Music/Therapy

MUTC499	Title	once for a maximum of 6.0 credits.
	Prerequisites	Independent Study in the Field of Audio Technology.
	Course Description	MUTC 103 and 104 or John J Cali School of Music approval. Regularly listed course work pursued in greater depth. May be repeated twice for a maximum of 12.0 credits.
MUTH100	Title	Introduction to Music Therapy.
	Number and type of credits	2 hours lecture.
	Course Description	Survey of use of music therapy with various populations and other topics of relevance to the music therapist.
MUTH110	Title	Therapy and Observation Skills for Music Therapy.
	Prerequisites	MUTH 100, Music majors only.
	Corequisites	MUTH 115.
	Number and type of credits	2 hours lecture.
	Course Description	Observing, measuring, and recording behavior in a music therapy setting and other aspects of planning for music therapy sessions as well as observing music therapy sessions. Previous course MUTH 261 effective through Spring 2014.
MUTH115	Title	Music Therapy Practicum I.
	Prerequisites	MUTH 100, Music majors only.
	Corequisites	MUTH 110.
	Course Description	Improvement of the functioning of a client or group of clients with physical or mental disabilities through the use of music therapy. Discussion of the clients and their progress and other aspects of the clinical work. Previous course MUTH 262 effective through Spring 2014.
MUTH200	Title	Methods and Materials in Music Therapy.
	Prerequisites	MUTH 110.
	Corequisites	MUTH 205.
	Number and type of credits	2 hours lecture.
	Course Description	A variety of music activities and how to adapt them for music therapy settings; leadership techniques; simple instruments used in therapy. Previous course MUTH 260 effective through Spring 2014.
MUTH205	Title	Music Therapy Practicum II.
	Prerequisites	MUTH 115.
	Corequisites	MUTH 200.

	Special Fee	Special fee.
	Course Description	Continuation of MUTH 115. Previous course MUTH 263 effective through Spring 2014.
MUTH306	Title	Piano Accompanying Techniques for the Music Therapist.
MUTH306	Prerequisites	MSSN 204 or MUCP 311.
	Number and type of credits	2 hours studio.
	Course Description	Accompanying techniques adapted for music therapy. Choral harmonization, playing by ear, sightreading, learning music therapy repertoire.
MUTH307	Title	Piano Improvisation for the Music Therapist.
	Prerequisites	MUTH 306.
	Number and type of credits	2 hours lecture.
	Course Description	Improvisation in a variety of styles. Clinical adaptations.
MUTH310	Title	Music Therapy with Children.
	Prerequisites	MUTH 200 and PSYC 235.
	Corequisites	MUTH 315.
	Number and type of credits	3 hours lecture.
	Course Description	Ways in which music and the therapist may be used to influence the behavior of children, the mentally retarded, and the physically disabled. Previous course MUTH 461 effective through Spring 2014.
MUTH315	Title	Music Therapy Practicum III.
	Prerequisites	MUTH 205.
	Corequisites	MUTH 310.
	Course Description	Continuation of MUTH 205. Previous course MUTH 361 effective through Spring 2014.
MUTH320	Title	Psychological Foundations of Music I.
	Prerequisites	MUTH 310.
	Corequisites	MUTH 325.
	Number and type of credits	3 hours lecture.
	Course Description	Emotional correlates of the musical experience explored through research findings, psychological testing and inquiry, and philosophy. Current theories applied to practice in music therapy, education and performance are discussed. Previous course MUTH 463 effective through Spring 2014.

MUTH325	Title	Music Therapy Practicum IV.
	Prerequisites	MUTH 315.
	Corequisites	MUTH 320.
	Special Fee	Special fee.
	Course Description	Continuation of MUTH 315. Previous course MUTH 362 effective through Spring 2014.
MUTH400	Title	Music Therapy Training Group.
	Prerequisites	MUTH 320.
	Number and type of credits	2 hours lecture.
	Course Description	Expression and exploration of feelings through use of creative media. Particular attention to process so that experience may be generalized and subsequently used with client groups. Meets 2 1/2 hours per week.
MUTH410	Title	Music Therapy with Adults.
	Prerequisites	PSYC 365.
	Corequisites	MUTH 415.
	Number and type of credits	3 hours lecture.
	Course Description	Ways in which music therapy may be used in working with adult psychiatric patients, addictions, offenders, and geriatrics. Setting up a music therapy program. Previous course MUTH 462 effective through Spring 2014.
MUTH415	Title	Music Therapy Practicum V.
	Prerequisites	MUTH 325.
	Corequisites	MUTH 410.
	Course Description	Continuation of MUTH 325. Previous course MUTH 363 effective through Spring 2014.
MUTH420	Title	Psychological Foundations of Music II.
	Prerequisites	MUTH 320.
	Corequisites	MUTH 425.
MUTH420	Number and type of credits	3 hours lecture.
	Course Description	Basic techniques of conducting, reading, and interpreting psychological research in music are reviewed. Quantitative and qualitative methodologies are emphasized. Implications for various aspects of music are discussed. Previous course MUTH 464 effective through Spring 2014.

