Translating Learning into Physical Spaces for New Learners

Mindy M. Walker

THE OHIO STATE UNIVERSITY
I am a new learner.
We are all new learners.
What’s hardwired functions while revisions and upgrades are underway.
Discovery:
theory translated into design:

Apple, anyone?
What would Dewey say?

If we teach today’s students as we taught yesterday’s, we rob them of tomorrow.
Blended: integrated; commingled
Blended: combined
Flexible: adaptable; responsive; adjustable
How do you begin your exploration?
You’re not alone…
Coming together is a **beginning**, staying together is **progress**, and working together is **success**.

- Henry Ford
