Richardson Representative On Higher Education Board
For Six State Colleges

The presidents of the New Jersey State colleges have
selected Professor Thomas Richardson, President of Montclair
State, to represent them on the new State Board of Higher
Education, pending the formation of a Council of State Col­
leges. The selection, which was formally announced, will elect
its own representative to the board.

The Council of State Colleges is one of the new bodies
coming into being in conjunction with the reorganization of
education in New Jersey. It will be composed of the state college
presidents and the chairman of the Board of Trustees.

Richardson will serve as a liai­son between the State Board of Higher Education and the Council
of State Colleges.

Joins Other Educators

Along with representatives from Rutgers, Newark College of
Engineering, and the Community
Colleges, he will meet regu­larly
with Chancellor Ralph A.
Dungan and his State Board of
Higher Education, Ralph A. Dun­
gan, the former chief Ambassa­
dor to Chile, has a strong con­viction that the colleges of New
Jersey must be improved.

Since the State Board of High­er Education was formed on July
1, there has been one organiza­tional meeting on Sept. 15. At
future meetings, Richardson and his fellow representa­tives
will discuss problems of the colleges and ways to solve them.

There is a strong feeling that the colleges of New Jersey must
be improved.

WESTMONT SCENE OF SENIOR AFFAIR

* Attention all MSC seniors! The first semi­finalists for this year.
the Senior Informal, will take
place on Oct. 27 from 8 P.M.
to 1 A.M.

An annual affair at Monclair
State, the event is a semi­formal
dinner­dance which is be­ing
held this year at the West­
mont Country Club in West Pat­
terson. Dress for the occasion
is dark suits for the boys and cock­tail
dresses for girls.

Senior Class vice­president Ter­
ri Bowman and SGA represen­tative Henry Richardson, each
of whom will be serving as liaisons on the new State Board of
Higher Education, will accompany the voting ticket. Richardson will
serve as a liaison between the State Board of Higher Education and the
Council of State Colleges.

Dr. Thomas H. Richardson

now faces the expansion of
New Jersey's colleges to acco­modate the growing number of
college students.

Background

A graduate of New York State
University College at Oswego,
Dr. Richardson holds an M.A.
and a Ph.D. from Columbia Uni­
versity. He has also studied in
England and Germany.

Dr. Richardson has headed
Montclair State for the past three years. He was formerly dean of the
college and has also served
in the same capacity at Jersey City State. During the
1960's he was superintendent of
Air Force schools in England,
Germany, France, and North
Africa.

He is currently Chair­man of the Committee on Fede­ral
Programs for the American Association of State Colleges and
Universities, and he is also Vice­President of the New Jersey
Association of Colleges and Univer­sities.

The members of the State Board of Higher Education are:

William O. Baker, Vice Presi­dent for Research at Bell Tele­
phone Laboratories; Edward E. Roseman, President of
McGraw­Hill Book Company; Charles H. Brower, Batten;
Hartson, Durstine and Osborn; John T. Connors, President of the
Allied Chemical Corporation;

45 Semi­Finalists

In 'Who's Who'

Forty­five MSC seniors have
been selected as semi­finalists in the election for placement in
'Who's Who Among Students in American Colleges and Univer­sities.'
The nationwide annual honors outstanding college seni­ors who have
displayed great achievement in scholarship, par­ticipation in
leadership in acade­mically and extra­curricular activ­ities, and service to the school and professional promise.
Moreover, the book serves as a placement and referral service for employers.

Voting Procedure

The voting procedure and ballot tabulation are coordinated by Raymond M. Stover, Assistant
Director of Students and a com­mittee from the SGA Legisla­tive, Balloting performed by the SGA Legisla­tive and Executive
Board, department chairmen, mem­bers of the Administration, the Student Personnel Depart­ment, and the senior class advis­ers, is accomplished in two
rounds. The first ballot names every member of the senior class; from this list each voter
chooses those 25 persons whom he feels best meet the criteria for selection. Those 45 semi­finalists re­ceiving the greatest number of votes are then eligible for the
final election.

Second Ballot

With the second ballot, the voter receives both the grades point average and the four most
significant achievements of the candidate. The names of the twenty students receiving the
highest number of votes are then submitted to the national publi­cation office for confirmation.
Local announcement of the winners will be made by the Montclair
in the first November edition.

Forty­five seniors have been
selected as semi­finalists in the
election for placement in 'Who's Who Among Students in American Colleges and Univer­sities.'

Homecoming Weekend

Activities Announced

ANNUAL EVENT EXPECTED
TO DRAW LARGE CROWDS

College Life Union Board announces its 1967 Homecoming
weekend—Fri., Oct. 20 through Sun., Oct. 22. The theme for Homecoming will be A National Championship—Football Game.

The first event of the weekend
is float construction, which will begin Friday at 5:00 P.M. in
the freshman parking lot and continue until 2:00 A.M. Sat­
urday morning. The freshman
class will sponsor a bonfire and pep rally on Friday night. The
sophomore class will sponsor a bonfire and pep rally on Saturday night.

The first event of the weekend
is float construction, which will begin Friday at 5:00 P.M. in
the freshman parking lot and continue until 2:00 A.M. Sat­
urday morning. The freshman
class will sponsor a bonfire and pep rally on Friday night. The
sophomore class will sponsor a bonfire and pep rally on Saturday night.

Football Game

The football game against
South Connecticut will begin at
1:30 P.M. Saturday.

At halftime the float contest
winners will be announced and
tour the track. The 1967­68
Campus Queen, Nadine Udall,
will present the trophies to
the winners of the contest (in
accordance with MSC tradition).

On Saturday evening Phil
Ochs will appear in concert at
7:00 P.M. Jackie Vernon will
entertain on the same evening.
Chairman of the concert is Terry
McGillen.

Phil Ochs

Phil Ochs is the internation­ally famous American singer who has
been called "too controversial" for the mass media. Jack Vernon is the popular com­edian who has been hailed
"one of the brightest new stars on the comedy horizon."

Phil has appeared in clubs and on the NBC TV Show "The Tonight Show" in Los Angeles. He has given solo

FROSH TO ELECT CLASS LEADERS
by David Levine

Thirty-five daring freshmen have tossed their hats in the ring for the freshman class elections to be held on Thurs., Oct. 19 in Life Hall.

For president, five candidates handed in satisfactory petitions:

- Janice Santin, a music major from Belleville, has participated in numerous athletic and political events during his high school career.
- Marcia Moras, an English major from Rahway, has had experience as student council representative during his junior and senior years at high school.
- Neal Malek, also an English major, lives in Clifton. Neal has held positions on high school publications as well as president of Future Teachers.
- David Flaggs, a fine arts major commuting from Maplewood, has been involved in numerous high school social activities.
- Joanne Hodde, a social studies major from Hackensack, has been a member of the Chess Club, the Drama Club, and the Latin Club. At high school she has been a member of Future Teachers.

