Wolff, Mainenti, Wilson Elected As Interest Is Revived At Polls

Eighteen new officers were chosen in the school-wide elections held Tuesday, May 14. The Sophomore, Junior and Senior class positions were filled; the incoming Freshmen class will elect their officers in the fall.

The Juniors abandoned their traditional apathy and showed a healthy interest in their class elections. Ken Wolff, a mathematics major, was elected Senior Class President. Ken has been active in school functions since his Freshman year. He is the Junior Class President, treasurer of Lambda Chi Delta and a recipient of the Experiment in International Living Scholarship. He will spend the summer in Switzerland.

The office for Vice-President was contested by three former class vice-presidents, Pete Clooney, Joe Snow, and Larry Ward. Joe Snow was elected by a margin of votes. Among his multitudinous activities, Joe was class treasurer one year and this year is the recipient of the Experiment in International Living Scholarship, planning to spend the summer in Spain.

Janet Grossman, twice Secretary of the Class of 1963, was re-elected once again by her classmates as Secretary to the Senior Class. Janet is a sister of

A former SGA Treasurer, Ida Stuber, was elected Treasurer of the Senior Class. (Continued on Page 2, Col. 5)

College to Sponsor Weekend of Events

Big Alumni Homecoming Open House Sunday, Concert, Art Show

A faculty-alumni reception, guided tours of the campus, a luncheon, lecture and picnic will be the highlights of the Alumni Homecoming Weekend to be held on Saturday and Sunday, May 19 and 20, 1962.

Visiting alumni will have a chance to meet with faculty members at a coffee hour reception to be held in Life Hall at 10:00 a.m. on Saturday.

Following this reception, guided tours of the campus have been planned. Included in the tours will be the sites of the new buildings which are now under construction, chiefly Sprague Library, the Music Building and the new men's dormitory.

Two other events have been planned for Saturday morning. Joyce Benson and Christopher Donges will present an organ recital in the Memorial Auditorium at 11:30 a.m. At 12:00 noon the alumni will be given an opportunity to see film highlights of the 1961 football team which had a record of 6-2 last season.

A luncheon will be held in the

Student Life Dining Hall at 12:45 p.m. Following the luncheon an afternoon program featuring the election of alumni officers and presentation of the Citation Awards, and an address by Robert E. Sageman of A.T. and T. is planned.

Saturday's program will conclude with a period of socializing in the student lounge. Class reunions will be held by the individual classes in the evening.

Parents To Tour

On Sunday, May 20, from 2 to 5 p.m., Montclair will throw open its doors in welcome in a combined Freshmen-Parents Day and Open House for parents of present students.

The Tenth Annual Freshmen-Parents' Day will give the parents of our incoming freshmen the opportunity to meet the members of the faculty in their son's or daughter's chosen major field. Parents will be welcomed in the auditorium by Dr. Partridge, Dean Huber and Dean Blanton. Tours of the campus facilities have been arranged by the Citizenship Committee under the direction of Chick Yeager.

The parents of present students will be guided by members of the foreign language department, dressed in the native costume of their major field. Both groups will be served refreshments.

The program gives parents an excellent opportunity to see first hand the tremendous growth of the college, and to meet members of the faculty. The entire program has been arranged by Mr. George King, the Director of Admissions.

Art Department Exhibits

The Fine Arts Department has set aside Sunday, May 20, from 2-5 p.m., for Parents Day as a part of the annual Senior Exhibit (May 7-31).

Examples of various phases of art, encouraged by the numerous levels of the Fine Arts Department, will be on display in the Memorial Auditorium, the bookstore windows, the Student Life Lounge, and the reading and TV rooms of Life Hall. In the same building, the Cosla Exhibit of paintings in the College High Lounge will also be open.

In the Art Wing of Finley Hall, the corridors will be gaily decorated with children's art work collected from the students by the Juniors during their practicum period. After many hours of hard work, the art exhibit has been sorted, arranged, and set up by the members of the Fine Arts Association. In addition to the children's exhibit, textile, ceramic, and theater studies projects will be displayed.

Band Gives Concert

As part of the Open House-Parents Day, the Symphonic Band of MSC will present a concert at 3:00 p.m. in the amphitheater.

