In Our Opinion...

We have often heard it said that the Montclarion tends to interfere too much in college affairs and that it tends to dictate policies to students and the SGA.

This is not true.

It is our purpose to reflect the interests of an expanding and developing campus. This word, "reflecting," is the key to the only definitive editorial policy of the Montclarion.

Where does the average student of Montclair go when he wishes something done about the running of a dance or a raising of the SGA fee or an administrative restriction—to the only definite editorial policy of the Montclarion.

We hardly think the average student wants to go in person to tell the faculty what he dislikes about the college.

No, it is to the Montclarion that the student first goes with his complaints.

Each week, the editors receive, on the average, eight or ten suggestions of major importance for editorials, special features, or articles, or polls of student opinion, etc. All of these suggestions are given careful consideration. It appears to us, there­

fore, that the Montclarion office is, in effect, the clearing house for those on campus who have complaints.

Hence, the editorials which appear in this paper reflect, or try to reflect, the interests of the majority.

As long as students come to this office and ask us to present their views, and as long as these views, as far as can be ascertained, are the views of the majority, the Mont­

clarion will continue to publish controversial editorials.

Error of Omission

The Montclarion of last week dated Monday, March 5, 1962, carried an article entitled “YAP to Sponsor Right Wing Rally.” We neglected to include credits for this article. It was received as a news release from Rutgers University and in no way expresses the opin­

ions or policies of the Montclarion.

It was printed in an effort to inform MSC students of the pol­

tical activities of students in the vicinity. Although it may not reflect our feelings on the question, we feel it is imperative that college students be apprised of these significant events which are occurring in this contemporary scene.

In an effort to bring you, the student body, more accurate and extensive coverage of campus news the Montclarion is expanding its volume.

In order that our attempts may be successful, our staff must expand proportionately.

No experience is necessary. Willingness to work and depend­

ability are the only requirements.

Anyone interested in joining the staff of the Montclarion is asked to fill out the application form below and submit it to the Publication office on the second floor of Life Hall.

Question: What do you think of the new student directory?

I think it's very handy and should come out before Christmas. It's an excellent idea but I wish they had more because I didn't get one.

Frank Fia, sophomore, mathematics

It looks like a telephone directory and is just as good.

Mary Lee Stahl, senior, home economics

I think they are very intelligent.

Susan Baxter, freshman, English

I think it's a good idea to have a directory.

Al Bisk, junior, industrial arts

I think it's a good product and there are unnecessary mistakes in the book. The cover design is very poor. I am one of the many students that have not received a copy.

MONTCLARION Page Five

Montclair's wrestling team finished fourth in the Metropolitan Intercollegiate Wrestling Tournament, capturing two individual titles and three more medals.

Highlighting the March 5 tourney at CW Post, were Montclair victories by Bob Mizerek and Larry Sciacchetano, who successfully defended their titles and walked away with trophies in the 191-pound and 147-pound classes.

Third and fourth place medals also went to Bert Wasserman, Bob Moore and Joe Semas all down their opponents and added to the team total.

Weighing in at 147, Bob Mizerek kept his crown by defeating Andy Wells, 6-3, pinning Ronnie Delmato, and then out-pointing Chuck Pfeifer, 7-2 to again take the title.

This is the third individual title that "Miz" has won in this tournament. In 1960 he captured the 147-pound championship and in 1961-62, a heavier, harder Mizerek won his way into the 191-pound class.

Bob Moore is a grinder; in June, leaves behind a fantastic 36-3 record in Open class. These include a host of regional victories this year that were won due to the handicap of a broken hand.

The other MSC champion, Larry Sciacchetano, easily disposed of his opponent—grappling his man for a repeat as the holder in the 191-pound class.

A sophisticated physical education major, Bob, pinned Sun Wilk in 3:28. Bert Wasserman defeated Herb Fried in 5:00, and then took the title by ruling over his man for a 4:03 decision over Stan Gianetta, the former 197-pound champion. Wasserman's addition to compiling an 8-1 record for the season, Larry's laurels as co-captain of the mat squad, was a mainstay of the Indian mat team.

Beating the tourney, in which over 100 wrestlers from eleven different colleges and universities participated, other individual Redskin who added to the team point total.

Educators Choose "ChickenFat" Tune by Jay Okin

"Chickenfat" will be included in Packer School's conference in May. The conference is scheduled for 14 at 4 p.m., in the college gymnasium.

"Chickenfat" is Meredith Wilson's song when one considers physical fitness. Meredith Wilson, who composed the song for "Music Man," wrote words and music to "Chickenfat" as a patriotic gesture for President Kennedy's physical fitness campaign. Wilson's words and music will be used to "Chickenfat" as a patriotic gesture for President Kennedy's physical fitness campaign. Wilson's words and music will be used to activate the students.

Penn State School of Physical Education of Montclair State College, in cooperation with the New Jersey Association for Health, Physical Education and Recreation, will sponsor the occasion for the benefit of physical education and health teachers of Essex County.

The conference will feature talks and demonstrations by leading medical educators. It is expected to feature demonstrations for elementary and high school physical fitness. Montclair girls will also demonstrate their skills.