For vice-president there are six candidates:

- Sharon Lameo, a physics education major from Asbury Park, has had experience in various political offices as well as being a member of the school's newspaper and yearbook staff.
- Zichelleen Smith, a dorm resident, comes from Woodbridge. Majoring in fine arts, she has had experience in various high school clubs.
- Lynn Heiser, a math major from "little city," has been a member of the National Honor Society as well as various social studies organizations.
- Cheryl Noble, a home economics major, comes from Gutenbergs. At high school she participated in several clubs as well as holding the position of vice-president of Future Teachers.
- Virginia Skewert, a liberal arts student from Teaneck, has been a cheerleader, vice-president of the senior class, and a member of the National Honor Society.
- Carmen Butin, a Spanish major from Ridgefield Park, has served as a student council representative and class president of the junior and senior class.

Six candidates are running for the office of secretary:

- Dave Levine, a social studies major from Newark, has served on the school newspaper as well as a member of the student council for three years. He has also served on a number of school financial committees.
- Janice Jacewski, an economics major from Harrison has served on a number of high school clubs and is a member of the student council.
- Jeff Snyder, a math major, is from Philadelphia.
- Kenneth Thomas, a math major, comes from Lyndhurst.
- Darlene Dodson of Wharton is a business education major. She was a member of the Honor Society as well as a participant in Girls' State.
- Jerry Bunn, a liberal arts student from Lakewood, was sophomore class secretary, member of the Student Council, as well as a member of various high school clubs.

Seven candidates are running for the office of treasurer:

- Richard Kamenick of East Paterson is an English major. He was a member of the newspaper and yearbook staff in high school.
- Nancy Mullin is a math major from Union. She was student council representative for three years as well as a member of the National Honor Society.
- Patricia Miller, a dorm resident comes from Woodbury. Majoring in German, she was a member of the Student Council and executive committee.
- Sue Piccioletto, a dorm resident, comes from Waldwick. Majoring in biology, she was a member of numerous high school clubs including the Young Democrats, Future Teachers, and Spanish Club.
- Linda Alesso of East Paterson is an English major. At high school she was active with the student council, the National Honor Society, and the Latin Club.
- Patricia Collura of Fair Lawn is a math major. She was active with student council, the choir, and the American Legion during her high school career.
- Elaine Person is a Spanish major from Paterson. At high school she was active with the Pen-American Club, school newspaper, and the National Honor Society.
- Angela Petillo, a dorm resident, is a Spanish major. At high school she was active with the student council, Spanish Club, school newspaper, and the Latin Honor Society.
- Karen Lyons of Kearny is a business education major. During her high school career, she was active with the National Honor Society and the student council.

For class representative and class president there are three candidates:

- Karen Lyons of Kearny is a business education major. During her high school career, she was active with the National Honor Society and the student council.
- Michael Andrews of West New York is an English major. He was a member of the cross-country team, as well as the assistant editor of his school newspaper.
- Herb Neren, a business economics major, comes from Asbury Park.

Six candidates are running for the office of class president:

- Bob Santin, an English major, comes from Paterson.
- Joel Naugthon of East Paterson is an English major. He was a member of the Student Council, as well as a participant in Girls' State.
- Karen Lyons of Kearny is a business education major. During her high school career, she was active with the National Honor Society.
- Maurice Moran, an English major from Hackensack, has had experience in various political offices as well as being a member of the Student Council, as well as a participant in Girls' State.
- Marilyn Ingwersen of West New York is an English major. He was a member of the cross-country team, as well as the assistant editor of his school newspaper.
- Sharan Lameo, a physics education major from Asbury Park, has had experience in various political offices as well as being a member of the Student Council, as well as a participant in Girls' State.

The Vienna Symphony pictured as they appeared at MSC, Oct. 2, 1967

Vienna Symphony Performance
First of MOC Concert Series

Say the Beatles in their Sgt. Pepper's album: "A splendid time was had by all." Such was the mood reflected in the faces of those leaving Memorial Auditorium on Oct. 2 after the performance of the Vienna Symphony Orchestra, sponsored by the Music Organization Commission.

The group, under the direction of Wolfgang Sawallisch, said "we'd love to take you home with us" to the audience with Leo's cry first notes. Their program consisted of "Three Pieces for Orchestra Op. 5" by Alban Berg, Richard Strauss' "Death and Transfiguration" and Brahms' "Symphony No. 2 in D." The auditorium was filled to capacity for the 126-piece Viennese ensemble. Sawallisch, who is 44 years old and the Vienna Symphony's chief conductor since 1969, interpreted his program uniquely and sensitively.

Although he and his orchestra are relatively unfamiliar to those in the United States, they have been recorded often and are regarded as being among the best of Europe's symphonic organizations.

According to the audience's reaction, the highlight of the evening seemed to be the Strauss selection. Next to Don Juan, Death and Transfiguration is perhaps Strauss' most moving time poem, expressing the dying hour of a man who has striven toward the highest idealistic aims. The orchestra brought out beautifully the rich texture and drama of the piece.

The Vienna Symphony Orchestra concert was the first of several events to be sponsored by MOC. Other guests to appear at Montclair State College are pianist Lorin Hollander; the Baltimore Symphony Orchestra; soprano Veronica Tyler; Aaron Copeland, noted conductor and composer.
Joyce Classics Adapted

To Stage in "Stephen D."

by Michael Greico

A rather mystifying evening may be spent at the East
74th Street Theatre, viewing an imperfect adaptation of James
Joyce's Stephen Hero and A Portrait of the Artist as a Young
Man into the play Stephen D. The two novels are ravaged with no new creation and
patched leaving out the

moral into his character. He has
the Irish soul for fun and wit.
James D. Waring's direction was
unusually effective and virile.
In the shattering epiphany of the
girl's discovery of sex, Waring places the girl six feet from
Stephen. She should be as far
from Stephen as possible and
seen through a scrim. She is
only a symbol of Stephen's
concentration to the world of
moral beauty. She should not
be too real.
The Irish accents were han-
dled with varying degrees of fail-
ure. In just a few instances Joyce
voiced words given to the

MSC WELCOMES NEW FACULTY MEMBERS

With the start of a new school year, there is evidence of many innovations and changes not only in student enrollment, but also in another important aspect of campus life. There has been a new face added to the MSC faculty for the 1967-1968 school year.

