman in 3:15 of the period for one point. The Indians reeled in their own period when Mike McGlinchy scored 1:33 on Bob White of Montclair was put down in the first minute of the second period bringing the score to 19-18. In the 127 pound class Montclair's Lou Benfatti was put on his back with 2:20 remaining in the third period thus giving CVC the win. However, the "fewer say" Indians held the lead through the 147pound weight class by Robert Brown as he picked the match at 18-18.

Krill's Korner

By Ray Krill

Coach "Hank" Schmidt, the head man of Montclair's wrestling, outside his Gloucester Catholic basketball team, played a different role on Sunday, Dec. 9 as he presented the Heiman Football Hall of Fame Award to none other than Roosevelt Brown. This was done at the pre New York Giant Giants and Roosevelt Brown received the award at the pre New York Giant and Roosevelt Brown received the award at the Giants press conference granting Mr. Brown a $500.00 scholarship.

The finest game of the young season by Montclair State rival of Pat McGlinchy scored early in the second period to save the day for the Indians. The Indians were leading by only 1-0 going into the final period of the 123 pound weight class.
