THE Four Seasons will be presented tonight in the final CLUB sponsored concert for this school year. The concert, scheduled for 8 p.m., will be held in Panzer gymnasium.

The Four Seasons began their ascent to the exclusive domain of the top 40 programming or "hitsville" in 1960 when as four young men they pooled their talents to form a new musical and vocal team. The group worked hard to perfect their distinctive sound and a date at a small New Jersey night club was their first chance to try it out.

Actually, the group felt they had everything they needed, everything that is, but a name, so they borrowed that from the club. Thus began THE FOUR SEASONS. The Four Seasons began with Frankie Valli, first tenor, Bob Gaudio, second tenor, Nick Massi, bass, and Tommy DeVito, first baritone.

They represented a blending of talent from two other groups. Frankie, Nick and Tommy, along with the latter's brother, had recorded under the name The Four Lovers, and Bob originally sang with the popular Royal Teens. Bob wrote "Short Shorts," which became an overnight success and gave the group its first hit.

By 1960 all four young men were looking for new directions for their careers. The Four Lovers were thinking of disbanding, and Bob had quit the Royal Teens to concentrate on writing. The future Four Seasons quite naturally got together in New Jersey where they were practically neighbors. Bob was prevailed upon to resume performing and join the others in forming a new group. He was also encouraged to continue writing with the idea that he might provide the group with fresh recording material...an idea that has proved to be very successful.

The new group began performing in small clubs, and subsequently came to the attention of Bob Crewe, an independent record producer. He first used them to provide vocal backing for other recording artists, until 1962 when Bob Gaudio came up with a song that seemed to be a perfect vehicle for the Four Seasons' debut. It was recorded and released on the Vee-Jay label in August 1962. Within one month it became a "hit."

The song was "Sherry" and it sold over a million copies and earned the group its first gold record. After that one hit followed another, most of these written by Bob. A listing of these include "Big Girls Don't Cry (Continued on Page 5)"

James Clarke

James Clarke Secures Kansas Poetry Honors

James J. Clarke has won a $1000 Hallmark Honor Prize in the fourth annual Kansas City Poetry Competition, it was announced April 27.

Clarke's entry Epitaph for a Mongoloid: Dead at Age 12, depicts the reminiscences of a father after the death of his son.

It was one of six poems ranked awarded the top cash prize by Hallmark Cards, Inc., Kansas City, Missouri, greeting card publishers. The announcement was made in Kansas City by Richard Wilbur, the Pulitzer Prize winning poet.

More than 2,000 student poems were entered in the Hallmark competition. The 1967 winners were selected by Paul Engle, Donald Hall and William Stafford, each a distinguished American poet, educator and critic.

The judges report that Clarke's poem "an eloquent though heart-breaking plea for understanding in a world of cruelty and pain. The author's clear narrative voice gives a unique tragedy universal meaning, and portrays with crystalline beauty the mute love and trust of a child."

Clarke received a B.A. in English from Newark State College in 1966. He is currently completing a master's degree in English at Montclair State College on a fellowship. He expects to complete his studies to receive a Ph.D. in English.

He has been published in the Quarterly, local newspapers and in an anthology of the New Jersey poetry society.

The Hallmark competition is open each year to full-line college and university students on a national basis, with cash awards for single poems. The college division is part of the annual Kansas City Poetry Competition which includes cash prizes (and the publication of a book by the University of Missouri Press) in a variety of categories from high school poetry to book-length manuscripts.
Quarterly Publications Chabbooks
by James Busing

Quarterly, your literary magazine, the "little" magazine in the United States, and after winning first place in the State high school literary magazine at the University of Michigan in the 1966-67 school year, now starts the work of one writer present. The Chabbooks will continue to be edited by the writer and the students in the class. The title of the Chabbooks will be "Weary of the Work," and the students will contribute to the magazine.

Possibly, the Chabbooks can be read as a teaching aid in the classroom, especially in teaching contemporary writing, forms of literature, and contemporary poetry. Quarterly is presently available at the Chabbooks office.