ALCARIO, HUBERTA D.
Assistant Professor II - Home Economics; B.A., Institute of Veda; M.A., Columbia. Mrs. Alcaro was a Research Assistant at the College of Agriculture, University of California. She has taught in Connecticut and Colombia and has completed the course requirements for the Ph. D.

BARREITO, CLAIR AL.
Assistant Professor - Psychology; B.A., Institute of Veda; M.A., Columbia. He has taught in New York State, New Jersey, and Colombia and has been a full-time graduate student at the University of California. He has been a full-time graduate student at the University of California. He has also taught at the University of California at Los Angeles.

BART, FRANK W.
Assistant Professor - History; B.A., Columbia. Mr. Bart has been a part-time instructor as well as a full-time instructor. He has also been a research assistant in the history of planning in White Plains, New York.

EATON, DANIIA B.
Assistant Professor - Speech; B.A., M.A., Columbia. Mr. Eaton has been a part-time instructor as well as a full-time instructor. He has also been a research assistant in the history of planning in White Plains, New York.

FRANZ, RAYMOND W.
Assistant Professor - Psychology; B.A., M.A., Columbia. Mr. Franz has been in the electron field since he received his Ph.D. in 1965. He has been teaching at Essex County College for the past three years.

GELSTON, OLIVER S.
Assistant Professor II - Health; B.A., M.A., Columbia. Mr. Gelston comes to Montclair from Harvard University. He has done further graduate work in New York and Cambridge.

GORDON, RICHARD E.
Assistant Professor - English; B.A., M.A., Columbia. Mr. Gordon has been teaching at River Dell H.S. He has been active in professional organizations and in Boy Scouting.

DAVIDSON, MARTIN C.
Assistant Professor II - Eng.

DE LORO, WILLIAM E.
Assistant Professor - Philosophy; B.A., M.A., Columbia. Mr. De Loro has been teaching at River Dell H.S. He has been active in professional organizations and in Boy Scouting.

DIE, AZUSA.
Assistant Professor II - Sociology; B.A., Brandeis; M.A., Columbia. Mr. Die has been a research assistant in the history of planning in White Plains, New York.

KYLE, RICHARD A.
Assistant Professor II - Fine Arts; B.A., M.A., Columbia. Mr. Kyle has been a part-time instructor as well as a full-time instructor. He has also been a research assistant in the history of planning in White Plains, New York.

MC CRY, CAROL
Assistant Professor II - English; B.A., M.A., Columbia. Miss McCroy has taken further graduate work at Columbia University and has been active in professional organizations in the position. She has spent ten years in the theater in various capacities.

MC CAULEY, ROSEMARIENEUR
Assistant Professor II - Business Education; B.A., B.T., M.A., Seton Hall. Mrs. McCauley has been teaching at Rutherford High School and has been active in professional organizations.

MCMAHON, BEVERLY O.
Assistant Director, Student Teaching and Administration; B.A., M.A., Columbia. Mrs. McMahon has been active in professional organizations.

MURPHEY, RICHARD J.
Assistant Professor - Psychology; B.A., M.A., Columbia. Mr. Murphy has been a part-time instructor as well as a full-time instructor. He has also been a research assistant in the history of planning in White Plains, New York.

O'REILLY, S.
Assistant Professor - Fine Arts; B.A., M.A., Columbia. Mr. O'Reilly has been teaching at River Dell H.S. He has been active in professional organizations and in Boy Scouting.

RABALD, ANA M.
Assistant Professor II - Spanish; B.A., M.A., Columbia. Mrs. Rabald has taken further graduate work at New York University. She has had extensive experience in the Spanish language.

RAMBOLDI, ANNA C.
Assistant Professor II - English; B.A., M.A., Columbia. Mrs. Ramboldi has taught and coached at Madison - Middlesex High School. She is pursuing further graduate work at Montclair.

RICKER, ARLENE S.
Assistant Professor II - Speech; B.A., M.A., Columbia. Mrs. Ricker has taught in New York City and has had extensive experience in the speech field.

ROBINSON, JACOB G.
Assistant Professor II - Psychology; B.A., M.A., Columbia. Mr. Robinson has been teaching at River Dell H.S. He has been active in professional organizations and in Boy Scouting.

SCHLANGE, BUDDY B.
Assistant Professor II - English; B.A., M.A., Columbia. Mr. Schlanger has taught in Brunswick, New Jersey and has had extensive experience in the English language.

SEYMOUR, JOHN.
Assistant Professor - Education; B.A., M.A., Columbia. Mr. Seymour has been a part-time instructor as well as a full-time instructor. He has also been a research assistant in the history of planning in White Plains, New York.

SHURECK, PAUL P.
Assistant Professor - History; B.S., M.A., Montclair. Mr. Shureck has been teaching at Rutherford High School.

SUGARMAN, IRA
Assistant Professor II - Speech; B.A., M.A., Columbia. Mr. Sugarmann has been teaching at River Dell H.S. He has been active in professional organizations and in Boy Scouting.

TAYLOR, HOWARD
Assistant Professor II - Psychology; B.A., M.A., Columbia. Mr. Taylor has been teaching at River Dell H.S. He has been active in professional organizations and in Boy Scouting.

TONKS, JANE B.
Assistant Professor II - Psychology (Part-time); B.A., M.A., Columbia. Mrs. Tonks has a background in psychology and has been a research assistant at the Public Health Institute and (Continued on Page 5).
Mr. Roberts Named 'Quarterly' Adviser

The Quarterly, Montclair's literary magazine, has been placed under the guidance of a new adviser, John P. Roberts. Mr. Roberts, a graduate of Union College and Columbia University, has been teaching at M.C. for the past six years.

There will be no basic change in the Quarterly policy. Mr. Roberts is hoping for a literary magazine well balanced with drama (possibly a one-act play), fiction and poetry. He is sympathetic toward the creation with Quarterly. He believes that, through their association with Quarterly, students will have the chance to express their ideas in Quarterly.

Enthusiastic

Thus far, Mr. Roberts is pleased with the enthusiasm shown.

New Faculty

(Continued from Page 1)

an instructor in the School of Nursing at Albany Medical School.

VON DREILE, ELIZABETH

Assistant Professor of Speech, B.S., M.A., C.A. Mr. Von Dreile has also studied at Northwestern and the University of Illinois. She has been a Speech Clinician in Glen Ridge.

WALSH, WILLIAM C.

Assistant Professor II - Mathematics; B.A., Grove City; M.A., Montclair. Mr. Walsh has taught in New Jersey, Saddle Brook, Fair Lawn, and was most recently chairman of the mathematics department in Hildale Illinois. He was a graduate assistant at Montclair, 1964-65.

WOLFF, KENNETH C.

