Music Department Presents
"SAMSON ET DALILA"

On Sunday, March 31 at 8:30 p.m. in Memorial Auditorium, the Montclair State College Orchestra and College Choir will present the grand opera "Samson et Dalila." This production is under the direction of Dr. Myron F. Rosskopf and conducted by the College Orchestra's Associate Conductor, Dr. Arthur H. Christiansen.

The opera, composed by Camille Saint-Saëns, is noted for its beautiful orchestration and dramatic proportions. The lead roles are sung by soloists who have established themselves as leading performers in the opera world. The performance promises to be a memorable event for music enthusiasts and opera aficionados alike.

Tickets are $1.00 for adults and 50 cents for students. All tickets may be purchased at the Student Service Center or from the Ticket Office located in the Memorial Auditorium.

CAMPUS ORGANIZATIONS ATTEND CONFERENCE

Forty-three campus organizations will send delegates to the leadership conference to be held at High Point, New Jersey, from September 4-8. Surrogates, fraternity, professional organizations and the three student publication groups will send representatives to the conference to become aware of human relations, group dynamics and the role of the individual in a group setting.

SEAM Needs Slogan

SEAM, the student education association at Montclair, needs a slogan or motto. These should be appropriate for an organization whose aim is to further the professional educational background of a future teacher.

The rules of the contest are:
1. Both the emblem and the content must be original.
2. The contest is open to all students.
3. The submission deadline is March 15, 1963.

The winner of the contest will receive $1 in cash. The emblem will be placed in the Student Service Center.

"Where Most Endured"

"Where Most Endured" is the topic of a talk by Dr. Myron F. Rosskopf to members of the Student Teacher Association on May 15, 1963, sponsored by the Mathematics Department.

Campus Organizations Attend Conference

The Essex County Society of Clinical Psychologists in Private Practice and the New Jersey Psychological Association will co-sponsor a symposium on Saturday, March 30 from 1:30-5:00 p.m. in the Memorial Auditorium.

The purposes of the conference are to provide an opportunity for sharing ideas, techniques and materials. An open forum will be established for the exchange of ideas and experiences.

Tickets will be $1.00 for adults and 50 cents for students. All tickets must be purchased at the service center.

New Cause Supported

It is a good thing when students can rally to a new cause with support of almost one hundred percent. The new cause is the Leahy Hall ballroom renovation. It will be held in Leahy Hall before school starts.

After weeks of planning, the Committee received affirmative answers from forty-three of the fifty invited organization representatives. The shortsightedness and 'lack of concern' for the campus are inexcusable. It appears Montclair students have a need and are willing to spend time and money to help themselves become more aware of the problems involving their leading group.

It is hoped that this first September conference will be so well received that it will be an annual affair which will eventually extend to other campus areas.

Thefts: A Moral Issue

Since September a series of thefts have occurred on this campus which perhaps unknown to the majority of students. While some stealing has been petty, there has been downright stealing accomplished by people at MSC.

The Student Government Association has had an adding machine and a typewriter stolen from the office. Despite requests to return the borrowed adding machine, it still remains in foreign hands.

Students themselves find valued possessions missing. One male student returned to his car to find his trunk unlocked and a set of drums costing approximately $1,000 stolen.

One incident which brings全家蒙clair to mind is the time one of our offices was broken into during a performance of "The Importance of Being Earnest."

The bookstores states that many books have been stolen from the library by the students who are taking gym, books are carelessly removed from the watched locker room benches. Even the coat room area outside the cafeteria is subject to book thievary.

The theory at Montclair State is that the students have a right to develop and enjoy their own social life just as they are free to develop and enjoy any other activity that they may choose. Nevertheless, of the ряд people, those who have no respect for themselves or others have committed acts of petty larceny. They would not wish to be considered as possessing the qualities of an intelligent, good citizen. Of course there are exceptions to this rule, but in general, the reputation of the student at Montclair State has been quite high.

TEACHERS: JOIN THE PEACE CORPS

Elementary and secondary school teachers of all subjects and some university instructors are needed for Peace Corps projects in over 50 countries around the world. Teachers will receive intensive training in English and the language of instruction for the majority of Peace Corps teachers in English.

In addition to teaching, Peace Corps volunteers will be involved in a variety of projects, such as health training, and practical experience in fields such as agriculture, engineering, and community development.

Volunteers serve for two years, including training. They receive allowances to cover food, housing, medical care and incidentals, plus a re-adjustment allowance of about $1,500, based on $75 for each month of service.

Apply now by filling out a Volunteer-Questionnaire, available from your college Peace Corps Liaison Officer, your local Post Office, your Senator or Congressman, or the Peace Corps, Washington, D.C. Dr. Norman Bang of Student Placement is the Liaison Officer for Montclair.
