Poet A.M. Sullivan Gives Poetry Collection To MSC

A precious gift has been given to the Harry S. Truman Library of Montclair State College. A glass case, beside the large window of the Special Collections Room, houses the modern American poetry collection of A. M. Sullivan. At a luncheon and reception held on December 12, the administration of the college formally expressed its gratitude to and respect for the distinguished poet.

A. M. Sullivan, a resident of Montclair for more than ten years, has taken an active part within the affairs of the community. While attending a function of the Margin for Excellence he came in contact with Anita Garity, a junior English major. Through his talks with her and through his long and dear friendship with Lawrence H. Conrad, Professor Emeritus of Montclair State College, Sullivan was impressed by the interest of the faculty and students on the campus in the study of poetry. Because of the requests he had had from individual MSC students for information which showed Sullivan that his personal library would provide a rich reference source for students of American poetry.

Dr. Harold C. Bohn, Chairman of the English department, suggested the idea of a poetry collection. Mr. Conrad, who arranged the meetings with A. M. Sullivan, introduced his friend and the collection before it was formally donated to the college.

The collection itself contains a hundred volumes of poetry of which many are first editions and personally inscribed to Mr. Sullivan by the poets. This rare library grew out of Sullivan's association with leading poets of the past forty years, many of them robotic, a band which he originated and conducted for twelve years over Mutual Network. The transcripts of his interviews with these poets as well as his correspondence with them are also included in the collection. Very exciting and valuable are the occasions on which the poets made revisions of their work directly within the volumes presented to A. M. Sullivan. Among the poets represented in the collection who also contributed more are Edwin Arlington Robinson, Robert P. Tristram Coffin, Robinson Jeffers, Robert Hillyer, and John Steinbeck.

Among Sullivan's most enjoyable experiences was the opportunity to express his views and read their poetry on his New Poetry Program, or as he has also called it, New Poetry on the Air, a pioneer in the radio broadcasting of poetry and master of its technique. Sullivan knew the poems and he gave many of the young ones an opportunity to express their views and re-read their poetry on his New Poetry Program. His interviews with authorities on poetry including Lawrence Conrad created a valuable dialogue on the air.

His motivation seems to be his firm belief in the necessity of the study of humanities. Consolidating and elaborating his philosophy in his books "The Three Dimensional Man", Sullivan emphasizes the pitfalls of specialization to the point of developing a narrow range of interests. Perhaps many men have stated this in different ways, but very few of them have put meaning into their words by living what they have advocated as has A.M. Sullivan.

His works in the field of literature have been extensive. But he has also contributed more than thirty years of association with Dunn and Bradstreet as director of Advertising and Public Relations and editor of Dunn's Review. At seventy-one, Sullivan is now a consultant to the firm. Mr. Conrad has pointed out that the realism and freshness of Sullivan's poetry reflects the latter's practice.
Agora Sponsors Annual Queen of Hearts Contest

Eight lovely girls will compete for the honor of being crowned Queen of Hearts tonight. Immediately following the Agora vs. the Panzer Gym Agora will sponsor its annual charity Queen of Hearts dance in the cafeteria of Library Hall. A few weeks ago each of the sororities at Montclair State selected one or more of its members to be their representatives. Girls vying for the title of queen are Carole Fette, a sophomore fine arts major of Kappa Sigma; Julie Guarino, a sophomore majoring in English; Alexia Perpich, a sophomore majoring in psychology; Chris Kuehl, a Sigma Theta Epsilon junior English major; and Bonnie Klein, a sophomore majoring in language and a member of Theta Chi.

The fraternity charge is Chris Kishel, a Sigma Theta major from Mu Sigma, and Bonnie Klein, a sophomore annual even sponsored by Agora and the Used Book Store. This year’s students must either pay the state sales tax or fill out special forms.

Last year’s Miss Montclair State with the other contestants in the pageant.