Assistant Professor - Mathematics; B.A., Montclair; M.A., Pennsylvania State. Mr. Wolff has been teaching at Ridgewood, H.S. and pursuing further graduate studies at New York University.

YEEGO, ELAINE

Supervisor III - Student Personnel; A.B., Curry; M.Ed., Springfield. She plans to continue her graduate studies in human development and work in student personnel activities while an undergraduate at Curry. She is a full time graduate student at Springfield.

New Pool at Panzer School Will Open In Near Future

A subject of special interest to most students is a campus pool now under construction. The new pool will be housed in an addition to the Panzer Gym. It will be ready for general use within a few weeks. The pool is the second facility that has been built with the funds obtained from the recent New Jersey Bond referendum.

Mr. Roberts also hopes to have the talents of Quarterly authors recognized and published in "little magazines." The work of Diane Walsh, for example, has been published by South and West Inc.) Quarterly itself is the recipient of the New Jersey Collegiate Press Award presented in spring, 1967.

Quarterly's goal is to continue becoming better. The staff asks any students having literary ambitions to contact either Mr. Roberts or Paul Larsen.

The first issue of Quarterly will be published within the month. Be sure to pick up your copy and take a look at the literary side of M.C.

**Lecture Series Will Focus Upon Gains in English**

An opportunity to learn of new ideas and techniques in the field of high school English instruction will be offered with the initiation of a new lecture series, sponsored jointly by the President Fellowship Fund and the English department of MSC. The lectures will be given by English teachers, English methodologists, and interested fac­ulty. They will present the latest developments designed to aid the teacher in processing material and also bear reports about what is being done in other centers.

The lecturers will be well-known and acknowledged ex­perts in their fields. The first speaker in the series, Mrs. Ad­ele Stern, chairman of the Eng­lish department, has been on the faculty for four years.

A guest speaker, a distinguished student, will be present at the lecture on April 26.

The lectures will be held in Tigert Hall. The dates and topics of future lectures, as well as the names of speakers, will be re­leased at a later date.

---

**13 OF MSC FACULTY RECEIVE PROMOTIONS**

Dr. Thomas H. Richardson, President of Montclair State College, has announced the promotion of 13 members of the college faculty. Promoted were: Dr. Louis G. McIlroy, education; and Dr. John W. Floyd, education; Dr. Clyde G. Redd, physical education.

To associate professor—Dr. Howard M. Ferris, physical education; Mr. K. Kodlitsch, biology; Dr. Arthur A. Leavitt, English; Dr. Doris H. Rus­sell, assistant professor of English; and Dr. Marion Schiebel, fine arts.

To assistant professor—Mr. Victorias Fiwa, science; Peter F. Macaluso, history; George J. Peterson, education; and Mrs. Maryjane Allen, education.

A member of the faculty since 1960, Dr. Floyd holds a bachelor's degree from Texas Chris­tian, master's from the Univer­sity of Texas, and Ph.D. from New York University. She has done research and cross-cultural study at the University of Wisconsin, and is making a continuing study of Group's culture. Dr. Floyd is currently giving a series of lectures on Group culture and has been a guest at various clubs and the MIT Alumni Club, both in New York City.

Dr. McIlroy holds B.A. and M.A. degrees from Car­negie-Mellon University; and a Ph.D. from the University of Pennsylvania. He joined the University in 1960, and since that time has directed approximately 30 performances of physical education recreation. He has given demonstrations for the New Jersey Theatre League. Later this year he will be the speaker for the Drama Festival at Glassboro.

Mr. Ferris has been on the faculty since 1960 and has been active in various physical education and enrichment programs in the state, district and national level. He is currently president of the New Jersey Association for Health, Physical Education and Recreation and is a member of the Board of Directors of the Essex County Heart Association. He received his B.S. from Ohio State, and since that time has directed approximately 30 performances of physical education recreation. He has given demonstrations for the New Jersey Theatre League. Later this year he will be the speaker for the Drama Festival at Glassboro.

Mr. Russell, a member of the faculty since 1960, received a Ph.D. from the University of Wisconsin, and is currently directing a study of his habilitation and.college. He is a member of the American Association of Colleges. He received his B.S. degree from Montclair State in 1960, his M.A. degree from Montclair State in 1961, his Ph.D. from the University of Wisconsin, and his M.S. and Ph.D. degrees from the University of Pennsylvania.

Mr. Mrs. Schiebel has been at Montclair State College since 1960. She holds a M.A. from Middlebury College and Ph.D. from the University of Pennsylvania. She has been at Montclair State since 1960.

Mrs. Petrelli has done work on the faculty of University of Delaware and an­other master's from the University of Pennsylvania. He joined the faculty in 1961.

Mrs. Schiebel has been at Montclair State since 1960. She holds a M.A. from Montclair State and M.A. from Columbia University. She has taken additional studies at New York University and has been on the faculty for four years.

A guest speaker, a distinguished student, will be present at the lecture on April 26.

The lectures will be held in Tigert Hall. The dates and topics of future lectures, as well as the names of speakers, will be re­leased at a later date.

---

**THERE ARE NO BAD TEACHERS; THERE ARE ONLY BAD STUDENTS**

The academic year has only just begun and already one thing is clear—you're not ready for college. Why? Well, to achieve maturity you need two things:

a) a probing mind;

b) a vest.

A probing mind will be quickly yours if you'll remember that education consists not of answers but of ques­tions. Blindly accepting information and dumbly memorizing data is high school stuff. In college you don't just accept. You dispute, you push, you pry, you chal­lenge. If, for instance, your physics prof says, "It equals mc squared," don't just write it down. Say to the prof, Why? What is the point of this?

This will show him two things:

a) You're thinking and working with an intellectual instrument.

b) You are in the wrong major.

Ask questions, questions, and more questions. That is the essence of your education. The heart and liver of education. Nothing will more quickly convince the teachers that you are up to the challenge, that you are not a "freshman," that you are not "tired," the better. Come to class with queries that dart and flash, that penetrate the surface, that tear the surface. Ask things which have never been asked before, like "How did I get Nietschke?" and "Did the Minotaur have testicles?" If you were the immortal and "How often did Pitt the Elder shave?"

---

**Max Shulman**
Juniors Granted Excused Absences for Ed. Requirement

An important breakthrough in administration-student relations was made official Fri., Sept. 29, as Dean Morehead and student body President Donald Stepnowski of the junior class and SGA respectively, it was decided that all juniors in the Teacher Education 203 courses would be excused from classes for two full days to help them fulfill the requirements of the new program. The move was prompted by the discontent which erupted throughout the class over the change from the traditional Junior Week to the 30-hour program. Junior Week has been five days of cancelled classes for observation at a high school of the students' choice. This year, without any notice at all, the education department felt that a change to 39 hours of the students' own time spent participating in classroom activities would make the observing much be more beneficial to the prospective teachers.

