Kennedy Elected Vice President Of NYU Alumni Association

Dr. Steele M. Kennedy of Upper Montclair, New Jersey, recently elected vice president of the Education Alumni Association of New York University, was installed in office on Saturday, April 2, at the annual Spring Conference of the Association and NYU faculty.

The Conference was held at the New Loeb Student Center at Washington Square. Dr. Kennedy is a former treasurer of the Alumni Association and has been a member of the Board of Governors of the Montclair State College for the past six years.

In addition to his numerous college duties, Dr. Kennedy is now responsible for the development of five new volume sets of educational materials for young people and their parents, Under the direction of Robert E. Trumbull, in 1961, a book review written by Dr. Kennedy, of School-Community Improvement (a report of the Green Committee, West Virginia, program), will appear in the next issue of the Journal of Educational Sociology. Other published works of Dr. Kennedy include poetry articles, book reviews, and true crime stories.

With his wife, daughter, Elisabeth and a niece from south Jersey, Dr. Kennedy will travel to France and another trip to Europe.

In Betweeners To Contact 1961 Entertainments

On Tuesday, April 5, a newly formed traffic appeals court met and considered policies to be enacted for the rest of the year. The body was organized in order to allow a greater voice in the traffic-tracking program on campus and to provide a court to which students may appeal contested parking tickets.

In order to appeal:

a) You must first consult with the Assistant Director of Students within seven days of receipt of the ticket.

b) If you disagree with his findings, fill out an appeal form and file it in his office.

c) Appeal before the court as directed at the time and place given.

The court will convene once a month at 8:00 p.m. on the last Tuesday of each month (if it is a school day). The first session will be on April 26.

The President Judge and six associate judges will sit on the court and decide the case by a simple majority. Both sides will be heard and decided by secret ballot. The decisions of the court will be final.

The members of the court are: Professor David Alloway—Presi­dent Judge, Professor Karl Moli­nari—Associate Judge, Professor E. L. Wygant—Associate Judge, Jer­rard Smith ’60—Associate Judge, Janet Campbell ’61—Associate Judge, Kenneth Laflin ’59—Associate Judge, Robert Rudy ’63—Associate Judge.

Announcement

The Ugly Man Contest is an annual event sponsored by the Citation Committee. Any man is to be eligible when all take place on Wednesday, April 27.

Any man who wishes to enter his picture must have the picture taken by a professional photographer in the Prints and Views Office, Life Hall, on Wednesday, April 27 at 4:00 p.m.

The contest is part of the Penny Drive, and the proceeds will be sent to the College Development Fund. So the more ugly man that can enter, the better!
SGA Elections

Listen around you. Hear it? Hear that grumbling? Yet, they're at it again—complaining about the Student Government Association. They spend $36 a year and what do they get for it? Why doesn't the SGA do this and why doesn't it do that? Why did it do that?

Statistics reveal a very shocking figure. Last year less than one half of the student body voted in the SGA election. Evidently, since these complainers don't care who is elected to the SGA, they shouldn't care how their money is spent.

But they do complain and therefore should vote in the SGA election. Why should you vote for the people whom they think will do the job best.

How should they vote? What qualities should they seek in the candidates? There are several criteria by which they should be guided. One of these is leadership ability. The candidate should have had past experience, not necessarily on the SGA Board, in activities where he has been the key person, where he has done that? Why did it do that? Why did it do that?

The occasion was the second Collegiate Jazz Festival. Started last year by Notre Dame students, with the guidance and cooperation of Down Beat magazine, it grew in size this year. Twenty-six groups—both big bands and combos of all sizes—took part in "the event."

So high was the quality of some performances that Stan Kenton, one of the judges at the festival, told staff that if some of the musicians turned pro (which many of them undoubtedly will) there would be musicians in the business who would not be happy about it.

Winners of the event included Sephan Johnson and Bob Pierson, Northwestern University, best saxophonist; Steve Miller, Cincinnati University, best pianist; Ralph Mutchler, University of Detroit, best flutist; Don Ransdelle, University of Iowa, best bassist; John Stoddard, State University of Iowa, best tenor saxophonist; Lois Nemser, State University of Illinois, most promising soloist; Tom Blau, Illinois State University, best trombonist.

"Prithie sir, watch your footing."—Thoreau

On April 19 a new recreational facility will be available to MSC students. The War Memorial Fund and the War Memorial Student Union, in cooperation with the Division of Facilities, have given projects they may request. Other groups are cordially invited to do their part in the area of their interest.

On April 28 there will be an Open House in the lounge. The "listening room" will be open to the public at 9:30 a.m. until 1:30 p.m. Under the supervision of the Music Department, weekly programs of well-known classical music will be presented.