National Group Brings 'Much Ado'

The National Shakespeare Company presented "Much Ado About Nothing" on Jan. 11 in Memorial Auditorium under the auspices of the College Development Fund. The cast of the play, directed by Neil Flannery, was composed of experienced young performers including John Breslin, and Daryn Brent.

Miss Hall, who played Beatrice, began her career in California with a song and dance act at the Los Angeles Shakespeare Theatre and in the ANTA production of "Oedipus Rex." Miss Hall also writes for television. Mr. Breslin had the part of Benedick. Although only 25, he is a veteran of over 190 professional productions. He started in the off-Broadway "I'm a Good Boy, Folks!" and spent three years working with regional theatres, including the Louisville Shakespeare Festival.

Margain for Excellence Seen

by Bill Lang

Beginning tomorrow many of us will start our final exams. For some this period will be a time of anxious anticipation— for others it will merely be the transition from the old to the new.

Montclair is also making a transition. Its change is not as visible as a change in semesters, but it's there. The only significant evidence of the change is often discharged as a temporary problem. Today we tend to accept the mile long journey from class to class as an ever present nuisance. It was not always so.

In 1964 when the present class of '68 was accepted the great metamorphosis began. This year's class has its own unique qualities of students. The faculty of the College and the end of the era of a small state school with excellent facilities for all. It initiated an era planned with growing pains, for we definitely have temporary problems. Obviously, there are many situations that presently exist because of our rapid expansion: parking, cafeterias, dances, student unions, etc. But rather than dwelling on the problems I will attempt to determine what is being done to alleviate them.

Our State Government recent changes in the Higher Education Act which will aid in the solution of such problems as class size, campus revitalization, and in conjunction with the Federal Education Act will provide more dorm space. Now, thanks to the concern of the National Education Act, higher education, we can see the advent of a swimming pool and new theater as well as the enlargement of the gymnasium. When the next semester is drawing to a close we will present you one now, we will see the beginning of the New Fine Arts Building in the spring. This building will be the home of the English Department and the drama department.

The book is designed in a manner enabling it to be used as either a sole text for a survey course or in conjunction with other books in a more comprehensive course. This book instead of describing every detail of the national government concentrates on major aspects; political parties, pressure groups, federal courts, and the Presidency to name a few — a few — a few. — a few.

On February 19 '67 finalists will compete for the title of Miss Montclair State. A two hundred dollar scholarship, trophies, and honors along with the right to participate in the state pageant and the Queen of hearts. Miss Montclair State will also be the school's official homecoming Queen.

The men of Phi Lamda Pi are now accepting applications for the girls of Montclair.

Robert Steinfort

Steinfeld to Play

At Carnegie Hall

Robert Steinfort, a junior English major at Montclair State and a professional singer, will appear at Carnegie Hall in New York City on Sun., Feb. 15, at 8:30 p.m. as part of a program entitled, "Praise the Lord in Many Voices." Bob, whose professional name is Robert Edwin, will be a soloist in the "Mass For the Secular City," one of four new liturgies being offered, each in a different musical idiom. The performance will be recorded by Arista Music Records that has Bob under contract.

The music to be presented in the concert will include jazz, folk, classical and folk-rock; it will feature such artists as Mary Lou Williams, internationally- famed jazz pianist, and David Amram, composer-in-residence for the New York Philharmonic.

Robert Edwin, who is currently performing "An American Folk Sons Mass" at Saint Clements Episcopal Church in New York City, has made numerous personal appearances for various religious denominations including the National Lutheran Youth Conference in Miami Beach and at various service in W. Ashley's, Cathedral Washington, D.C. Most recently he was invited to participate in a special Christmas Eve service broadcast live by WNEW in New York.

For information about tickets and reservations for the Carnegie Hall performance, write to Robert Edwin, Suite 1429, 250 West 57th St., New York, New York, or call 212-246-1344. Ticket prices range from $3.00 to $4.50, with service charge from $2.00 to $4.50.