MUTH425	Title	Music Therapy Practicum VI.
	Prerequisites	MUTH 415.
	Corequisites	MUTH 420.
	Special Fee	Special fee.
	Course Description	Continuation of MUTH 415. Previous course MUTH 364 effective through Spring 2014.
MUTH430	Title	Guided Imagery and Music (GIM).
	Prerequisites	MUTH 410.
	Number and type of credits	2 hours lecture.
	Course Description	Introduction to the facets of guided imagery and music. Theory and process of the technique will be explored verbally and experientially. Is equivalent (with possible additional requirements) to Level I GIM training. Previous course MUTH 402 effective through Spring 2014.
MUTH495	Title	Internship in Music Therapy.
	Prerequisites	John J Cali School of Music approval.
	Course Description	Six months clinical training as a music therapy intern in an approved training program. Previous course MUTH 465 effective through Spring 2014.
MUTH499	Title	Independent Study in Music Therapy.
	Prerequisites	John J Cali School of Music approval.
	Course Description	Project and/or study planned with sponsoring faculty member. May be repeated twice for a maximum of 9.0 credits.
MUTH501	Title	Psychology of Music.
	Number and type of credits	3 hours lecture.
	Course Description	Psychological foundations of music, including cognition, perception, emotional meaning; musical development and learning; testing for musical ability; research methodology. Cross listed with Music, MUED 501.
MUTH510	Title	Group Music Therapy Experience.
	Prerequisites	Music majors only.
	Number and type of credits	2.5 hours lecture.
	Course Description	Use of creative media to express and explore feelings and issues in a supportive and productive environment. Specific content to be determined by members and therapist. Group members may apply what they have experienced to their own client groups. May be repeated for credit.
MUTH520	Title	Research in Music and Physiology.

	Number and type of credits	3 hours lecture.
	Course Description	Methods of physiological research in music and music therapy. Individual and group projects will be conducted utilizing such measures as heart rate, electrodermal response, and EEG. Course emphasis is on applying skills in order to design and execute research relevant to demonstrating the role of music.
MUTH521	Title	Music Therapy Assessment in Clinical Practice.
	Number and type of credits	2 hours lecture.
	Course Description	This course introduces intermediate level music therapists to a critical review of assessment literature and supervises their field testing of a published assessment tool appropriate to one's area of clinical interest.
MUTH522	Title	Clinical Improvisation.
	Number and type of credits	2 hours lecture.
	Course Description	This course introduces the intermediate level music therapist to a critical review of clinical improvisation literature, invites experiential learning, and supervises the application of improvisation methods appropriate to one's
MUTH522	Course Description	area of clinical interest.
MUTH523	Title	Supervision and Teaching in Music Therapy.
	Number and type of credits	2 hours lecture.
	Course Description	This course introduces the students to theories, concepts and styles of supervision and teaching, and surveys issues related to teaching as well as clinical and academic supervision.
MUTH524	Title	Group Music Therapy.
	Number and type of credits	2 hours lecture.
	Course Description	This course focuses on theories and concepts of music therapy interventions with small groups in various therapy settings and within various therapeutic orientations. The course will help the student effectively design and lead music therapy groups.
MUTH525	Title	Special Topics in Music Therapy.
	Number and type of credits	3 hours lecture.
	Course Description	The focus of this special topics course will be determined by recent trends and developments in the field of music therapy which delineate a topic of