Resident Assistants Selected For 1967-68

Miss Doris Reinhardt, Resident Program Director, and Mr. Raymond Stover, Assistant Director of Students, have announced the selection of the new Resident Assistants (previously known as Wing academic counselors) for the 1967-68 academic year. They are: Dorothy Peterson, Ann Arbor, Mich. He has selected a landscape artist and fine arts teacher in the Newton school system. His work has been featured in nine New Jersey art shows and 54 one-man shows throughout the country. He is immediately responsible to the Director of Students, has involved much planning and preparation. Mr. W. Scott MacConnell designed the set so that it could be adapted to the stage at Newton. Immediately following their last performance, the cast and crew dismantled the set and loaded it into a truck for their arrival at Newton on May 3. The stage crew spent many hours erecting the set and focusing the lights for the following day's performances.

Upon their arrival in Newton, the Tartuffe cast held a brief rehearsal to become acquainted with the stage and were conducted on a tour of Newton High School. An afternoon performance was presented for the public. During the day, the school's instrumental music room served as a temporary "makeup room" for the actors. They were seen in trousers and all types of wigs used on their "green screen". On a table was a bag of wigs on their "headforms" waiting to be used. And there were, of course, last minute costume repairs, such as countries and a variety of "makeup" for the actors. They were seen with a mouth in the air, a tongue in an actress's gown.

Following the performance of Tartuffe, the entire cast set again to be "stranded" and the crew to their makeup stations. Costumes, makeup props, and wigs were stacked and transported to Backus. The next morning the "actors" were ready to present another performance of Tartuffe to the adults and students of the community.

The "Players" tour, coordinated by Mr. W. L. Howard Fox, chairman of the speech department, has involved much planning and preparation. Mr. W. The Right Direction

The year is quickly drawing to a close. We can look upon this year's accomplishments with a great deal of pride. Unfortunately, however, we cannot take credit for all these accomplishments as our SGA Presi­dent, in his column in the last issue of the Montclarion.

As fine as this year might have been, however, there is no question that it is far from perfect. The current attitude of the student body is summed up by the phrase "Let's have fun and forget about grades." This entire attitude is greatly annoyed us. This entire, however, we cannot take credit for it. We must stop to think about the importance of many organized groups. Now is also the time to take that typing or composition course that you so need without purpose or ambition seems a definite waste of time and potential creativity. The art museums and such do not close their doors in the summer; you might even be able to write several reports for Music or Art 100 programs for the interested future teacher, volunteer social jobs, and youth corps organizations. Now is also the time to peruse that best seller you just didn't have time to read when there were two term papers and three oral reports due.

There are many opportunities for an enjoyable and beneficial three months: take advantage of them. One does not need to attend regular summer school classes. There is a source for knowledge and enrichment every day throughout the summer. Observe the world of Montclair State College and "Carpe Diem," that is to say, use the ninety-old days of summer well; don't waste them.

The Peace Vigils

The Peace Vigils at Montclair State Col­lege do not evoke a favorable reaction, even though there have been no "incidents." There seem to be two major camps of opinion: those who feel that the demonstrators are "Reds," "beatniks" or "intellectuals" who are causing more harm than good, and those who sympathize with the peacemovement but who see no value in the demonstrations. This writer has enough here to contend only with the latter group.

What are the purposes of the Peace Vigils at MSC?

First, they exist for those who wish to express their refusal to become a part of a system which some consider to be a "war machine." Without drawing fallacious com­parisons of situation, it is ironic to note that we are bringing to trial those who killed millions of people under order from Hitler on the basis that responsibility to one's personal beliefs is more important than the fulfillment of what one feels to be a moral evil perpe­trated by the State. Let us not in this situa­tion minimize the importance of personal belief and its expression.

Thirdly, they exist in effect to change the American military and foreign poli­cy. The demonstrators have held signs reading "Send the boys to your classroom and end the war in Vietnam" now. To say that pres­sure groups, which are made up of the unorganized and voices of similar leanings are among, have no effect on governmental policy by bringing their message to the ears of the public, is a gross ignorance of the workings of the American political system. In actuality, the "addition by alchemy" of isolated masses in this country is largely dependent on the cohesiveness of the demonstrated groups.