The band will play ten numbers for amphitheater music enthusiasts. The chosen selections are as follows: **A Manx Overture** by Hayden Wood; **Lo, How a Rose E'er Blooming** by Johannes Brahms; **Toccata Marziale** by Ralph Vaughn-Williams; **March of the Little Leaden Soldiers** composed by Vaughn-Williams; and **March from Fust**

Dr. Buell G. Gallagher Keynotes Graduation

Highlighting the many activities of graduation will be the Commencement exercises on June 7. Delivering the main address at Commencement will be Dr. Buell G. Gallagher, President of the City College of New York.

Born in Rankin, Illinois, Dr. Gallagher received his A.B. degree from Carleton College, Northfield, Minnesota. In 1929 he was graduated from the Union Theological Seminary in New York as a Bachelor of Divinity and attended the London School of Economics from 1929 to 1930 on the Fogg Traveling Fellowship from Union Seminary. He received the Ph.D. from Columbia University in 1939. In 1929 he was ordained to the ministry of the Congregational Church.

A member of Phi Beta Kappa and Delta Sigma Rho, Dr. Gal-

agher also belongs to the Board of the National Association for the Advancement of Colored People and the Union Theological Seminary. He is the author of several books on race relations.

Summer Session Starts June 21

Intent on missing the usual line-up, MSC undergraduate students registered for summer school on Friday, May 4. This year's session extends from June 21 to August 3 and is headed by Mr. Raymond C. Lewin.

Special events include a New Jersey Congress of Parents and Teachers Workshop on the afternoons of July 9-13, and two book exhibits on July 12 and 13. New this year, there will be only one Saturday of classes, on July 7.

Other feature activities scheduled are: three tours, a reading improvement laboratory, a remedial speech program, a MSC Day Camp, a workshop for apprentices in dramatic production, and an Alcoholic Education Workshop. Twelve other three-week courses are being scheduled as well.

Two pre-summer and two post-summer courses will be offered.

Mr. Kahn Leads Farewell Concert

Mr. Emil Kahn will conduct the Montclair Festival Orchestra on Tuesday, May 22 at 8:20 p.m. in Memorial Auditorium. The concert is sponsored by the college through a grant of the Musicians Trust Fund. Mr. Murray Present, who will be the piano soloist for this professional orchestra, will play Mozart's **Concerto for Piano and Orchestra in A Major K 488**.

Also included in the program will be an **Overture** by Handel; Bartok's **Seven Roumanian Folk Dances** and for the Finale, Haydn's **Symphony 45 - "Farewell."** This is the unusual symphony

Purpose: Prestige?

Now that the "fun and frolic" of Carnival has become part of the past we can all look back on the experiences we had. It is a shame that such an affair can evolve into a festival of dishonesty and poor sportsmanship.

We feel that Carnival is an important part of our tradition. Yet, the fact that an organization wins an award has been made too large a part of the festivities. When a group feels that winning is more important than having a good time and is willing to sacrifice its own ethics and personal morals, then Carnival has failed to be the wholesome experience it should be.

Carnival is an effort of the entire student body to benefit its own growth and that of the college. However, when one small group is so self-centered as to cheat in order to gain a little prestige, all participants involved suffer by association, if not by actual guilt.
 DCF

Serious Side

Although Carnival is a time of fun, the serious side must be observed. The lack of available space to permit emergency vehicles or equipment, in case of fire or injury, was completely overlooked. The rows of double booths and double parking on road ways were the causes of these hazards. Chaos and tragedy could have easily been the outcome. Better planning, facilities and supervision are a must for next year.

SGA Referendum

The SGA has announced that there will be a general referendum of the entire student body on Tuesday, May 22, 8:30 a.m. to 4:30 p.m. in Life Hall Study Lounge. Tuesday's referendum is concerned with certain constitutional revisions which would avoid the unfortunate circumstances surrounding the last SGA election. This election was held on the day immediately following a four-day holiday and this is believed to be the explanation for the poor attendance at the polls. The students supposedly were not aware that elections were being held and competitive spirit was dampened by the time lapse between campaigning and election.

The revised constitution would give the Board of Trustees the power to determine the day of future elections so that they would take place after a suitable period of campaigning and when no group would be at Wapalanne. We feel that this referendum will pave the way to a more active student participation in elections and eventually put the responsibility for the election of officers where it should be—in the hands of the students via their current representatives.

SGA EVALUATION

This evaluation has been prepared to refer to next year's SGA Board of Trustees any suggestions or criticisms which might aid the Board of 1962-63 in their work to serve you.

GENERAL COMMENTS ON THE SGA OF 1961-62 (Achievements, if any, programs, publicity, etc.)