Injuries Cited

Many of the juniors felt that an injustice was being done because of the great amount of inconvenience and problems this new program created such as: conflicts with regular school ability to find two or more free hours at one time between eight o'clock in the morning and five o'clock in the afternoon.

On Mon., Sept. 29, Usherson, presented three grievances to these grievances to Dean Blanton, who immediately arranged a meeting for the former and Tom Stepnowski of the junior class and SGA respectively, it was decided that all juniors in the Teacher Education 203 courses would be excused from classes for two full days to help them fulfill the requirements of the new program.

The result, he notes, is evidenced to the children's imagination.
Communications

Communications have become an interestingly significant problem in our contemporary society. It would seem that very few people are able to communicate effectively. Even those who seem concerned about communications. We of the Montclarion have realized that various attitudes toward communications exist here at Montclair. We would like to examine some of the most prevalent attitudes and offer a few comments (which you may or may not accept depending on your mood or intelligence).

We were gratified to read about the students' changing roles at our college in the President's message of the last Montclarion. Such an approach of student involvement, which has long characterized our college administration, is indeed refreshing in the atmosphere we are impressed with our administration's fervor in these areas. Students share the responsibilities and interests of members of the Staff and administration in the art of college planning. The student viewpoint usually brings a new dimension to the outlook on the problem and adds to its complexity.

We of the Montclarion have become aware of our role in campus communications. Due to major additions in staff we have been able to expand our coverage of campus activities. We find, however, that many of those who previously had to care about good communications, would not devote any time to help in developing these communications. It was indeed disturbing to learn many of our most competent reporters rudely turned away by those who are so "busy" to be interviewed. It is rather difficult to produce a good newspaper without cooperation. Let's cooperate so that we can begin to communicate.

Our final comments on communication are directed once again to the Student Government Association legislature which seems to be the group of people who don't care about attempting to communicate. Vested, personal interests of many legislators continue to preclude the effective and meaningful workings of this body. We find ourselves extremely disappointed by the apparent waste of good intentions in the communications field. Good communications require much thought and effort. We are grateful to those at MSC who have taken the lead in establishing a new type of communication. We hope more will follow in their footsteps.

A Matter of Necessity?

Many critics of education have debated the necessity of teacher-training colleges. The so-called "teachers' college" is on the decline and in its stead is the four year liberal arts college which offers majors in education. To many, this is the ideal situation. The training of choice is more pronounced. You might say, "Doesn't one choose to go to teachers' college?" There are many reasons why one does elect to attend a state teachers' college, and the least of these is not the financial reason. In the same vein, because of this disinterest in the teaching profession, teachers' colleges are turning out people who perhaps will teach for the required two-year term and never return. Even Chancellor of Higher Education Dungan realizes the imperfections of this system, and in a recent conference, has suggested doing away with this two-year minimum teaching requirement dictated by the administration.

Perhaps what would be more beneficial for all involved would be a change-over to all four-year liberal arts colleges with an eleventh year of college devoted to teaching and/on supervised teacher training. Teaching certificates would only be granted to those candidates who have proved their competence and loyalty to the profession after a prescribed number of years. Perhaps this would be a more organized and realistic proposal in our own college. We think that we can begin to communicate.

Hippies in Hibernation

Following a recent discussion of the nature and characteristics of "hippies" in the Publications Office, we of the Montclarion staff came to this conclusion: Hippies are a rare species who thrive on love-ins, pot-smoking, and living "off the grid" world through rose-colored glasses, but whose species becomes dormant in the winter months. This observation can be attributed to the fact that, like the well-known fable of the grasshopper and the ant, many a hippie has danced and strutted his guitar all the summer long and now is faced with the cold realities of winter living, which, without a good paying job, even the most "turned on" hippie will soon grow hungry and cold.

The question remains: Where have all the hippies gone? There are few in evidence now in Washington Square Park, a place famed for their location. Have they all flown west, contrary to the course of the swallows; are they really in hibernation? A more optimistic, but less likely, venture would be that hippies are now masquerading as our busy business executives or hospital volunteers or hat check girls or construction workers. Have hippies been forgotten or just replaced by new interests (such as our busy business executives or hospital volunteers or hat check girls or construction workers)? Without money from a good paying job, even the most "turned on" hippie will soon grow hungry and cold.

The memories of this system, and in a recent conference, have suggested doing away with this two-year minimum teaching requirement dictated by the administration. We are grateful to those candidates who have proved their competence and loyalty to the profession after a prescribed number of years. Perhaps this would be a more organized and realistic proposal in our own college. We think that we can begin to communicate.
Letters to the Editor

SGA Budget

Dear Editor,

I am writing to express my concern over the validity of my request to table the SGA Budget. I would like to take this opportunity to explain my reasons for doing so.

It was decided at the Budget Meeting that the budget be finalized last year, so that the legislators could have a copy of the budget at their disposal one week prior to the voting meeting. This was not done. I find myself unable to vote on a quarter of a million dollars without careful consideration.

Although I respect the decisions of the SGA, I do not like to see the public display of our objectives as a governing body with the public display of our ethics remains blatant and self-serving. The integrity of Mr. Eloitz's motion to table the budget was mentioned above as a result of this attitude and, explicitly Miss Janice Dime's.

Because the campus community is in direct communion of American society, it is my responsibility to the students of Montclair to spend some time in understanding what is most important to me as an SGA rep.

Sincerely yours,
Leonard Halpern
SGA rep. class of '68

SGA Legislator Speaks

To the Editor:

One experiences a personal dilemma in voting on such a major issue, and indeed, I feel that the effect of the Bill of Rights is blunted.

In the most unwise action taken by this generation and the next, the student community has had to protect the interests of the people of the future.

Thus, we must continue to delegate the power of the student community to the future;

Mr. Eloitz's motion to table the budget was a bad idea and, explicitly Miss Janice Dime's.

Sincerely,
Mark Rudnick
SGA rep. class of '70

Richardson

"Society News"

SGA Legislator Speaks

To the Editor:

Mr. Eloitz represents many of the students of this organization, I am well aware of the vested interests that are now involved in the Student Government. Unfortunately, the interests of the students who take an active interest in their student government are also those students who are active in the various organizations. Several students are trying to increase as well as to stimulate the participation of the college community; this small group of students is commonly known as the "SGA legislators.