Opportunity will also be given to students who wish to present favorite classical numbers.

Westchester Wins by Tod Schloesser
Montclair vs. Westchester
The Montclair men opened their outdoor track season last Wednesday against the strong Westchester State Teachers College. The final results showed the Indians on the short end of an 88-38 score.

Unfavorable conditions were very irregular for an outdoor track meet with the temperature being below 40 degrees. This hampered the performances of both teams.

Trackmen Top Post, Jersey City
Their outdoor track season last Westchester State Teachers College was canceled. The club has really grown in leaps and bounds. Under the supervision of Miss Julia Carver, the fencing coach, the club has increased from the three remaining team members of last year to approximately twenty active club members this year. These girls have been coming out to practice twice a week and have developed in skill and technique.

The Fencing Team, on the other hand, was not very successful in competition this season. The main reason for this was that there were only three girls who returned this year, and all the other team members were new and inexperienced. Among the team captain; Irene Salvi, the ex-Indian cindermen was their backbone in the team, winning almost all of the matches.

The highlights of the season were two trips, one to the Rochester District meet held at Elmira College and the other to the Elms College. The trip to Elmira was the most successful as the team took the standard for the Indian fencing team and with experience gained the team will prove more successful in future meets.

The competitive season has come to a close with the Montclair fencing team having one of its best years to date. They have made a remarkable improvement in skill and technique.

Emil H. Geveke

Women Fencers Record 4-7 by Carol Seven
This has been a memorable season for the Women's Fencing Club of Montclair State College as for the first time in organization history, the Team was invited to participate in the regionals. This is a significant event for the club as it is a stepping stone towards the national championships.

Runners do not expect their outdoor track meet with the temperature being very irregular for an outdoor track season last Westchester State Teachers College. The final results showed the Indians on the short end of an 88-38 score.

The first baseball game and golf match were washed out. The rain and the snow that we've been getting here this early season has been playing havoc with spring sports as well as leaving several new skiers are being called in for the full harvest.

Speaking of ulcers, there was a convention at Atlantic City this past weekend. There were over three hundred football coaches in the country. The annual great event of this week will be the college football coaches in the nation convened over the spring vacation. MSC's football coach, Dr. Gerry Edsall, attended the convention and was present with several other members of the coaching fraternity.

The culmination of the evening's performance came in the form of an outstanding musical performance by the Women's Fencing Club. It exhibited various tumbling techniques, including flying front somersaults and an individual display by Ms. Marjorie McNeil, a member of the club, who displayed various hand springs and tiger rolls over the crowd.

J. B. Panzer School

Smokes Signals by Wes Rohrer
Well . . . Spring finally came, and the mood of its skating enthusiasts is heightened. The latest weather reports are that the sun is melting the snow on the mountains of New Jersey and Vermont . . . and Kyle Rote is now bringing odds over WWED.

Montclair is a new home for the Indian cindermen as they are moving in the new gym floor. There is a rumor of a group of phys ed majors who are going in a secret organization to save this hill. This week-end the track and golf team will meet with the temperature being very irregular for an outdoor track season last Westchester State Teachers College. The final results showed the Indians on the short end of an 88-38 score.

The Pauper's Page

The Panzer School of Physical Education and Health Spring Demonstration was a success, judging from audience reaction, and the approval shown by those who viewed the show with a critical eye.

This week-end, designed to illustrate the accomplishments of the department this past year, begins with an address by Dr. Richard Tews, director of the tennis team. The tennis team is fresh from their recent success in the final rounds of the national championship, as they are performing in a callanetics routine set to music. Next, under the direction of Miss Betty Bummers, the women's AAU gymnastic team will perform on a display of grace, beauty and symmetry through a series of carefully planned routines followed by individual performances by Marie Henko and Tony Nagy.

Mats were set up and organized in the gym floor by the "crew," and the gymnastic demonstration team marched out under the direction of Ms. Judy Guide, the captain of the team. The AAU champion, Janet Ehrenkranz, including the New Jersey Junior AAU champion, Janet Ehrenkranz, was present on March 21. The gym floor was packed with many other top performers. The Eye of the Tiger, a team of athletes, was presented on March 21. The presentation was held in the gym floor and was well attended, according to a reliable source (Mr. Geza Gazdag).

This week-end the track and golf team will meet in the top eastern meets, the Quantico Relays. The golf tournament should all be set by the time this issue is released, so we should be seeing some home games. Do come out and support your teams.

Ehrrenkranz Performs at Olympic Fund Pete
The spring demonstration by the Olympic Fund Petes was well attended. The event was held in the gym floor, and was well organized. The petes, who were very enthusiastic, performed various tricks and stunts, including ice skating and various other activities.