SUGGESTIONS OR CRITICISMS

Please turn in this form in the SGA mailbox in the recreation lounge in Life Hall or place it under the door of the SGA office on the second floor of Life Hall.

Letters to the Editor

Editor Montclarion:

On Tuesday May 22 a constitution change for the SGA will be brought before the students. The changes to be voted on will be:

(1) Changing of election days for class officers and SGA members from a fixed day, to one that can be fixed by the SGA board in the beginning of the semester. The advantages to such a program would be the elimination of elections after a holiday, something we were unable to do with the election after Easter this year. It would also be possible to make sure that no elections take place when a group is scheduled to be at Wapalanne.

(2) The second change would be in adding one freshmen representative to the SGA board. This would enable the freshmen class to have equal representation with the other classes and would

CLASS ELECTONS

(Continued from Page 1, Col. 2) the Senior Class. Ida is a member of Delta Omicron Pi, a member of Kappa Delta Pi and Pi Omega Pi, the Business Education honor society.

Rose Kabarec and Pat Wolczanski, Vice-President and President respectively of Delta Omicron Pi, were elected as SGA representatives for the Senior Class. Rose, a member of Kappa Delta Pi, served as Recording Secretary of the SGA this past year; Pat was the 1961 Campus Queen.

In the Junior Class elections, Charles Mainenti, Physical Science major, was chosen President. Chuck holds the position of President of the Booster's Association and was Co-Chairman of the Ticket Committee of Carnival 1962.

Vice-President of the Junior Class is Cosimo Sciarrone. He is an Industrial Arts major and brother of Psi Chi.

Secretary of the class of '64 is Pat Mikrut. She was re-elected after holding the position for two years. She is a Sister of Delta Omicron Pi.

A former Assistant-Treasurer of SGA, Peg Swenson, was elected as Junior Class Treasurer. Peg is a Sister of Lambda Omega Tau and a member of Pi Omega Pi.

Mindy Nemeth and Tony Russo, English and Mathematics majors respectively, were voted to represent the class on the SGA board. Mindy has also served as Corresponding Secretary of SGA this year.

The Freshmen elected George Wilson as the President of the Class of 1965. George was president of his Junior and Senior High School Class and captain of the varsity Football and Wrestling teams.

Alan Roseman, Social Studies major, was elected to the position of Vice-President of Class of 1965.

Running uncontested, Barbara Harris was re-elected as Secretary and Marge Peterson became the new Freshman Treasurer.

Herman (Bud) Meyers, Social Studies Major and a Senator, and Marilyn Zensinger, an English Major were elected SGA representatives for the Class of 1965.

President Calls Carnival Tremendous Success

The annual carnival which has now come and gone is a remarkable event.

On Friday afternoon, I walked over to the carnival grounds with my camera to take some pictures. The campus was a beehive of activities. Booths were taking shape, students were on ladders tacking up signs and decorations, countless numbers were carrying boxes, boards, bowls, paper and what-not. It was an extraordinary sight.

A large portion of the student body and faculty were involved in preparing for carnival. To design, create, set up and man that number of activities must have required hundreds of hands. Someone watching from the sidelines said that things would never be ready on time, but they were.

Some of the concessions showed remarkable ingenuity and clever application of ideas. Somehow, we should have a picture showing the complete story of this annual affair. A motion picture portraying the whole procedure from planning to clean-up would

be a valuable addition to the college archives.

Even more remarkable was the size of the crowd on Friday night. It was like Broadway on New Year's Eve. It appeared to be the largest crowd we have ever had.

The carnival tradition started about ten years ago when students, faculty, alumni and townspeople were busy raising funds to build and equip Life Hall. It has been a tremendous success ever since. A number of colleges have taken the idea and now run a similar event.

Monday morning all was serene. There were a few papers scattered about. The battered car—each battle scar representing one chit—stood forlorn in its place. The subject of clean-up is in itself a sad story. Only four of twenty or so, who volunteered for clean-up, actually showed up. After the glamour is gone, it is hard to find help.

Those who plan and carry out such an event are to be congratulated on a job well done. It is no child's play to make an activity of this nature a success.

KAHN'S CONCERT

(Continued from Page 1, Col. 4) where all the orchestra members leave one by one until only the conductor and two violinists are left. The orchestra considered this a very appropriate farewell to Mr. Kahn who will retire in June.

The public is cordially invited to attend this "no admission" concert. According to President Partridge, "We have several hundred excellent seats for this concert and we want all our friends in the area to attend."