Home of the Dancing Hamburger

West’s Diner

Agora's Annual Queen of Hearts Contest in the Used Book Store. This year, students must either pay the state sales tax or fill out special forms.

Any book or money not claimed by March 15 will go to the Robert Lewis. The Voice of Montclair State is unable to begin broadcast new campus due to the-long term vacance of the Building Fund. The cast of the play, directed by Neil Flannery, was composed of experienced young performers including John Breslin, and Daryn Brent.

The men of Phi Lamda Pi are now accepting applications for the girls of Montclair.

Others in the cast were Paul Craig, Charles Crigan, Thomas Cheilli, Robert Winter, James Kline, Jean-Claude Vasseux, and Robert Lewis. Since the National Shakespeare Company's founding in 1963 by director-producer and composer Neil Flannery, along with actress and general manager Elaine Sulka, the troupe has become the most widely-travelled Shakespeare group in the United States. Its initial five-week tour of the New York area in the spring of 1964 was expanded last year to an eight month, 30 state tour covering over 30,000 miles. The 1966-67 season will see the company extend its tour to 38 weeks with plans for a summer festival.

Across the continent, the National Shakespeare Company has received enthusiastic response from both professional critic and educator. A New York reviewer wrote noting the "tremendous contribution to our literary heritage, our language, and our young people." An Illinois teacher remarked: "After seeing the company, never again will I have my students feel that Shakespeare is a book. He has become a vibrant and significant force in their lives."
Two students select titles from first of paperback racks in the bookstore.

Supply Store Begins To Stock Paperback

The College Supply Store has recently received a great number of new paperback books. The books are not part of the required reading assignments and are designed to appeal to the growing pains of the students.

The books were introduced into the supply store due to the efforts of several committees. In February of 1965, a group of students concerned over the lack of reading material in the bookstore other than textbooks, spoke to Erik Engel, former president of the SGA. Through him, they were referred to Mr. A. Kold, assistant to the president, and finally to the Faculty Committee of the Bookstore, headed by Dr. M. Kuhnen. This committee set up a sub-committee made up of both students and faculty members. Mr. A. Lomansky is head of this sub-committee.

The job of this group was to formulate a policy on the quality of the selections of the paperback books for the bookstore. All majors were considered as to books of general reading interest.

The committee drew up recommendations to the Board of the Faculty-Student Coop appropriated $5000 for the project. The titles of the books were selected by the students from a list with the help of a supplier. Periodically, the supplier will change some of the titles. Of the titles chosen, one-third are new and available to the students. There are now 304 new books that have arrived in the store and another rack of books has been planned and ordered to be set up within the next week. Due to lack of space and the selling of graduate division books in the Supply Store, more racks can't be set up at present.

Eventually, a new enlarged Supply Store will operate in the new College Life Union Building.

Student Appeals Board Establishment

As of Dec. 13 the Student Appeals Board for Parking was established. This Board will pass judgement on all parking appeals. The power of the Board extends to a 11 foot space at the Mountclair College student parking lots. It has the power to make the final judgement. The student appears before the Board, who has the power to call any violator before it. The student can contest his case before the Board.

Meetings of the Student Appeals Board are open to the public. The next meeting is on January 18, 6:00 p.m. at the Davila Hall Room in the Student Life Building. The times, dates, and place of future meetings will be announced.

Faculty

Notes

Mrs. Mary Arly of the science department is listed in the 1968 Dictionary of International Biography, published in London. Dr. William A. Pfeiffer also appears in the same work. Both women are also in Who's Who of American Women and Who's Who in the East. Mrs. Arly's husband, Robert, an official of RCA, is also in Dictionary of International Biography and Who's Who in the East.

Kurt Weisenshecker, exchange student from Austria, has received a scholarship from the Kellozg College for Continuing Education to attend "Adventure in World Understanding" conference at Michigan State, Dec. 20-29. This conference is held annually for foreign students at American universities. Overseas Neighbors, sponsor of Montclair student city affiniy with Graz, is also subvention to the cost of the trip.

