New officers of the Freshman Class from left to right, George Adcock, Luis Rogers, Gerry Garee. Seated are Patricia and Barbara Mikrut.

Kennedy Johnson in MSC Straw Vote

The Kennedy-Johnson presidential ticket won over the Nixon-Lodge ticket Tuesday, October 18, in a straw vote election held at MSC.

Priest To Speak
At MSC Campus

Vic Admiral Pirie, Deputy Chief of Naval Operations for Air, will be the speaker at a United Nations Week observance which Montclair's Mayor's Committee for the United Nations is sponsoring.

The general public is invited to hear the admiral on October 30 at 8:00 p.m. in Memorial Auditorium. Admiral Pirie was well received when he spoke at MSC's Memorial Day Service two years ago.

Admiral Pirie graduated from Annapolis in 1926. After sea duty which took him throughout most of the world, Vice Admiral Pirie became chief of staff and aide to the commander of the United States naval forces in the Eastern Atlantic and Mediterranean in 1952. In May 1958 he was made Deputy Chief of Naval Operations for Air.

He has served in the Silver Star, Bronze Star and two Legion of Merit medals.

Dorm Open House
To Be Held Nov. 6

To enable relatives and friends of Montclair students to see the dormitories and campus, an open house will be held on Sunday, November 6.

Running from 3:00 to 5:00 p.m., members of the men's and women's dormitories and Life Hall. Members of the faculty will be present to speak with parents. Refreshments will be provided by the Newes.

(Continued on Page 2, Col. 5)
Two years ago the faculty presented a show which turned out to be one of the most successful events they have ever put on at M.C. This year the faculty will again present a show. Titled, Nothing Loudly, it is a satire on the national elections.

This year the faculty will again present a show. Titled, "Nothing Loudly," a satire on the national elections.

The floats were excellent and the general welcome were sincerely appreciated. If everyone cooperates with a problem in the student parking area it will be squelched.

Dear Editor:

We need the students' help and cooperation with a problem in the cafeteria that doesn't concern the cafeteria. It is that of students who after dinner dishes left after meals.

A matter of courtesy. Some very impolite students have been mentioned in putting in the room at meal times. (This concerns both commons and dining hall areas.)

This practice is unfair to the students who have walked longer distances, it is uncurteous, and if anyone ever tries to cut in, please have the guts to tell him "no!"

The Homecoming Day.

Flory Trumpish, Field Committee.

Letters to the Editor

Who's Who

The Alumni Association wishes to express its appreciation to those members who have made the Homecoming Parade such a wonderful success.

The purposes of the council are: (1) to establish the structure into a single unit acting for the welfare of Montclair State College; (2) to foster better relations between school, its faculty and members organizations; (3) to act as a non-partisan mediation board in all disputes arising between sororities; (4) to establish rushing formalities and to see that the rules are并通过 to all sororities. The fourth purpose listed is probably the one in which most of you are interested at this particular moment and at this constitution, all sororities must have their rules and regulations for their legal week periods, one during first semester and one during second semester for freshmen and upperclassmen. This rule is only for new members and the second period semester is from October 17 to November 1. The length of the pledge period is left to the discretion of the council.

The council consist of 22 members: the president and vice-president, each sorority is allowed one vote. All representatives from each sorority. Each representative will be a member of the council for the two successive semesters following the period in which it is elected. The council will recommend revisions of the organization's charter for two successive semesters. Any school charter may not accept pledges or spring pledges of the ruling on any semester for a two-month period following the court's decision. The council will recommend revocation of the charter for two successive semesters according to these rules. This will be a formal notice. That notice is the purpose of the council is to present the new members of each chapter.

Montclair Scores Triple On Weekend, X Country Soccer Teams Win

SMOKE SIGNALS
by Wes Rebberg

The fall season of athletics is now well under way. As autumn nature we witness many, many things that are not seen everywhere on this globe.