Be sure to see the New Jersey Bell Telephone Assembly, May 22, sponsored by the Science Department. This telephone science show is entertaining, informative and educational.

The yearbook staff will distribute the 1962 **La Campana** to seniors on Thursday, May 24 in Memorial Auditorium after the Senior Assembly. All other classes will receive their copies of the annual on Friday.

Dean Lawton W. Blanton announces that until the name is officially designated, the new men's dorm will be known as "North Hall." When it is completed this September North Hall will house 100 women. In the fall of 1963 the Grace Freeman Hall will be ready for occupancy and North Hall will be permanently named and occupied by men.

The Paideian League To Present Drama

On Wednesday, May 23, at 7:30 in Room J-4 of the Speech Department, The Paideian League will present an evening of dramatic presentations with Dorothy Gioseffi and Helen Claire Chambers.

Miss Gioseffi will portray Frankie, a thirteen-year-old searching for security, in an

edited version of **Member of the Wedding** by Carson McCullers. Miss Chambers will play the role of Maurya in an edited version of Synges **Riders to the Sea**.

"I enjoy having the opportunity to vary the roles I do," Miss Gioseffi said. She has played Eliza Doolittle in the Players Production of **Pygmalion** and also acted in the Players production of **Dairy of Anne Frank** and **The Great Big Doorstep**. She was last seen on the Memorial Auditorium stage as Frances Black in **Light Up the Sky**.

Miss Gioseffi has also appeared as Moony's wife in **Moony's Kid Don't Cry** by Tennessee Williams and as the eight-year-old dowager in an edited version of **Anastasia**.

Miss Chambers is also a veteran of Players productions. She has appeared in **Summer and Smoke**, **The Great Big Doorstep**, and **Look Homeward Angel**. In **Light Up the Sky** Miss Chambers was the student director, had the role of the masseuse, and understudied the leads.

Both young actresses will tour with the U.S.O. this summer.

Tour the World With Mr. E.C. Bye

Only five places left on Montclair State College's "Round the World" trip July 5 through August 27, 1962.

The trip includes 12 days in India, 8 days in Japan, with side visits to Rome, Bangkok, Hongkong, and Hawaii under the direction of Edgar C. Bye of the Bureau of Field Studies at Montclair State College. The expenses for the trip will total \$2,650.00. Six hours of college credits will be given for those participating.

For further information contact Mr. Bye.

Sobel Voted Prof of Year

Dr. Max Sobel

Dr. Max Sobel was acclaimed the "Most Popular Professor" in Alpha Phi Omega's first annual Most Popular Professor contest. The money collected will be used by the brothers to finance entertainment for a children's hospital in November of next year.

Dr. Sobel's prize, a certificate, will be presented to him during a future assembly.

The brothers of Alpha Phi Omega wish to thank the student body for its support and express the hope that your favorite professor will win next year's election.

Tonight is the night for **Tonight**, sponsored by the Freshman Class, to be held in Life Hall Cafeteria from 8:00 to 12:00 p.m.

The decor is that of a street scene in New York City.

Frank Bernardi and his Continentals will supply the entertainment.

CARNIVAL

Nu Psi Inducted at Dinner; Boy Scouts Honor Partridge

The Nu Psi Chapter of Alpha Phi Omega at Montclair State College was officially inducted into the national service fraternity at a dinner held on May 15, 1962. The induction ceremony was conducted by the Nu Chapter from Upsala College. Among those present were Nu Psi's five faculty advisors: Mr. Joseph McGinty, Mr. Seymour Wadler, and Mr. George King, chairman of the Advisory Committee. Also present were two scouting advisors: Mr. Hal Morin and Mr. Norbert Albertson, both of Montclair.

Dr. E. DeAlton Partridge, President of Montclair State College, also attended the affair. Because of his past history as a scout and his many years as a member of the National Council of the Boy Scouts of America, Dr. Partridge has graciously accepted honorary membership in the Nu Psi Chapter.

The induction dinner was the culmination of a year-long effort to gain national recognition, including a very impressive series of service projects to the school and the community. A few of

the projects included: co-sponsoring an Explorer Vocational Conference held recently at Montclair State, serving as ushers for "An Evening with Basil Rathbone," sponsoring a "Most Popular Professor Contest" with the proceeds going to entertain hospitalized children and veterans, and serving as fire patrol during the last two Carnivals.