On May 24, noontime the final Peace Vigil of the school year will be held. Let us at least understand, if not agree, with what these people are doing.

Miss Grace Freeman

Much well-deserved tribute has been paid to Miss Freeman and these comments were frequently made in our column. I do not want to comment on our most recent campus event. With a few hours after the opening of the 1967 Montclair State College Carnival, a reasonable prog­nosis would have been disaster. In spite of great efforts and in­numerable people with a great deal of it worked out the spinal

Dear Editor: I was asked by a fellow soldier to see if his article could be published by the Montclair Clarion. He is a student at Montclair State College. He has not attended college and therefore has no place to send his work to be published. He believes to be a true artist and the feelings expressed in his writings can be construed to be by the voice of a soldier. He is a volunteer in foreign soil, although he does not necessarily represent my viewpoint.

If there is room for his article to be published, I am sure that he will greatly appreciate it. I am writing this request for this article if my name was in no way men­ tioned as the person who sent the article.

Dear Friend:

We are all concerned about the rapidly escalating Vietnam war. On every side we hear the question: Is victory possible in Vietnam? Will we pull out now, will South­ east Asia fall? Will an immoral or just war? What really will bring this war to an end? Is the war an immoral or a moral war and their intention to find an end to the war to an end? Is victory passible in Viet­ nam? Is the war an immoral or a moral war and their intention to find an end to the war to an end? Is victory passible in Viet­ nam? Is it worth fighting for?

We of clergy and laymen con­ cerned have been agonizing over these questions. If you too are troubled over these and similar questions, then may we invite you to discuss them with us? We will meet you in the auditorium of the George In­ neon School, which is across from the high school on Park and Chestnut Streets in Mont­ cliff on Tuesday, May 23.

Prof. Robert S. Browne of Fairleigh Dickinson University, Teaneck, and Rev. Daniel Kil­ forie of St. Peter's College, Jersey City, promised to come also. Both are scholars of the Vietnam war issues. Rev. Kilfoile will respond to our mor­

the general areas of supervi- sion and management, advising, and student activities.

Resident Assistants will pre- sent and explain rules and proce- dures to the new residents. They will help students adjust to the college environment and act as a zoo agent to direct and refer students with personal, academic, and financial problems to the proper authorities. They will help initiate plans and support social, academic, recrea- tional, and cultural dormitory programs and activities; hence getting a ye y positive example of leadership. Along with the Dormitory Council, they will en- courage the development and maintenance of a good living and study atmosphere in which all precepts have respect for the rights of others.

As part of the job requirement for the Resident Assistant Pro- gram, each member is expected to return to school early in Sep- tember for the orientation program and attend periodic in- service training during the school year. Work will be especially with the incoming freshmen who will comprise over 50 per cent of the total dor- mitory residents.

On May 22, the outgoing and incoming Resident Assistants will be honored at a buffet din- ner to be held in Grace Free- man dining hall.

MSC Tennis Team Seeks State Conference Match

Montclair State's tennis team now stands 5-1 for the season. Losses thus far have come to N.C.E. (5-4), Monmouth (6-1), New York-Rutgers (6-3) and powerful East Stroudsburg (9-0).

Here's your team has been paced by the consistent play of No. 1 Danny Sullivan, No. 3 Gary Saveroo and no. 6 Clark Lassner. These players are all Ed.

Others on the team have been less successful but have come through in many close matches to decide a victory.

In league competition, Montclair is 10 and needs only a victory over a strong Glassboro team to clinch the State conference for the second straight year. The lineup against Glassboro will be Sullivan at No. 1, Saveroo no. 2, Seiler no. 3, Goldberg no. 4, Maranzano no. 5 and Lissner no. 6.

ception, as he turned a two-out single into the ninth. He was however allowed five singles and a sacrifice bunt by Bill Becker to bring the tying run into scoring position with only one out.

Here Indian mentor Bill D'Angeli brought in his sky-scraping ace Fred Keimel. Fred retired the first Knight batter on a ground out to second and the first FDU run crossed the plate. Then with the tying run just coming home, Keimel ran and succeeded to fan shortstop Ted Force to preserve the win.