In no way do I feel that Miss Janice Dime is lax or incompetent in her job as SGA Treasurer. What I do question is that I’m not sure whether or not the Miss Dime’s view on the subject of the SGA officers. The question of Mr. Eloitz’s motion to table the budget was mentioned above as a result of this attitude and, explicitly Miss Janice Dime’s.

SEAM SLANT

"Where are you going ..." on October 22, 1967? On that date, a Sunday afternoon, there will be a Teachers Rights Rally at the Ashbury Park Convention Hall at 2 P.M. to make it easy to show your support for the rights of teachers to control their own professional association, there will be a special train leaving from Penn Station in Newark going to the Rally. It will leave at 10:40 A.M. and it will cost only $3.40 round trip. Any one interested in going down in a group from MSC can sign up on the list posted on the new SEAM bulletin board outside of the education office in College Hall.

"Where are you going ..."

On October 23, we will hold the second general SEAM meeting? We will have a special speaker at the meeting — Mr. Leo Collio. His speech should be interesting and stimulating. He will speak on Education and Law Enforcement and time will be provided for a question and answer period.

"Where are you going ..."

"Where are you going ..."

The federal grant, loan and work-study programs are designed for students who are eligible to continue to attend the institution in which they are enrolled.

Financial need is the difference between the amount of money a student and his family can reasonably be expected to contribute toward the expenses of the post-secondary education.

Financial need is the difference between the amount of money a student and his family can reasonably be expected to contribute toward the expenses of the post-secondary education.

Two elements must always be considered: (1) the amount of money the student and his family can reasonably be expected to contribute toward the expenses of the post-secondary education. These two amounts must always be considered: (1) the amount of money the student and his family can reasonably be expected to contribute toward the expenses of the post-secondary education.

In order to obtain the maximum Educational Opportunity Grant of $800, a student must meet three qualifications:

1. The parental contribution from income and assets must be less than $600.
2. The difference between the college budget and the total family contribution (parents' contribution from income and assets plus contribution from student savings and summer employment) must be more than $1,600.
3. The student must receive assistance from other eligible sources of at least $400.

Grants will range from a minimum of $200 to a maximum of $2,800 a year, and can be no more than 50% of the total assistance given the student. As an academic incentive to students, an additional award of $200 may be given to those students who were in the upper-half of their college class during the preceding academic year. Grants are renewable each year for the original amount.

At the federal level, a student must meet three qualifications:

1. The parental contribution from income and assets must be less than $600.
2. The difference between the college budget and the total family contribution (parents' contribution from income and assets plus contribution from student savings and summer employment) must be more than $1,600.
3. The student must receive assistance from other eligible sources of at least $400.

Grants will range from a minimum of $200 to a maximum of $2,800 a year, and can be no more than 50% of the total assistance given the student. As an academic incentive to students, an additional award of $200 may be given to those students who were in the upper-half of their college class during the preceding academic year. Grants are renewable each year for the original amount.

The federal government's Educational Opportunity Grants Program (EQA) is designed for students who are not in "academic good standing." Within the group of students coming from families of financial need, those students eligible for the Educational Opportunity Grants Program, ...
Staff Begins
To Plan For
'68 Yearbook

At this time of the year the La Campana staff is starting to meet their first deadlines. The senior section is the first to be completed and the senior editors, Donna Smith and Susan Cahill, are meeting this deadline. The next job at hand is the organization section. Pictures are being scheduled now and organizations will be notified shortly of the time and place for these. Something which the staff is initiating this year is the informal photographs which will be included along with the formal shots. The Staff would appreciate full cooperation from all organizations concerning this matter. This is a very important part of the theme and can only be made a success if all help us. Anyone who has photos, concerning campus events, whether or not they are in organizations, is also urged to bring them to the La Campana office.

There is a lot of work to be done on the 1968 Yearbook, and the staff urges all who would like to help make the La Campana a part of the life of the students, to come to the office. It is your yearbook and you should have some part in it.

Lambda Chi Delta Continues
Upward Bound Service Program

Each Saturday morning from 10 until 12:30, Montclair State College will play host to a group of 50 Upward Bound students, all of whom are quite familiar with the rigors of the Montclair academic community because they had spent the summer phase of the program here. As in the previous years, there is a concern for those working in tutoring the participants in the project are to guide and attain their educational goals.

From 10 to 10:30, all of the students will participate in discussions groups, organized by Dave Witz, ‘66. These groups will review problems in such areas as teacher-student relationships, religion, discipline, and race relations.

At 11:30, the students will proceed to areas of interest which they had chosen in a pre-program request sheet. They will be involved in a wide variety of activities including home economics, cooking, swimming, football, and basketball.

After the discussion sessions, the students will be given individual attention in the areas which they chose for tutoring. Subjects offered are social studies, mathematics, science, reading Spanish, French, English, and business.

The program is most fortunate in having student tutors who have volunteered to work with the Upward Bounders. Lambda Chi Delta, the fraternity which was instrumental in the tutoring program last year, is once again undertaking to do so, bolstering their forces this year with women tutors from Theta Chi Rho and Delta Theta Psi. Both the president of Lambda Chi Delta, Jeff Balkus, and the vice president, Jim Goldsmith, together with Dennis Bailey, who is over-all chairman of the tutoring program, have done extensive work in planning and organizing the varied tutorial groups. A breakdown of the tutors according to subjects follows: reading laboratory, Gene Farber, Chuck Boud, Steve Bergen, Ben Biggio, and Rich Warren; language, Dennis Bailey, Gene Farber, and John McElwain; social studies, John Siry and John Korp; English, Rich Stephanik, Bob Martinez, and John Herd; math, Jeff Balkus and Rich Holl; science, Sue Andrews and Bob Merrill; and Business Jim Goldsmith. Women from Delta Theta Psi who are working with program are Armster Knich and Penny Lattimer.

During the course of the follow-up program, it is hoped that both the students from Jersey City and the Montclair State students will benefit from their experiences. For the Jersey City youths, there is the opportunity to further high school studies and gain help in troublesome subjects. For the Montclair State tutors, the program affords on-the-spot training in teaching and working with students that should prove invaluable in their teaching careers.

Organization of reading lab activities has been under the direction of San Roseman, while Joe Magrini and Bill Rosenblatt have planned.

Faber Explains
Book Price Rise

The publishers of college textbooks were blamed by Mrs. Faber for the increase in prices of many of the required books for college courses at Montclair State College. Mrs. Faber, who is in charge of the College Book Store, said that the prices may vary from month to month on orders from the publishing houses. She cited the shortage of paper as the reason for increases for the publishers.

In spite of the increase in prices, MSC students still have a financial advantage over many other college students in that they receive 5 per cent off the list price of the publisher. Mrs. Faber said that she knew of no other college that offered such a reduction to the students. The rise in book prices has apparently not affected other commodities sold in the book store.