Scholarship

Dr. Gerhard Lang of the education department was speaker and panelist at a one-day workshop held by Cliffide Park Public Schools, Dec. 8. Topic was "Teaching Reading and What Happens After." George J. Petrelli of the biology department is author of an article on "Use Corporation Annual Reports as a Teaching Device" in the December issue of Business Education. The article is author of an article on "Use Corporation Annual Reports as a Teaching Device." The Montclarion is also contributing to the cost of the student or the college to provide facilities in a new Student Life Building are received. This is a list with the help of a supplier. Periodically, the supplier will change some of the titles. Of the titles chosen, one-third are new and available to the students. There are now 304 new books that have arrived in the store and another rack of books has been planned and ordered to be set up within the next week. Due to lack of space and the selling of graduate division books in the Supply Store, more racks can't be set up at present.

Eventually, a new enlarged Supply Store will operate in the new College Life Union Building.

Mystics to Appear

At Frost Dance

The freshman class will sponsor a dance in Parmer gymnasium on Saturday, Jan. 14, at 8:00 p.m. This is the first event of the year held by the freshman. There will be live entertainment provided by the "Mystics," a rock and roll band from Hudson county. At the dance the winner of the freshman raffle will be announced. Raffle tickets are being sold at the price of a 25 cent gift certificate for a ski jacket. The chairman for the dance is Joseph Mescia. Admission will be 50 cents.

Sullivan

The Poet

(Continued from Page 1)

VETERANS' CORNER

The law requires that monthly certificates of attendance signed by veterans be sent to the VA attesting the veteran has attended classes. Generally, only one month's attendance is required before a certificate is sent to the VA. On December 27, 28, and 29, Alfa Phi Omega, the national service fraternity, held the 19th national convention in Minneapolis. Representing the NU Psi Chapter here was a Clair Kenecele, a student who was attending the convention were brothers Bob, Frank, Suberlri, John Koba, Roger Benedict, and Bill Eden.

The Convention was held at the Radisson Hotel. Over 1,000 others from over 400 chapters were at attendance. Changes in the national constitution now permit graduate students to re- Qualify as active members. De- tested was a bill which would have permitted individual chap- ters to have fraternity houses.

Washington, D.C. was chosen as the site of the next national convention which will be held in 1968. Also planned was a Con- testation Committee to be held next year at the University of Oklahoma.

Brothers Saul, Koba, and Sub- erlli were each able to devour a Lasagna.

February 10, 1967

A DATE TO REMEMBER

The Student Life Union Building is open to the public. The next meeting is on January 18, 6:00 p.m. at the Davila Hall Room in the Student Life Building. The times, dates, and place of future meetings will be announced.

Within their own state boundar- ies. Says Sullivan: "I am criti- cal of creative people who live in this state and don't own to it. There are a great number of poets and novelists who just sleep here and credit the state with their work. New Jersey has a special sort of light. It's a sort of light in the mountains." Again Sullivan has translated his thoughts into action through his poetry. Two of his works, New Jersey and the Mountains and Starlight are written specifically with New Jersey themes.

A. M. Sullivan is currently working on a new edition of one of his books of poems. He is also planning a series of essays on the appreciation of poetry.

Two students select titles from first of paperback racks in the bookstore.
The Montclarion is published bi-weekly by the Department of Publications of the Student Assembly, 1965-1966. Published at The Montclair State College, Montclair, N.J., on the first and third Wednesday of each month. Its subscription price is $2.50 per semester, $5.00 per year. Issues for sale on the campus are 25¢ each. Copyright, 1965-1966, The Student Assembly. Editorial opinions, unless signed, are the opinions of the Editors of the Montclarion. The Montclarion is not responsible for the opinions or statements of its contributors. Address all communications to the Montclarion, Life Hall, The Montclair State College. It will be an important and exciting year for the people who will graduate from the five state colleges of the State College System. The goals of our college and the other four universities, will not stop at this early stage, but will continue to be a reality. What better source of information for us than the students who will follow our footsteps. The Montclair of the future is the responsibility and destiny of Montclair State College, and a tribute to the student writers on this campus. There will be a meeting of all people interested in staff positions on the Montclarion on Tuesday, February 7, 1967, at 4:00 p.m. in the Life Hall office. Deadline for the next issue is Thursday, February 9, 1967.