Among those most responsible for this fine list of achievements are the new officers who were also inducted at the dinner. Under the able direction of Gerard Kennedy, President, they include: Thomas Stoddard, Vice President in charge of service; Mike Felson, Vice President in charge of membership; Eugene Fox, Recording Secretary; James Gouger, Corresponding Secretary; Ken Kelly, Sergeant at Arms; Bob Johnson, Historian; and Ted Halatin, Treasurer.

Alpha Phi Omega is unique in the respect that it is open to men of other fraternities, with the only restriction being that they

be or have been a member of the Boy Scouts of America at some time. In the near future there will be an opportunity for other interested persons to become affiliated with Nu Psi. However, until the organization changes its regulations for membership, this dedicated group will continue in its efforts to serve college and community.

ALUMNI WEEKEND

(Continued from Page 1, Col. 5) Suite in E Flat written by Gustav Holst.

The second portion of the concert will include a Percy Grainger composition entitled **Lincolnshire Posy** and a Vincent Persichetti piece entitled **Divertimento for Band**.

The concluding selections are **Two Moods** by Claire E. Grundman and the **January, February, March** composed by Don Gillis.

Seniors to Present Recitals; Brescia, McNally Featured

Two senior music majors will present their graduation recitals on Sunday, May 20 at Russ Hall.

At 4:00 p.m., Michael Brescia, trumpeter, will perform Balay's **Petite Concertante**, **Badinage** by Bozza, and a selection entitled **Oriental**. The featured work will be Franz Josef Haydn's **Concerto in E-Flat for Trumpet**, one of the best known and perhaps most frequently performed works in the trumpet virtuoso literature. This will be followed by the brilliant and technically demanding **Sonata in F Major** by Corelli. Nelson White, James Buchanan and Barry Block will then join Michael to render selections entitled **Fugue for Brasses** and **Modo Religioso**.

The Peanut Brittle will be sold either in cans, at \$1.00, or in individual packets for \$.25. The Cashew Coconut Brittle may be purchased in cans at \$1.25 each. The proceeds of the sale will be donated to a branch of the Salvation Army for social service work. Orders, which can be filled immediately, may be placed with any sister before or during the week of the sale.

MISC: Don't forget the Science Assembly next Tuesday, May 22. The Annual Awards Assembly is May 29 and, I hear that the Seniors have cooked up a good one for their Assembly on May 24.

POET'S CORNER

You left
And took with you
The one thing that meant so much to me:
The warmth of a caress with your eyes.

You said,
With just a look,
All the feelings stirring within you
That I knew were so true.

You're gone;
But I'll see you
When the cold has melted away
And I can once again bask in your look of love.

SUMMER SCHOOL

(Continued from Page 1, Col. 3)

The pre-summer courses are Driver's Education beginning on June 13 and Movement Techniques and Rhythmic Accompaniment starting June 11. The post-summer Driver's Education begins August 1 and Field Study of the Practical Arts starts on August 6.

Regular registration will take place on June 21 and 22, with late registration ending June 26. July 13 is the mid-point of the summer session. The charge will be thirteen dollars per credit hour. Further information may be obtained through the use of the catalog available at the Part-Time and Extension Division Office in College Hall.

Sportrait . . .

Last Monday, I joined a very small assortment of dedicated souls who braved a brutal sun and soaring temperatures to witness the Junior Varsity baseball team win its seventh game of the season as opposed to two losses. What type of team has been put together to produce this fine record reflecting all the spirit of cooperation that makes for unheralded cohesion and a fine winning record?

Dependable Bench

The short-sleeve squad was pummeled into shape by popular coach Hank Ferris. It is held there by a strong starter team and a dependable bench. Most of all, the energy and determination that is the motivating force of the team is especially remarkable. Familiar faces in the student body fill the lineup.

The first four men in the lineup all bat around .300. Lou Benfatti, a fine left-fielder and good hitter, has one home win and sparkling fielding to his credit.

Mr. Reliability

Bob Bentson, shortstop, is a vital clutch slammer to the opposite field and has a strong throwing arm. Francis, a regular at first is Mr. Reliability with 2 home runs. He does a little pitching in spots and has a 0-1 record this year. Clean-up batter George Middleton, who pulls through when the going gets rough, and keeps his "nose in the ground."

Second sacker Frank Recchio is also an exceptional fielder and with luck against him has hit more home runs than anyone—foul. Andy Peterson, the durable catcher, has a good glove behind the batter.