		attention for current practice in the field of music therapy.
MUTH565	Title	Graduate Music Therapy Internship I.
	Prerequisites	Completion of all undergraduate music therapy coursework.
	Course Description	This internship is conducted on the graduate level, includes 500 supervised music therapy hours in AMTA (American Music Therapy Association) approved or University affiliated site. Includes faculty supervision, cooperative readings and projects with MSU Graduate Faculty and online dialogue related to theories and practice of music therapy: option to conduct project related to thesis.
MUTH566	Title	Graduate Music Therapy Internship II.
	Prerequisites	Completion of all undergraduate music therapy coursework.
	Course Description	This internship is conducted on the graduate level, includes 500 supervised music therapy hours in AMTA (American Music Therapy Association) approved or University affiliated site. Includes faculty supervision, cooperative readings and projects with MSU Graduate Faculty and online dialogue related to theories and practice of music therapy: option to conduct project related to thesis.
MUTH598	Title	Thesis Seminar.
	Number and type of credits	1 hour seminar.
	Course Description	This seminar is designed to help students prepare a thesis proposal in music therapy and to provide the opportunity to exchange ideas, methods, and designs.
MUTH599	Title	Independent Study Music Therapy.
	Prerequisites	John J Cali School of Music approval.
	Course Description	Regularly listed courses pursued in greater depth, by arrangement with the instructor prior to registration. May be repeated twice for a maximum of 9.0 credits during the program but may be taken only once per semester.
MUTH600	Title	Independent Study Music Therapy.
	Prerequisites	John J Cali School of Music approval.
	Course Description	Individual pursuit of a research topic culminating in a written document of length and scholarly integrity. May cover two semesters; student registers for the semester in which the work will be completed. May be repeated twice for a maximum of 9.0 credits.
MUTH620	Title	Music Therapy Seminar I: Severely/Profoundly Impaired Youth.

	Prerequisites	Music majors only.
	Number and type of credits	4 hours seminar, 2.5 hours other.
	Course Description	Introduction to theoretical and applied skills in use of music therapy with severely/profoundly impaired youth. Developmental framework, applied to review of relevant literature, normal musical development related to social,
MUTH620	Course Description	cognitive, and motor development, developmental assessment, music therapy goal planning, music therapy activity with this population, incorporation of special education techniques, music therapy evaluation. Practicum included.
MUTH621	Title	Music Therapy Seminar II: Severely/Profoundly Impaired Youth.
	Prerequisites	Music majors only.
	Number and type of credits	4 hours seminar, 2.5 hours other.
	Course Description	Advanced theoretical and applied skills in use of music therapy with severely/profoundly impaired youth. Developmental framework applied to review of relevant literature, normal musical development related to social, cognitive and motor development, developmental assessment, music therapy goal planning, music therapy activity with this population, incorporation of special education techniques, music therapy evaluation. Practicum included.
MUTH622	Title	Music Therapy Seminar I: Mild/Moderately Impaired Youth.
	Prerequisites	Music majors only.
	Number and type of credits	4 hours seminar, 2.5 hours other.
	Course Description	Introduction to combination of theoretical and applied skills in the use of music therapy with mild/moderately impaired youth. Developmental framework applied to review of relevant literature; on musical development related to social, cognitive, and motor development, developmental assessment, and music therapy goal planning, music therapy activity with mild/moderately impaired populations, incorporation of special education techniques of music therapy evaluation. Practicum included.
MUTH623	Title	Music Therapy Seminar II: Mild/Moderately Impaired Youth.
	Prerequisites	Music majors only.
	Number and type of credits	4 hours seminar, 2.5 hours other.
	Course Description	Advanced theoretical and applied skills in the use of music therapy with mild/moderately impaired youth. Developmental framework applied to review of

		relevant literature on musical development related to social, cognitive and motor development; developmental assessment, music therapy goal planning, music therapy activity with mild/moderately impaired populations, incorporation of special education techniques, music therapy evaluation. Practicum included.
MUTH624	Title	Music Therapy Seminar I: Adult Psychiatric.
	Prerequisites	Music majors only.
	Number and type of credits	4 hours seminar, 2.5 hours other.
	Course Description	Introductory theoretical and applied skills in the use of music therapy with adult psychiatric clients. Review of relevant literature on adult psychiatric clients with emphasis on rationale for approaches and treatment. Study of group literature. Music therapy sessions with emphasis on observation of behavior. Practicum included.
MUTH625	Title	Music Therapy Seminar II: Adult Psychiatric.
	Prerequisites	Music majors only.
	Number and type of credits	4 hours seminar, 2.5 other.
	Course Description	Advanced theoretical and applied skills in the use of music therapy with adult psychiatric clients. Review of relevant literature on adult psychiatric clients with emphasis on rationale for approaches and treatment. Study of group process literature. Music therapy sessions with emphasis on observation. Practicum included.
MUTH698	Title	Master's Thesis.
	Prerequisites	John J Cali School of Music approval.
	Course Description	Independent research project done under faculty advisement. Students must follow the MSU Thesis Guidelines, which may be obtained from the Graduate School. Students should take MUTH 699 if they do not complete MUTH 698 within the semester.
MUTH699	Title	Master's Thesis Extension.
MUTH699	Prerequisites	MUTH 698.
	Course Description	Continuation of Master's Thesis Project. Thesis Extension will be graded as IP (in Progress) until thesis is completed, at which time a grade of Pass or Fail will be given.