This week, the book store has been distributing student gift packages of well-known products as a service to the students of Montclair State.
THETA CHI RHO
The women of Theta Chi Rho held their annual meeting of Sept. 20 at which time the appointments of 10 homecoming princesses and 10 homecoming pageant princesses were announced. The meeting was well attended and enjoyed by all.

SOS THETA EPSILON
The sisters of Epsilon won the annual Greek Week pageant. They were chosen to represent Montclair State College. Best wishes to the new officers who will take place.

Engaged
Leomone Cleaver, ’68, to Marty Gieson, ’68, Seton Hall.

SOS THETA EPSILON
The sisters of Epsilon would like to welcome the freshmen to the Delta Sigma Chi's program. This is a tutorial program for prospective college students from Montclair City high schools.

Engaged
Linda Boyle has been elected to the Standard Board.

LAMBDA PI
The men of Phi Lambda Pi are celebrating their 23rd year of existence, and for its support at their pep rally dance. The MSC Indians were given a rousing time by the students and cheerleaders. The men of Phi extend their congratulations to Peter Everett, a senior in Delta Omicron Pi, for being elected Phi’s girl of the year. Also, Peter Everett served as chairman of the Pep Rally Dance, a suburb of the school, after a semester's layoff.

Engaged
Robert Garfunkle, respectively.

LAMBDA OMEGA TAU
The women of Lambda Omicron Pi are proud to announce the election of Nancy Galli from her summer study in Mexico. Charlene Cleaver also served as a delegate to the summer program.

Engaged
Bobby Grace, ’69, to Anne Grossman.

Engaged

MU SIGMA
The sisters of Mu Sigma would like to extend the best of luck to all the fraternities, sororities, and other organizations participating in Homecoming. Also — Good Luck to the Montclair Indians. We’re all looking forward to a big game over Southern Connecticut. Thanks to our co-chairs Cindy Ravotta and Janet Toner for all the work they’ve done in preparation for our float.

OMEGA PHI DELTA
Eugene Fagan, senior social major, is engaged to Miss Patricia Fisch of Jersey City. We wish our Homecoming chairman Carolyn Tanner, MaryAnn DelNegro, and Joyce Kuch luck with this year's event.

Our newly elected ICS representative is Kathy Stokes and CLUB representative is Kathy Casey.

AGORA
On Oct. 15, 1967, the men of Agora held their annual initiation. The following was presented: "How to Murder Your Wife," starring Jack Lemmon and Virna Lisi. It was held in Memorial Auditorium at 7:30 P.M. Admission is fifteen cents.

KAPPA SIGMA RHO
The advanced math program of College High School will undergo a major change this year: instead of beginning in ninth grade, participants will start during the summer.

According to mathematics professor Dr. Max Sobel, the new program will be the eleventh grade in the middle of the year, when interested students will have decided in their own time whether they want to continue.

The current ninth grade will be the first class under the new program, but students will have decided on their interests by then, he said.

Students will start in the new program during the summer. Those who decide to continue with the program will be given the usual qualifying exams, which, if passed, may allow them to bypass ninth grade and take calculus in a college class.

Freshman math instructor Mr. Sobel said the main reason for the change is that certain important Algebra II topics that are quite difficult to comprehend have not been clearly understood by advanced math pupils taking senior math.

It was also hoped that by delaying the program, more students will have decided on their interests; thus, nursery students will be saved from having to participate in activities with only those who intend to have mathematics as a lifetime study.

The current ninth grade will be the first class under the new program, but students will have decided on their interests by then, he said.

MSC Student Composers Asked to Enter Contest

Music composers have an unusual opportunity to compete for a $1000 prize offered by the National Society of Arts and Letters. Designed to encourage young talent in all the arts, the NSAL competition each year offers an award in a different field.

Mrs. John S. Tennant II, of Summit, President of the New Jersey Chapter of the NSAL, announces that the New Jersey contest winner will receive $250. The winning manuscript will be automatically entered in the national contest for the $1000 award. A second prize of $100 is also being offered by the New Jersey Chapter.

Contestants must be New Jersey residents, permanent or student, between the ages of 18 and 30. The composition must be for no less than adio voice and four instruments nor more than solo voice and eight instruments. It will be based on an American text or the composer's own text. Performance time will be approximately 8 to 15 minutes.

One copy of the full score must be received before Jan. 19, 1968 by the N. J. Scho-

A new girl for girl-watchers to watch...

Her name is Joan Parker, and she's the new Dodge Fever Girl. Watch her on television this season, dispensing Dodge Fever to a variety of unsuspecting souls. (Dodge's TV schedule is listed below.)

A new car for car-lovers to love...

It's name is Charger, and it's the best-looking Dodge ever built. Complete with disappearing headlights and sports-car styling that please everybody, but we sure try. See your Dodge Dealer right away.

MSC Soccer Team Wins
Bill Tell Named MVP

Our own Montclair State Poughkeepsie, N.Y. on Sept. 26, 1967 with a tournament the Indians from a possible major threat in the New Jersey Conference. In bringing home this championship, our soccer team boasted wins and a team equally as strong Institute. Both of these teams fell by 1-0 scores. The defeating of Marist and Rensselaer put Montclair into a contest with Pratt which had handily defeated both Marist and RPI.

Pratt was first to strike pay-dirt, and led 1-0, throughout both Marist and RPI. Montclair into a contest with before coming to this coun-

Both teams were awarded trophies, and were given special praise to Joe Cimmaruta, Allen Czaja, Gus Migliori, and Eddie Mess. Of the three scores, Migliori scored twice and Mess once.

Coach Lucenko praised the team for working as a unit but could have played better, and led 1-0, throughout both Marist and RPI. Pratt and Montclair. Both teams came back with his team boost-

As an item of recent interest, Montclair State broke its high scoring record with a score of 14-0. Jersey City State rarely threatened to score and the game awarded the players a chance to make up for their apparent strength.

MSC Sets School Record

All in all it was a long day for Jersey City State’s soccer team. The Indians, however, will run into much greater tests which will prove or disprove their apparent strength.

Who’s Who

(Continued from Page 1)

The Air Force doesn’t want to waste your Bachelor of Science Degree any more than you do.

B. Sc. Those letters have an im-

pressive sound. But they won’t be so impressive if you get shuttled off into some obscure corner of industry after you leave college. A forgotten man. You want activity. You want to get in there and show your stuff. All right. How do you propose to do it?