The Montclarion, contrary to popular belief, is always eager to extend commendation or criticism when it is in order. Therefore, the staff sees a definite need to congratulate the College Supply Store for its recent addition of approximately 200 paperback books. These books, not required course readings, cover every major field of study and are of general interest to the student. In addition to these books, an additional supply is soon expected.

The problem to solve, however, is one which has plagued us since our return to college. Our staff, filled with exuberant enthusiasm for the publication of the Montclarion, has become increasingly aware of the need to expand its exchange circulation. The Bookstore has come to our aid, and we are deeply grateful.

The problem of censorship is a difficult one which the Montclarion must face. We are aware of the need to maintain a balance between freedom of expression and the need to maintain a socially acceptable standard of conduct. We believe that the Montclarion should express its views in a way which is consistent with the standards of the college and the community. We believe that the Montclarion should express its views in a way which is consistent with the standards of the college and the community. We believe that the Montclarion should express its views in a way which is consistent with the standards of the college and the community. We believe that the Montclarion should express its views in a way which is consistent with the standards of the college and the community.

The Montclarion would like to extend its congratulations to the College Supply Store for making this first step. However, we sincerely hope that the Montclarion will not stop at this early stage, but will continue to progress to the point where it can supply numerous titles for the benefit and enjoyment of all students.

Applications for entertainment available in the Student Government Association office, Life Hall.

Montclair Wins Kiwanis Tourney 70 - 67

Over FDU, Madison, NCE Takes Third

The Kiwanis Club presents Bob Lester with the Most Valuable Player Award.

The Montclair basketball team, which has lost only one game up to its meeting with Monmouth and Trenton, concluded its winning ways by defeating Fairleigh Dickinson University of Madison 70-67 in the final game of the first Kiwanis Tournament. It was one of the roughest games Montclair ever played. Montclair hosted the tournament.

The Tournament itself came from an idea by Mr. Don Johnston of Cedar Grove. Mr. Johnston had the idea of holding one game at Christmas time. The Passaic Valley Kiwanis Club, his own, took interest in the project and decided to run a tournament. Eight teams participated in the Tournament, which took place during the Christmas holidays from December 27 through December 30. The teams in the Tournament were Bloomfield, FDU at Madison, Newark College of Engineering, Newark Rutgers University, Passaic College of New York, Paterson State University of Paterson, State College of Glassboro, and Montclair State College.

The Start of Something Big?

After surviving several Paterson rallies Montclair finally went ahead 70-69 with 2 minutes to defeat the Pinwheels 75-63 at their court in Wayne.

Montclair Indians Beal Glassboro

On Dec. 9 the Indians dumped the Big Reds who played well but were no match for the Indians.

Montclair Trounces Trenton 58-59

After a close first half MSC caught fire in the 2nd half to down the Little Reds in the NJ SC conference race with a 56-59 trouncing of arch-rival Trenton. The way was a complete team effort and State ups its record to 9-2.

LITTLE REDS SHOW PROMISE

Last year coach Paul Stens' Junior Varsity team won 21 ball games - basketball but this year his Freshmen ball club showed much better promise.

