HAPPY NEW YEAR!

Give one loud bark and say “Happy New Year” in Mandarin tomorrow, for it’s the Chinese New Year of the Dog.

Meanwhile, the governor’s aide said that Cahill will be preparing an official statement regarding the tax hike and its effect upon the state’s educational institutions “in the near future.” “Nothing has been officially finalized as yet,” the spokesman said.

TRENTON — If all goes as planned, the State Senate will pass a bill Monday requiring New Jersey to pay a 5% sales tax by March 1. This tax hike from 3 to 5% was recommended by Gov. William T. Cahill to meet a deficit of nearly $400 million in the 1970-71 budget.

While the tax boost will almost certainly plug up the financial holes in the state budget, observers are predicting that as much as $50 million in surplus revenues could result during the current fiscal year.

An aide to the governor told the MONCLARION that once the deficit in the budget is “cleared away,” the state could proceed to give tax relief to the students at the University of Wisconsin campus.

Also at Wisconsin, the regents have passed a ruling making the use of bullhorns and other methods of electronic amplification at political events, but allowing the continued use of such equipment at campus carnivals and homecoming events.

Several students are contesting the constitutionality of the ruling in federal court.

RICHARDSON SEES NEED FOR INCOME TAX

Since Cahill has stated that he will use the 5% sales tax to make up budget deficits, NJS President Thomas H. Richardson told the MONCLARION, “I am of the firm belief that some tax must be developed, probably an income tax, before New Jersey can adequately fund education. New Jersey is still on the bottom of the scale in support funding. I do hope that if a bill is passed, there will be a firmer commitment to higher education than was made in the three percent sales tax.” Richardson made the statement at his College Hall office yesterday.

Review Committee Set As ECC Strike Ends

By Chris Mac Murray

NEWARK — The nine-day student and faculty strike which crippled Essex County College came to an end Tuesday morning when the faculty association voted in favor of an agreement made with the college’s board of trustees. Faculty and students returned to classes the same day.

The strike was sparked off on Wed., Jan. 21 when the ECC administration announced that an appeal to the now-existing Newark campus would be built at the Verona sanatorium. According to the People’s Council, the group which initiated the strike, the decision was made without participation from the community, staff, students or faculty.

The 12-point agreement made on Tuesday morning was ratified by a faculty vote of 117 to 37 with four abstentions. Point eight of the agreement provides for the creation of a review committee which will have binding powers. This committee will decide and take action on the major issues of the strike including the possible firing of President White.

**MSC Defeats CCNY**

By Rich Davison

The Montclair State College gymnastics team continued on the winning side by defeating City College of New York by a score of 122.70 to 91.60. It was Montclair's sixth straight win in seven meets, their only defeat coming at the hand of Southern Connecticut State, the number one team in the nation.

Rich Kroon, a freshman from East Brunswick, scored two firsts in the meet. In floor exercise, Kroon scored 7.75 in long horse, winning side by defeating City College of New York by a score of 6.0 in parallel bars. Other first place winners for MSC were Nels Garreffa in side horse with 7.4 and Russ Spencer, Ron Poling, a senior from Freehold also scored two firsts in the meet for MSC. He scored 7.9 in still rings and scored 6.0 in parallel bars. Other first place winners for MSC were Nels Johnson in high bar with 7.68 and Joe Garreffa in side horse with 7.4.

Russ Spencer scored two seconds in the meet in parallel bars and also in long horse.

For the third straight time MSC has swept first place in all six events, Coach Orlick stated that with the return of Ballogh and with Monmouth.

Montclair is now 6-1 on the season and CCNY has dropped to 0-1. Montclair is virtually blown off the court by the rejuvenated Montclair State fast-breaking attack 96-60. With Bob Sienkiewicz, looking completely recovered from his ankle injury, and Tod McDougald making his return from pneumonia, the Indians were almost back to full strength. Only Bruce Davis, with an ankle strain, remained on the injury list.

Team captain Sienkiewicz led the scoring with 19 points, while Harry James, Phil Baccarella, and Willie Moss made their usual fine performances in a foul-filled contest.

Most of the personal fouls were called against the visitors, as four of the Owl's five starters fouled out of the game, while the other first string came in with 20 personal fouls. In all, the Indians went to the charity-strip 47 times converting 33.

The annual Montclair State-Monmouth battle was held on Tuesday night, and for the first time in the last three years, one team swept both games played between the two quartets. The Indians copped the finals of the Kiwanis final, defeating highly rated Fairleigh Dickinson, 126-81 to set the record for the largest margin of victory in the history of the school.

"We expect to get the victory," said Coach Allan Macke of the Montclair State College fencing squad was the victor in its matches last week, defeating highly rated Rutgers-Newark by a margin of 15-12, and humiliating Fairleigh Dickinson University by a score of 23-4. Against FDU, Bruce Kinter and Todd Boepple won all their bouts without having a touch scored against them.

The Indians swept all three events in their match against FDU, who now has (1-3) record, by decisive margins. In saber, Fairleigh forfeited all nine bouts, giving Montclair State a 9-0 edge. In foil and epee the Indians won 7-2.

Ken Zurch led the winners' foil team with a mark of 3-0. Boepple, making his first start of the season in epee, was also 3-0. Two days prior to the Fairleigh Dickinson match, the MSC fencing squad hosted Rutgers-Newark. Rutgers entered the contest with a 7-0 record, but came out at the short end of a 15-12 score.

Montclair dominated both foil and sabre divisions of the match, winning both events by a score of 6-3. Montclair lost in epee by a score of 3-6.

Tomorrow, the Montclair State College fencing squad, sporting a record of eight wins against no defeats, returns to action in a key match with the United States Military Academy (5-2). The match is at West Point.