The tentative program has been planned by Dr. John Red, an associate professor of physical education at Montclair and Dr. Donald D. Koffler, the physical education consultant at Montclair public schools. The conference will conclude with a dinner and entertainment in the Life Hall.

Lectures will be given by Dr. H. B. Witterman, an "Exercise in Health Instruction" and by Dr. B. H. Witterman, who will speak on "Selection of Tests for Physical Education."

In the 117-pound class, freshman Lou Benfatti captured his man in the consolation round, and received a third place medal for his efforts. Bert Moir directed his way to a semi-final birth, defeating Bob Martins in 6:4. In the elimination bout, Bob lost to John Beslow and went on to win the 117-pound title.

Walt Bauer, representing MSC in the 182-pound class, lost to Newark Rutgers' Phil Poldiando in his varsity mat contests.

Bob Moore fattened Don Brosnan's third in the 137-pound class and was an elimination, ending 4-4 to a 4-4 season record.

Larry Sciacchetano

In the 187-pound contest, Joe Semas, a fourth place medal by piling both Al Faibish and Dick Brewer. The ruddy physical education major compiled a 6-2 season record while wrestling his 117-pound class.

Bob Mizerek, who recently recovered from a broken ankle, faced the handicap too great and bowed to Bob Manke of Fairleigh Dickinson.

Jaycee wrestler Lou Benfatti made a gallant effort in the unlimited weight division but was defeated. Lou weighed only 171 pounds and was giving away too much weight in what is essentially a man-against-spout—it was as if a basementweight challenged Floyd Patterson. Lou had a 22 record for the year in his varsity bouts.

Coach Frank Manke's grapplers this ended their dual meet season with a 5-4 record. With the exception of Bob Mizerek, the entire team will return next year. Three years in a row no re-coaching is coming for coach Manke and he may go on to wrestle in the NAIA National Tournament in Detroit, Michigan.

Foilers Whip Jersey State

by Rosie Buch

Last Thursday night, the MSC varsity and junior varsity fencing teams administered decisive defeats to visiting Jersey City State squad.

The junior varsity scored their most impressive victory to date in handing the Jersey City Jayvees a 12-4 defeat. Fencing as a well-balanced team, the girls followed the lead of Chary Menocal and Cathy Ratzin, who emerged with four out of four victories apiece—allowing only six touches each against them.

Linda Borella and Fran Fils followed with two victories each. Displaying fine offensive-defensive games, the sophomore B team scored a total of 34 touches against their opponents—while maintaining only 32 against themselves.

Later in the evening the varsity built up a large lead and then withstood a Jersey City comeback, taking the second half of the dual meet, 9-7.

Eleanor Gutierrez led the all junior A team with four victories, while being scored upon only twice.

Redmen Defeat Deacons 90-85; Tribe Tourney Hopes Fade With Loss

This past Monday night, in the first game of the first round in the District 31 Championship tournament, Montclair was defeated by Pratt University 67-47.

Pratt, working a fast break to their favor, penetrated the Indian's porous defense through-out the game. The state five could not seem to get the much desired extra basket.

There were four factors that could have contributed to this defeat. They were Grob, Szem, Grob, and Locascio, who were nursing previous or fresh injuries. Lennett had been out most of the season, Grob had missed las five games, as had Szem. Capitano was not up to his usual par due to a slight hand injury suffered early in the game. The Indians and the Cannoneers played the game basket-for-basket, with Capitano and Lange for Montclair and Marrin, Lango, and Teryson, for Pratt, leading the way. At 6:12 Pratt put on their big effort and surged ahead 20-20, never to be challenged again. The total at the end of the first half was Pratt 47, Montclair 34.

Deacons Bow

A fatigue-ridden Maryland five, playing seven out of the last eight days, fought a strong second half to defeat Bloomfield College 13-12, and then bowled out of the conference—leaving the District 31 Championship title to Pratt University.

Maryland State played dopy ball during the first half and Bloomfield sparkled with consistent hitting from the floor. The score at half time was 41-36 in favor of Bloomfield.

The half time seemed time enough for Maryland to work up sufficient reserve energy to make a come-back and tie the score fifty all, with 15 remaining. The lead see-sawed back and forth until 4:45 when Maryland put on a stretch drive that carried them to the finish 78-76.

As a result of this win, Maryland was to face Pratt for the District 31 Championship. The winner of the Pratt-Maryland Conference would travel to Kansas City as the district representative. Maryland's decision to give another team a chance is an example of the "sportsmanship" that athletics are supposed to foster.

"Fritzi" on the regular season of Montclair's varsity hoop contingent was written with bold strokes as the Redmen ambushed Bloomfield, 90-85, last Monday night.

Nineteen times Indian raiding parties returned with scalps this time. It was a toss-up, however, as to how the final page of the '61-'62 ledger was to be written, the teams administered decisive victories apiece—allowing only three bad passes and two violations.

Our offense. Lauten, Francis, and Sekella practice "heave-up" ball during Glamorgan warm-ups.
