SPECIAL SGA ELECTION CAMPAIGN ISSUE

April 23, 1963, MONTCLAIR STATE COLLEGE VOL. XXXVII NO. 19

Richard Cavillo, Class of 1964
Major: Biology
Average: 2.53

Why do you want to be vice-president of the SGA?

The vice presidency is a key service to the effectiveness of the Student Government Association and a pivot point for the coordination of all campus events. For this end, I have devoted most of my time to the past. As vice president, I would have the chance to perform a larger service for Montclair State in the future.

Qualifications: I am a class council representative for three years, I have been co-chairman of the Class Carnival booth and served as Dance co-chairman and on the Decoration and Food committees. I am a member of the Social Odd Fellows Association for two years and President this year. I have been a member of the Tennis Team for three years and captain in my sophomore year. The most rewarding experience has been the work on the Leadership Conference Planning Committee.

Charles Mainenti, Class of 1965
Major: Physical Science
Average: 2.54

Why do you want to be vice-president of the SGA?

To help improve the social activities and programs held at Montclair State College, I believe in a larger lecture series and the betterment of our three College Weekends: Homecoming Weekend, Christmas Weekend and Spring Weekend. And with the formation of a College Union next year, the establishment of recreational facilities on campus, I feel that I can work in the office of recording secretary to improve the activity and maintain the prestige both at Montclair and other surrounding colleges.

Qualifications: Perhaps, my most important qualification for office is my experience with the SGA. I have worked on the Planning Committees of the Campus Life Union Board and with the Recording Secretary for the planning of the Secretarial Workshop. As a member of Delta Omicron Pi, I have worked on committees for Carnival and Pi's Follies. High school experience includes Class vice president and student council activities committee.

Diane O'Reilley, Class of 1965
Major: Psychology
Average: 3.42

Why do you want to be recording secretary of the SGA?

I have become more enthusiastic about the SGA due to my present experience with it in the capacity of recording secretary. Because it is a necessary and successful organizational and because it co-ordinates student activities and life on campus.

Qualifications: (1) Secretary in SGA office, (2) Leadership Conference Planning Committee, (3) Attended Secretarial Workshop. I have acted as substitute secretary at class council meetings, (5) I am very interested in working for the SGA.

Kathy Greenwald, Class of 1965
Major: Home Economics
Average: 3.73

Why do you want to be corresponding secretary of the SGA?

All through high school I have been interested in student government and have wanted to work for it. Now that I have the opportunity to serve my school, I surely want to accept it.

Qualifications: (1) Secretary in SGA office, (2) Leadership Conference Planning Committee, (3) Attend Secretarial Workshop. As a member of Delta Omicron Pi, I have worked on committees for Carnival and Pi's Follies.

VOTE CARE YOU NOT ?

All right--what gives? In plain words "What's with you that you will not take advantage of the privilege of voting? Will you take advantage of the privilege of voting? Why did you not obtain the necessary time required for the office from your "busy" schedule? Or because your average did not meet the requirements? Suppose it were lowered, would you take some of the time and run for an office? Would there be more interested candidates or would the apathy remain high? The class of 1965 will give their campaign to you. Why do you feel so removed from the SGA? Here at State I am co-chairman of the Carnival Ticket Committee. And with the formation of a College Union next year, the establishment of recreational facilities on campus, I feel that I can work in the office of recording secretary to improve the activity and maintain the prestige both at Montclair and other surrounding colleges.

Qualifications: Perhaps, my most important qualification for office is my experience with the SGA. I have worked on the Planning Committees of the Campus Life Union Board and with the Recording Secretary for the planning of the Secretarial Workshop. As a member of Delta Omicron Pi, I have worked on committees for Carnival and Pi's Follies.

Mary Jane Clark, Class of 1965
Major: Accounting
Average: 3.58

Why do you want to be treasurer of the SGA?

I would like to be treasurer of the SGA because I would like to continue working for the development of the projects and help in the institution of new ones.

Qualifications: I feel that my experience in this year's Board of Trustees is my main qualification for office. Also, I have worked four years of student government before coming to Montclair. Having been closely associated with such committees of the SGA as the Leadership Conference Planning Committee, the Social Committee, the student Center Board Planning Committee, the State College Interscholastic Committee, and the communications Committee, I feel that I have a definite conception of the duties and responsibilities of a president.

I would combine this experience with willingness to work with the Board of Trustees, to build a better SGA.

If elected, I will be prepared to uphold the Constitution of the SGA. While I would support the general policies of the present administration, I would also support a more aggressive interpretation of the purposes of the SGA as defined in the constitution, especially that phase which states, "professional student organization."

Coast Guard Applications

Applications are now being accepted for Coast Guard Officer Candidate classes which will convene in September 1963 and February 1964. At Coast Guard Reserve Training Center in Yorktown, Virginia.

Men between the ages of 21 and 25, who will possess a bachelor's degree upon acceptance to the Coast Guard, are required to have vision of 20/50 correctable to 30/30 in each eye, and be between the ages of 18 and 25 years.

Attentive All Students

The petitions for candidate for class office will be available in Dr. Henry's office beginning April 25. They must be returned to Dr. Henry not later than 4:00 P.M. on May 13. I hereby give the signatures of 50 class members.

On April 30 at 10:30, there will be an assembly of all freshmen, sophomores, and juniors, in Memorial Auditorium, where the candidates from each class will give their campaign speeches. It is in the interest of the students of Montclair State to take a serious and interested part in these elections, speeches, and voting.

On May 1, next year's class officers will be elected...do your duty as a class member and participate in the election.

Oedipus CHORUS

The Greek tragedy, of which Oedipus Rex is an example, had its origin in the religious ritual of the Greek drama. The burlesque or comic song in honor of the god Dionysus. This was performed by comic-verse dancers repre- senting satyrs. "The Creek work "tragod" (good song) is the basis of the English word "tragedy."

There is an aura of myth, ritual, and religious symbolism in the Creek tragedy. "Theatresses" are universal, producing similar dramatic experiences wherever viewed. Such themes as the battle between predestination and free will (expressed in Oedipus Rex) evoke as much interest now as when first staged in ancient Athens.

Oedipus Rex is to be per- formed by Players on May 2, 3, and 4 in Memorial Auditorium. The chorus for the Players Production of Oedipus Rex has been announced by Dr. Fox of the Speech Department.

Sobel To Speak

In Haddonfield

Haddonfield Memorial High School will be honored on Sat­ urday, May 4, 1963, when it will host a meeting of the Association of Mathematics Teachers of New Jersey, whose purpose is to create more interest in the teaching of mathematics and to disseminate information on mod­ ern developments in the field.

The principal address will be given by Dr. Max A. Sobel, professor of mathematics at Mont­ clair State College. His subject, "The Times, K-12," is a discussion of the highly controversial, modern curricula of mathematics used in many schools today. Dr. Sobel was at one time president of the Association and is very devoted to it. He has written several books on modern mathematics, with emphasis for the slow reader in his latest book.

Open Letter to Students:

On behalf of the Women of Lambda Omicron Tau, I wish to thank the students of Mont­ clair State College for their support in our annual Blossom Day Day which was held on April 3, 1963. The proceeds from the sale of the dolls were donated to Camp Hope for tuberculosis-stricken children.

Aglaia expresses our in­ sincere gratitude to all who aided this worthy cause.

Sincerely yours,

Carole Ann Cooper