Little Reds boast a starting team which averages just a shade under 6'3". At one forward is state Bob Schnitz, 6'4" from East Rutherford High. Bob is 6'4" and 40 points when the Indians dumped the Montclair College JV team 63-83 on January 6. Frank Baker is at the other forward spot; he is 6'6" and is Out of West Orange High. The center is Dick Maquire, 6'3", who is a good shooter and rebounder from Hockenbury Park High. The guards are 6'2" Kirk Anspach, a product of Henry Hudson High School in Atlantic Highlands and Frank Rossi, 6'1" from Watchung Hills. Frank is a quick player who can get to the basket and is a very good player who can get to the basket and is a very good player.
Meet the 1966-1967 Indians

Bob Lester - Forward

If Bob Lester's first two games at Montclair are any indication, the 6'7" former Central High School Star, will be one of the most exciting players ever to play for State Bob, who is a transfer from Fort Scott Junior College in Kansas, scored 31 points and pulled down 39 rebounds in the opening two games.

Michael Oakes - Forward

At the beginning of last year, the Arthur Johnson Regional product, was on the junior varsity team. Just after the varsity was able to win only 5 of 12 games, Mike stepped into a starting role and scored 133 points and grabbed off 127 rebounds. At 6'5" Mike makes good use of his height under the boards and has been rebounding and scoring well this season.

Dave Conoy - Center

The "Fox" is the most improved player on the team this year. Never fully reaching his potential at New Providence High School, the 6'9" center seems to have come into his own this season. In the opening game Dave grabbed off 19 rebounds and scored 10 points. In the second game Dave had to sit out much of the time because of foul trouble but he still managed to score 8 points and 9 rebounds.

Bob Gleason - Guard

The 6'2" former St. Aloysius Star is one of the most prolific scorers in college basketball. Using a deft touch on his left-handed jump shot and near perfect foul shooting, Bob pumped in 1208 points in his first two varsity seasons. Last season, Bob led the team in rebounding, pulling down 331 "bounds." Bob hit on 33 consecutive foul shots last year to set an NCAA record. The NAIA has honored Bob by naming him to their "Little All-American" team as an honorable mention.

Luther Bowen - Guard

Randy Heidemann - Guard

After scoring 309 points last season, the 6'11" A product of East Orange High is expected to play an even bigger role this year. "Lute" also is a good rebounder for his size and his quickness and alert play can wreck an opponent's offense. This year Bowen must carry much more of the load in the backcourt with Angar and La Meta in a reserve role.

Jack Apgar - Guard

Jack is back again as Indian captain this year. Last season, the 6'6" product of Johnathan Dayton Regional High School scored 212 points and led the team in assists. This season Jack will be used to back up Gleason and Bowen and should be one of the finest sixth men around.

Keith Neigel - Forward

Tommy La Meta - Guard

At 6'2" Mike makes good use of his height under the boards and has been rebounding and scoring well this season.

Bruce Riroc - Center

Bruce is a 6'7" transfer from Pennscola Junior College in Florida. Bruce shoots well from the outside and pulls down his share of rebounds; he'll see plenty of action this year filling in for Oakes and Conoy.

Randy Heidemann - Guard

At 6'1", led the junior varsity in scoring last year with a 19.6 ppg. average. Randy who played forward at Northern Valley High School is a fantastic shot but needs work in defense and ball handling.

Larry Markovitz - Guard

At 6'1", Larry is a strong rebounder and tough competitor; he'll see both varsity and junior varsity action this year.

DAVE WATINS, HEAD

The one-time assistant to Henry Schmidt embarks upon his third campaign as head coach at Montclair State College with a two-year record of 25-27 after last winter's 13-13 mark. Watkins success Schmidt after guiding the Montclair State junior varsity to three outstanding seasons. He had an overall won-lost record of 51-10, topped by the 19-3 ledger in the 1962-3 season.

The Penn State Graduate coached on both the scholastic collegiate level prior to his move to Montclair State. He piloted two Pennsylvania high schools, West York in York and Quakertown and was a member of the University of Iowa staff while undertaking graduate work there.

BOB BORNSTEIN, ASST. COACH

A football side to Rank Ferris this past fall, Bornstein joins the basketball coaching staff this season. The Trenton State College graduate starred in the cage sport as well as football (captaining the Lions in his senior year) and track.

