Governor Hughes Appoints
Pres. Richardson Chairman
Of United Nations’ Week

Dr. Thomas H. Richardson, President of Montclair State College, has been appointed Chairman of the New Jersey United Nations Week observance. The announcement was made by the Governor of the State, Richard J. Hughes, came late last week. President Rich­ardson was present Tuesday, September 24, when the Governor signed the proclamation which would make Montclair State College United Nations Week in New Jersey.

Harry W. Woldstein, president of the United Nations Association of the U.S., New Jersey Division, in his opening remarks, said, “It is the theme of the conference that United Nations Week in New Jersey, as its main speaker. Se­

tion of a young boy and girl, in

Club to Present Off-Broadway Musical;
‘Fantasticks’ to Appear October 6, 7

The Fantasticks, New York’s longest running musical show is coming to the Montclair State College, October 6 and 7 at 8:00 p.m. in Memorial Auditorium.

The Fantasticks tells the story of a small village in the Far East, where a small boy and girl have been raised without ever having known their parents. The story is told through songs and dances, with a cast of only three performers - a boy, a girl, and a narrator.

The show is directed by Dr. Jack Sacher, who is also the director of the college choir and Dr. Arthur Christmann will conduct the college orchestra during the con­

partridge to Deliver Keynote
Address At Fall Convocation

Dr. E. De Alton Partridge, former president of Montclair State College, will deliver the keynote address at the Fall Convocation on Tuesday, October 4, at 10:00 in the Amphitheater. Dr. Thomas Richardson will preside at the event and award the twenty-two Bachelor of Arts and twenty-five Master’s de­

Dean of College Recognizes
Students For Achievement

Dr. Allan Moorehead, Dean of the College, has announced the names of those students who have attained an average of 3.5 or better for full-time work of at least 12 semester hours in the regular division for the Spring Semester, 1968. Students who have made the Dean’s List have been invited to attend the Reception and Tea, which will be held in Chapin Hall on Wednesday, October 19, from 4:00 p.m. to 5:00 p.m.

Sixteen Professors
Receive Promotions

D. Thomas H. Richardson, President of Montclair State College, has announced the prom­

promotion of sixteen faculty mem­

bers. Promoted from associate to full professor were: D. Robert Beauchamp, Social Studies; Dr. John H. Hamburger, Psychology; Dr. Arthur H. Christmann, Music; Dr. Evan M. Maleksy, Mathematics; Dr. Charles H. Martens, Fine Arts; and Dr. John R. Reed, Librarian.

Promoted from assistant pro­fessor to associate were: Robert R. Flyn, Science; Miss Marie M. France, Education; Donald B. Gregg, Education; Dr. Richard H. Hodson, Men’s Fine Arts; Karl R. Moll, Speech; Dr. Lois A. More, Social Studies; and Dr. Paul A. Gaeng, Foreign Languages.

The students whose names are listed below have attained an average of 3.5 or better for full-time work of at least 12 semester hours, in the regular un­
dergraduate division for the Spring semester. The star indi­cates a 4.0 average.

Students For Achievement (Continued on page 4)
The Inter-University Committee for Travel Grants announced that grants for the summer exchange program of 1967 have been awarded to some of the applicants. The grant is for a period of six weeks during the summer months, and it is open to students who are pursuing graduate or undergraduate studies in the humanities or social sciences.

Graduate Students Welcome MSC Students; Apply Early for Applications, Grants

The President of Montclair State College, Dr. John H. Beard, has announced the application for the summer exchange program of 1967. The program is for students who are pursuing graduate or undergraduate studies in the humanities or social sciences.

The application deadline is March 1, 1966. The program is open to students who are pursuing graduate or undergraduate studies in the humanities or social sciences.

The Voice of Montclair State is a new and growing organization which is working to establish a radio station on campus. Composed of working units under the coordination of the group, the Voice of Montclair State will not only improve communications among the student body, but will also offer an excellent opportunity for the students to participate. The students will then take part in a training program which is working to establish a radio station on campus. Composed of working units under the coordination of the group, the Voice of Montclair State will not only improve communications among the student body, but will also offer an excellent opportunity for the students to participate.