Indians over JCSC 5-1

Montclair's next game against Jersey City State College will be such a much easier win for the Indians. The team is strong enough to give Frank Rossi his third circuit blow of the season to spark a much needed Injun rally.

The Big Red then added single runs in the fifth and sixth frames to build up a 5-0 lead. Jersey City, after being denied a run in the seventh inning on Miller Sullivan's fine shoestring catch, finally pushed across an unearned tally in the eighth on a two-base hit followed by a two-base error by Montclair's second sacker, Bill Grance, making the final score 5-2.

Squires Defeated

The Indians next traveled to Newark State to battle the Squires for the second time this season. The D'Angeli men quickly rallied behind Bill Van Pelt, who celebrated his return to the Brave lineup with a 350 foot, three run homer, and scored four, first inning runs.

The Indians then held on and gave hurler Bob Biabano his second win of the season. The win also enabled Montclair State to move into a tie for the conference lead with Glassboro State.

"Pack a Care Drive"

From May 19-24, the "Pack a Care Drive" for our GI's in Viet Nam is underway on campus. The organisations and student body are being organized tactically through speakers, flyers, and posters for donations and support. Such articles as soap, gum, magazines, Kool Aid, letters, etc. will find a box in Life Hall Cafeteria. Those who wish to donate can contact Delta Sigma Chi. The purpose is to let them know we at Montclair State care. Help us care.

Watkins to Accept Post At Dickinson

Dave Watkins, who led Montclair State College to the best record in its basketball history last season with a 21-5 mark, has resigned in order to accept the head coaching position at prestigious Dickinson College in Carlisle, Pennsylvania.

Regarded as one of the fastest rising young basketball mentors on the East coast, Watkins became the Indians head basketball coach three years ago when Henry Schmidt, the Indians’ director of athletics, stepped down after a ten year career.

Handworking and extremely personable, Watkins did a mass recruiting job in the three years he oversaw the Indians. The Indians have prospered under the watchful eye of Watkins and produced a record of 21 wins, 14 defeats and 3 ties.

Not only will Dave Watkins be remembered as a good basketball coach but he was one of the finest and most popular professors at Montclair. He made not only a great contribution to sports but an even more important contribution to education. His successor will have a tough time replacing him both at court side and in the classroom.

He will leave the foundation for a very fine team. The first six players from this year’s varsity will be back, along with the Indian freshman team which posted a undefeated 19-0 mark.

In addition, Watkins has recruited another top flight group of New Jersey high school players this year which figures to give MSC a solid team for the next two or three years.

In addition to his success with the varsity basketball team Watkins also coached the junior varsity to a 15-10 record in three years as coach.

The varsity soccer team also prospered under the watchful eye of Watkins and produced a record of 21 wins, 14 defeats and 3 ties.

No successor has yet been named to replace Watkins. The sports staff of the Montclarion hopes that Mr. Paul Szem, the former Indian cage star and current freshman basketball tutors on the East coast, Watkins’ departure came as a surprise to MSC officials.

Watkins also coached the junior varsity to a 53-10 record in two losing seasons of 13-13 and 12-14, before hitting the jackpot this year.

Indians Claim Successful Season Victories Added By Team Effort

by John Danton

April showers may bring May flowers, but don’t mention them to Montclair State College baseball coach Bill Dioguardi. This year the April showers have continued well into May and they have managed to turn Montclair’s baseball schedule topsy-turvy.

Between the raindrops, however, Montclair managed to continue its all winning ways as the Indians extended their record to 9-0 with victories over Fairleigh Dickinson, Jersey City, Paterson and Newark State.

The Indians first contest saw heavily worked Joe Comiba take the mound for Montclair against Fairleigh Dickinson squad which had only managed one win in nine previous ballgames. However, Knight hurler Bill McDonnell refused to surrender without a fight. McDonnell limited the Indian’s offense to just four hits and two runs through his nine inning tenure. On normal days this performance would have been more than enough to nail down the victory but Fairleigh found themselves trailing 3-0 after eight and a half innings.

Montclair’s team has been getting exceptional pitching all year and has found that Comiba’s hurrying today would be no exception.