Bornstein first served on the MSC coaching staff in 1961 and 1962 as a football assistant under Jerry Edwards. He returned to the Indians this year after coaching and teaching at Mt.Pleasant Jr. High School in Livingston, New Jersey.

DON COVELESKI, JV COACH

A varsity performer for three years, Coveleski has been given the task of handling the Indians reserves this season. A graduate of Hillside High School (N.J.), the MSC senior is a keen student of the game. He is a physical education major.

PAUL SZEM, FBC

Returning to his alma mater last year as an assistant to Dave Watkins, Szem had an impressive start as junior varsity coach. The 27-year-old coach, a former assistant at Penn State, has guided the Montclair State jayvees to a 12-13 mark.

THE INDIANS IN ACTION

THE 1966-67 INDIANS
The student's eligibility depends on being in good standing, or being admitted to the program, or having financial need. The cost of the program is between 30-40 hours per week, or they do not have classes, subject to special consideration. If the student does not have classes, the program provides educational purposes, such as attending the meetings they are interested in. All meetings are free to the students, and the college reserves the right to modify this calendar.

The APA is open to all students, regardless of their background, and offers a unique opportunity for students to become involved in American theatre. The APA is dedicated to supporting students in their academic and professional pursuits, and to providing them with a forum for the exchange of ideas and the development of new talents.

The APA seeks to attract students from diverse backgrounds and to provide them with a supportive and inclusive environment in which they can engage in creative and critical thinking. By offering a range of events and activities, the APA aims to foster a sense of community and belonging among its members.

The APA recognizes the importance of financial support for its members, and makes efforts to support students who are facing financial difficulties. The APA also recognizes the value of diversity in the theatre industry, and endeavors to promote diversity and equity in its programs and activities.

The APA is committed to supporting students in their academic and professional development, and to providing them with opportunities to network and connect with professionals in the field. By offering a variety of events and activities, the APA aims to help students build their skills and knowledge, and to prepare them for success in the theatre industry.

The APA encourages all students to get involved, and offers a wide range of opportunities to become involved. Whether you are a student, faculty member, or industry professional, the APA is here to support you and to help you achieve your goals.

A NAME THAT HAS MEANT
FINE FOOD, UNIQUE HOSPITALITY AND
CHARMING SURROUNDINGS FOR OVER
FIFTY YEARS

1129 Valley Road
New Jersey
The WRA has successfully completed their full sports calendar and has hopefully embarked on an equally successful winter program. Our volleyball club practiced in three intercollegiate playdays and brought back such victories as the one at Paterson where they accumulated 5 wins and 0 losses. The field hockey team finished its season with a 2-1-2 record, and the fencing club, modern dance club, and gymnastics club are all continuing their programs into the winter.

The baseball team has a full schedule for the months of February and March against such schools as East Brodurgk and Westminster. Their season looks very promising for the varisty in a pre-season tournament scored a victory against New York City College: MSC 65, NYCC 26. The basketball club which meets every Monday in Gym 1 at 3:00 has playdays scheduled for our return in January.

Bowling has just begun at Bowsoro and you can find 50 girls competing on teams every Wednesday at 4:00. The rhythmic gymnastics club is preparing for the Panzer demonstration, while the gymnasts and fencers are diligently practicing for their up and coming meets. Amateur gamists gather together for club every Tuesday afternoon and Thursday night and the fencers do likewise on Monday and Wednesday nights. Many clubs are offered to meet the varied interests of the sports minded women on our campus. If you’ve ever had a secret desire that Hello, Dolly is playing to defray college expenses, with upon your need for employment to delay college expenses, with preference given to low-income families. Candidates to "academic good standing" are defined as those eligible to continue to attend the college in which they are enrolled. Please feel free to see Mr. Neuner if you wish to be considered for employment under the Work-Study Program.