Mr. Gladstone was responsible for the candel photographs of this year's yearbook. He will also cover sports events and the football games. His recent TV work includes the floats, football games, and dances.

Programming Department

The Program Department is currently planning educational and entertaining programs too be presented on the station. It has been in contact with various recording companies concerning the purchase of records and plans to survey several lecture, musical, and dramatic programs during the coming year.

Announcing Department

The announcing staff will conduct auditions shortly after the opening of the semester to obtain additional members who will then take part in a training program.

These members will be working on the technical aspects of radio broadcasting. They will also assist members of the organization in preparing for the radio station's license examinations.

New Students Department

A monthly newsletter containing information about campus activities will be sent to all commuting students in an effort to improve communications between the college and these students.

Writing Department

Writing department members will tape M.S.C. football games and other sports events, and will solicit students to write for the forthcoming year are as follows:

Sports Department

In the coming year the sports announcers will tape M.S.C. football games and other sports events, and will solicit students to write for the forthcoming year are as follows:

Publicity and Public Relations Department

"Public relations" is especially needed to help announce the monthly activities of the organization.

The Maintenance Department and the Business Office would like to thank the entire commuting student body for its excellent cooperation in dealing with the current parking crisis at Montclair. Unfortunately, rain has completely halted all work on parking lots which will eventually accommodate nearly 400 additional vehicles. Lots which were scheduled for completion September 19th, most necessarily be postponed until the ground has dried sufficiently to permit heavy tonnage rolling equipment to operate.

Until lots under construction are completed, traffic regulations will be revised on a day-to-day basis. Maintenance personnel will direct traffic to open parking areas and to areas which are normally not used for parking. Recognizing the present difficult conditions, parking tickets will not be issued unless cars are parked in such a manner as to obstruct traffic flow.

Roads, for example, will not be available for parking until all open areas are completely filled.
Cold Feet and Hot Heads

On September 13, President Richardson conducted a meeting of student leaders to which we were privileged to be invited. A Step Further

We thank these students for recognizing us as a source of opinion on campus but we can no longer place the blame on any one college official. Mr. McGinty has worked so very many departments which do not. The parking situation was intolerable last year and supersedes any printable description at the present. The blame for this situation must and must be placed on the state officials who have controlled the financial reins of this college from their far-off, warm, dry offices in Trenton (which incidentally has very little mud). These officials have managed to park in every available nook and hole. Comments were even heard such as "Wait until the Montclarion comes out Friday morning, fill some four thousand parking lots!"

The parking situation that the college itself does not put a stronger effort by the students in correcting a situation which state officials should have solved long before this college allowed this college to grow to the size it has. Students of Montclarion, the time to act is now while our temps are still high and our feet still wet.

A Step Further

The two articles in this issue by Montclair State graduates (who have gone on to Graduate work should be a welcome sight to the college with facilities for strong Graduate research. We also hope that many departments of the college do stress Graduate opportunities; however, there are too very many departments which do not. There are many professors who teach with this in mind; however there are still many more who do not allow the student to enter into their teaching or into the minds of their students. The opportunities offered in this year's Graduate field is it even possible to say that the college itself does not put a stronger accent on Graduate studies. It is true that in many departments we now do stress Graduate opportunities; however, there are too very many departments which do not. There are many professors who teach with this in mind; however there are still many more who do not allow the student to enter into their teaching or into the minds of their students. The opportunities offered in this year's Graduate field is it even possible to say that the college itself does not put a stronger accent on Graduate studies. It is true that in many departments we now do stress Graduate opportunities; however, there are too very many departments which do not.