We see the autumn painted tree, the whispering leaf dipping toward the earth each day until the earth and sky becomes a part of nature’s cycle.

We catch our breath each time we see the wind whiffing and feeling a coolness with it as we realize again that autumn in flux again will become wintertime.

In our little segment of this world we see the vibrant quickness of our summer days fade into itself down; relaxing, quieting. There is a playfulness among the players as we visualize shorter and colder days in view.

Now and then the summer rebels and defies with a few flaky messengers. We see the autumn painted tree, the whispering leaf dipping toward the earth each day until the earth and sky becomes a part of nature’s cycle.

There are a few involuntary shivers as we visualize shorter and colder days in view. There is a playfulness among the players.

The invigoration of the season outshines us and lifts us up to give us new opportunities in our personal lives.

The football player welcomes the chill. The cross-country runner looks to the future and the coolness last is invigorated by this challenge. The soccer player notices the string of the coolness the weather brings in every step that he takes into the ball.

The gymnast begins his strong and graceful movements. The basketball player tender his blisters and shrugs his eye. The swimmer exercises and begins some fundamental production of his skills.

The indoor trackman convinces himself that the winter will not be so cold and that the biting cold air that seems his rains is developing health further and further.

As autumn ends and winter approaches, many will be practicing the known methods of warm-up routines. But how many of us realize that the challenges we face are just as great.

In the Homecoming story honorable mention goes first to Theta Chi. This fraternity is an outgrowth of the Industrial Arts Guild.

Lyle Arheliger (foreground) and Rich Harber background) lead MSC runners in Cherry Hill contest.

MSC Harriers Win

Defeat Glassboro State, 27-30

The South Orange Penguins delivered a telling blow to the Blues on a rainy, cold day by defeating them 27-30. Lyle Arheliger placed second for the Indians on the second and Gerry Lebanski finished ninth and tenth.

The course was shortened fifty yards due to the severe weather. The field was closely bunched at the finish. Rich Trenery actually finished three seconds behind Arheliger of Glassboro's time recorded at 22.06.

The course was re-established to its usual distance on the British cartoon last, which was witnessed in last Saturday. It was this meet that set the stage for a Montclair "fifth," as Montclair defeated Glassboro, 27-30.

Rich Trenery scooped up the first and one-half miles distance for the second straight year. His time was a personal best. His three times for the first three was 11:46, 32:07 and 52:16. His time last year was 52:19. His time last year was 52:19.

Boothees Dump Glassboro

Scotty Johnson Scores 3 Goals

Montclair State's soccer team manhandled back from a week of defeat and illness to a smashing 4-0 victory over Glassboro State. Led by the potential All-American "Scotty" Johnston, the soccer team is once again back in the running for conference honors.

"Scotty" who at this time this season scored three goals in one game, led the team to the third victory. Jerry Gallambiska also scored a goal, bringing his season’s total to eight for the season. Montclair should be made of the great offensive play of Don Bonzoni, who was created from this past. Great offensive play by right halfback Tummy Baxter, center Captain Bob Bogden, left half Mike innelli, right fullback Tummy Tersay, left fullback Tummy Tersay and goalie Ike Rosen held the Glassboro team scoreless. Glassboro was able to get only two shots at the Montclair goal throughout the first half.

Captain Al Hector was back in the line-up at right inside for the first time since his injury in the first game of the season. Ed Kerber also played a brilliant game at left wing.

Conch Bullo was able once again to substitute freely, and both the first team and the second team saw action in the game. Outstanding members of the second team were Ray Schovan at right wing and Dave Peterson at inside right.

The team's record stands now at 4-0-1, four wins, three losses and one tie. The Conference win is two wins, one loss and one tie.

This Saturday will be the team's only home game this week. It is against Nework College of Engineering, who are unbeaten so far this season. Game time is eleven a.m. The action will take place at Brooklyn Park in Montclair.