If you join the United States Air Force you’ll become an expert fast. The Air Force is like that. They hand you a lot of responsibility fast. Through Officer Training School you get a chance to specialize where you want... in the forefront of modern science and technology. Suppose, for example, you wanted to become a pilot and serve as aircraft commander on airplane crews. You’d plan missions and ensure that the aircraft is pre-flight-ed, inspected, loaded and equip-

ned for the assigned mission. You’ll be trained to fly exciting aircraft. Just examples. There are so many more.

Woudn’t it be pretty nice to en-
joy officers’ pay and privileges? And serve your country, as well? Also, you get retirement benefits, 30 days paid vacation, medical and dental care.

B. Sc. Very impressive letters. Now, do something with them.
Harris Still Undefeated
As Harriers Split Meets

Montclair State College Cross Country team opened its season Saturday, Sept. 23, by losing its first dual meet of the season to United States Coast Guard 20-41, at New London, Conn. United States Coast Guard placed seven runners in the top ten.

Jim Harris captured his first win of the season by establishing a school record of 20 minutes 34 seconds over a rough 3.9-mile course.

The Indians' 1967 squad runners included:

1. Jim Harris 20:34
2. Dale Rogers 21:00
3. Paul Bennett 21:18
4. Bruce Kinter 21:30
5. Jim Hamilton 21:41
6. Rod Hamilson 21:54
7. Jim Cummings 21:46
8. Bruce Kinter (Sr) 22:49
9. Tom Zaccone 25:04
10. Dave Evans (Fr) 25:36

Jim Harris captured his second straight victory of the season by placing first in a dual meet Sept. 30 against Fairleigh Dickinson University at Garrett Mountain Reservation.

Fairleigh Dickinson runners were victorious as they placed seven men in behind Harris before the Indians' second finish across the line.

The defeat brought Montclair's record to 0-2 for the season. Harris captured his first win of the season by establishing a school record of 20 minutes 34 seconds over a rough 3.9-mile course.

Albany State placed 5 runners among the seven finishers to defeat Montclair State's first seven runners finished in front of Bloomfield College's first finisher.

The meet brought the Indians a 2-3 record for the season.

George Horn is the cross-country coach. Jim Santimier, one of last year's top runners, is of special assistance to the coach. Coach Horn's greatest setback of the season came when it was learned that Thomas Zaccone, a top runner for the past three seasons, will not be able to compete because of physical difficulties.

The Indians' 1967 squad runners included:

1. Jim Harris 20:34
2. Dale Rogers 21:00
3. Paul Bennett 21:18
4. Bruce Kinter 21:30
5. Jim Hamilton 21:41
6. Rod Hamilson 21:54
7. Jim Cummings 21:46
8. Bruce Kinter (Sr) 22:49
9. Tom Zaccone 25:04
10. Dave Evans (Fr) 25:36

The MSC runners, Jim Harris captain.

Daringly new! Chevrolet's new line of Super Sports for '68.

Computer-tuned suspension systems, improved shock absorbers. New double-cushioned rubber body mounts. They all team up to bring you the smoothest, most silent Chevrolet ride ever. A fresh new idea in ventilation comes standard on every 1968 Camaro and Corvette. It's Astro Ventilation, a system that lets air in, but keeps noise and wind out. You'll appreciate all the proven safety features on the '68 Chevrolets, including the GM-developed energy-absorbing steering column and many new ones. More style. More performance. More all-around value. One look tells you these are for the man who loves driving. One demonstration drive shows why!

Be smart! Be sure! Buy now at your Chevrolet dealer's.
The Indians in action against Curry

Indians Scalp Curry
To Record Initial Win

by John Donston

Returning to the friendly confines of Sprague Field after an intermission, the Montclair State Indians rolled to score after score in a record shattering 51-0 victory over Curry College of Massachusetts.

In recording their initial win of the season, the Indians unveiled a solid unrelenting offense and a devastating running game which accounted for 303 yards. When this was combined with the 173 yards gained passing, it gave the Indians a new total offense mark of 476 yards, bettering the 417 which was set in the Jim Carvillo—Richie Higgins days of 1963.

Unfortunately for Montclair, this offensive outlook could not be spread over the previous week's action, which saw the Indians bow, 3-14, to Cortland State's Red Dragons.

Hard Hitting Game

This game, described by Coach Ferris as "the hardest hitting game that I have ever seen at Montclair," was a contest which the Indians wanted to win badly but they simply couldn't put everything together to negotiate the win.

Costly Indian fumbles and a blocked quick kick gave Cortland a 20-0 lead by the fourth quarter. But the "never say die" Indians came back on Jack Landfried's 33 yard run and a well-executed six play drive of 39 yards by quarterback Walt Lampmann to close the gap to 29-14.

However, Cortland State countered with a drive of its own and used the game with Jim Benesky's 24 yard field goal, making the final score 29-14.

When Montclair returned home to face Curry College, no one was quite prepared for the offensive fireworks, as the Indians were hard pressed in scoring 27 points in their two previous games. Then, on the opening series, Walt Lampmann overthrew Jack Landfried (who was wide open and two steps behind the defense) and Indian fans sat back in expectation of a long afternoon.

Punt returner Tony Di Natta, however, had the Indian returners out of their seats as he fielded a Curry punt on his 32, then veered to the wall of blockers forming at the Panzer sideline and raced for 66 yards until he was finally caught on the Curry 2.

From there, Jack Landfried, who has sparked all season in gaining 299 yards and rushing for a .45 yard average, tallied the first of three T.D.'s and the Indians were off and running.

Defense Take Over

Here the Indian defense took over and they got the point across that today the offense wasn't going to win all the stars, given by coach Ferris for outstanding plays. Led by Sean Bowes, the line put on a fierce pass rush and limited Curry to 7 first downs (only one during the varsity's tenure) and a rushing net of minus ten yards.

Montclair State built a 28-0 halftime lead on two more Landfried touchdowns of 8 and then 14 yards and a beautiful 31 yard scamper by backup quarterback John Gardi, which was set up by a fine block by Bob Lembo.

The Indians emptied the bench in the second half but even the Injun subs were too much for the bigger but slower Curry eleven.

Charlie Flochbock opened the gap to 39-0 by tackling Curry halfback Ralph Potente in the end zone. The final score of 51-0 was set when T.D.'s were notched by Billy Sabber on a 1 yard plunge, Bob Lembo (6 yard run), and finally freshman quarterback Ken Tecca hit Bob McNulty with a 96 yard scoring pass giving Montclair its 51 points and ending the parade of touchdowns.

Montclair's next action will be against a tough Central Connecticut team which boasts not one but two outstanding halfbacks. The man to watch will be Harold Brown, a 5-10, 180 pound back, who was recently named Back of the Week by the East Coast Athletic Conference which is composed of all Eastern small college teams.