We urge the student body to look into the possibilities of Graduate School. We also look to the college to provide the opportunity for the student body to fully utilize the information needed in entering a sound Graduate program. U. N. Day—An Opportunity

We of the Montclarion wish to congratulate President Richardson upon his appointment as Chairman of this year's New Jersey United Nations Week observance. President Richardson's appointment brings the college a great honor and opportunity. The nature of the celebration and the caliber of the participants provides the opportunity for Montclair State to mark its place in the academic community. The celebration also gives the students an opportunity to actively take part in a program which would provide more than the usual amount of intellectual stimulation. The panels, speakers, and discussions will provide the student with an opportunity to evaluate the United Nations, and its position in the changing world. The program can also serve as a step to expanded campus activity in an intellectual vein. Such a program could lead to weekend seminars on the arts, sciences and other phases of the humanities. All of this will add to the student's acceptance of the intellectual challenge presented by college. All of this will add to the student's total view of the world and aid in his understanding of those about him and himself. We hope that each student will participate in some way in the program and will grasp the opportunity to extend the educational offerings of the college.
Who is to blame? Being a state college we rely on state funds and state control. This is the reality of the situation whether we like it or not. The College Reserves the Right To Modify This Calendar

The SGA food committee met yesterday to deal with this problem and to present their suggestion. The results are not available as of this writing.

With the inadequacies of form and substance, we might ask whether the state could object to the purchase or rental of off-campus houses by fraternities and sororities. This may not be possible in the near future but perhaps many Greeks would like to know if they can begin saving for houses. This still may not be possible because of other pressures, in particular the Los Angeles area has this problem yet I believe we should begin to study the situation... Life Hall on weekends? Is there any interested? Commuters! Look for a monthly mailing to your door! The reality, believe it or not, is that your college President, the Governing Council, the State of California... Everything!
OFF-CAMPUS HOUSING POLICY

1. The College reserves the right to inspect and approve rooms and apartments occupied by students.

2. Students living on campus or in any other residence hall on campus are required to notify the College of their addresses. This is done by completing the proper cards at fall registration. Changes of address during the school year should be reported promptly to the Student Personnel Office.

3. Students living off-campus are responsible for conducting themselves in such a way as to bring credit to themselves and the College.

4. The College does not enter into financial arrangements, nor does it have any responsibilities toward students and householders.

5. Students who are married, or over twenty-one years of age, may live in apartments with private entrance. Junior women may, with the written consent of their parents, have private entrance.

6. Men students expecting to live off-campus may use the College facilities for choosing between rooms and apartments.

7. Married women students are not to be accommodated in the same house.

8. Students living off-campus are encouraged to remain in the residence throughout the school year. The College makes every effort to maintain a cordial relationship with the householders. Thus these students usually will not be moved, unless the College and the school year even though vacancies may occur. Evictions can be made if necessary.

9. The College observes the New Jersey law against discrimination by cooperating to protect all persons in home or office.

10. The College will make a determined effort to assist students in finding housing, but cannot be responsible for placement of all students who make requests.

Lucenko To Head Soccer Team

The appointment of Leonard Lucenko as head soccer coach and Track Coach at Montclair State College was announced today by Henry Schmidt, Director of Athletics.

Lucenko, who comes to M.S.C. from Pratt Institute, will be succeeding John McKeeon, Mo- keon resigned in June to take a position at East Stroudsburg State College.

The new Indians' coach is a graduate of Temple University and holds a master's degree from New York University.

An outstanding athlete at Franklin High School in Philadelphia, Lucenko won letters in soccer and basketball. He captained the latter team during his junior and senior years and was a Greater Philadelphia all-star selection in soccer for two years.

At Temple, the new M.S.C. coach played three years of varsity soccer and captained York University in his senior year. He was an all-Middle Atlantic Conference first team selection in his senior year. In addition, Lucenko also lettered in track at Temple.

Lucenko coached the freshman soccer team at Hunter College for one year following graduation in June, 1946, through June, 1947, his senior year. He was an all-Middle Atlantic Conference first team selection in his senior year. In addition, Lucenko also lettered in track at Temple.

East Stroudsburg fought back to tie the score on a 14-yard run by Glen Ray and won the contest on Jim Scaglione's placement.

Montclair State's only win in the series in the last eight meetings took place in 1963 when the Indians downed East Stroudsburg State, 18-13. After Ithaca's