Bill Kay, equally a good outfielder and infielder makes his weight count in any position. Mike Schiro, centerfielder, is fleet-footed and a real dead eye with fly balls and line drives.

The pitching staff has starter

Bob Johnson with a 3-2 record. Bob is also a good hitter. He lost a squeaker to Upsala but came right back to break a 5-2 revenge. Bob Jones with a 1-0 record plays many positions and has slammed three four-baggers. Bob Timko is a good reliefer and has saved when it counts. Bud Zimmerman, Gary Lavergna, Nickey Baratta, Jay Leer, John Quinn, John DePuit, and Bruce Fitts have all seen action in the field and provide a strong second wall to the Jayvee team.

The last two remaining games will be played this week: at home vs. Stevens on Wednesday and away vs. St. Peters on Saturday.

The overall view is a panorama of alert, lively, action and first-rate teamwork.

Though they have not seen as many spectators as accumulated season runs scored, they have built up a fabulous record and produced many fine players who will fill Varsity positions in the years to come.

Deserve Recognition

To a hardworking team of which Montclair can be quite proud, recognition can never be too late. You've done a fine job and made a valuable contribution deserving only the highest commendation. It's well-earned.

MSC Beats Trenton 9-0 On Tennis Court

An overcast May 3 found the MSC netmen pitted against Jersey City State at the nearby Montclair Swim Club. The Indians completely outclassed their opponents by trouncing them 9-0. Montclair's 1st seeded Pete Cimboic served his way to a 6-1, 6-3 victory over Ed Matusewski. Second seeded Rich Catullo allowed John McGavin a minimum of points in a swift 6-1, 6-1 match to give Montclair its second win. Wally Stone playing third also had no trouble in drubbing Bob Hagler 6-2, 6-3. Bob Banta, after winning 6-1 in the first set had to consistently turn back the strong drives of Charlie McGuire to finally overpower him in the close 8-6 set. Bob Louhier, compiling one of the best individual records of the team, came through

as usual with superior lobs which served to trounce Bill Anderson 6-0, 6-0. Bob Nicosia, in his first singles effort, completely outplayed his more experienced opponent M. Sarguent 6-1, 6-0.

Some lineup adjustments by Jersey City were to no avail as Cimboic and Catullo defeated McGavin and Hagler 6-1, 6-1, Stone and Banta defeated Matusewski and McGuire 6-1, 6-4 and finally Zouhier and Nicosia teamed to beat Anderson and Sarguent 6-2, 6-3.

Good Outlook

The outlook is now that the Montclair netmen are strong contenders for the conference championship with the big test coming in the match with Trenton State.

Montclair Stops Seton Hall; Indians Sweep Three Events

Swamped by a veritable deluge of Indian points, the Seton Hall Pirates went down to miserable defeat as the "Sprintin' Indians" went on a scoring rampage during Tuesday's track meet.

Racing on the familiar cinders of Montclair's revered Sprague Field, the rampaging Indians forced the Pirates to walk the plank as Montclair handed Seton Hall a 91-43 defeat.

Under the leadership of Roger Peterson, the Montclair men swept the field of all opposition in the javelin throw. Peterson got off the winning toss for the spear-chuckin' tribe, while Mike Arace and Ira Wolfe took the remaining places in the javelin throw.

Montclair's Mike Marchioni flipped the metal sphere for a first place win in the shot put, while second and third places were taken for the Indian horde by Redskins Ira Wolf and Matt (Sitting Bull) Mulhall.

The unhappy Pirate tracksters were further pushed along by Gerry Rosen's first place win in the high jump. Another field first was added to the growing total of Montclair points by Bob Wright's "up 'n over" win in the pole vault contest.

The total was further dis-

tended by second places in the field events. Ken Wolfe copped second place in the hammer throw by swinging the "ball and chain" just a few feet short of the winning toss.

Bill Layton took second in the pole vault at the same time that Gerry Rosen took the follow-up in the broad jump. Rounding out the point total, Bill Bennett leaped "up 'n over" for a second in the high jump.

Starting things off for the Indians on the cinder circuit, Bill Hampton pulled off two first places in the dashes. He flashed by the tape for a close win in the 100-yard dash, rested a few minutes, and then proceeded to stage a repeat performance as he led the pack to his second win in the 200-yard effort.

The first place wins were important for the overall team total, but the Indian winners had some excellent backing in the second and third spots, too. Bill Hampton was followed to the finish line by both Grant Erbach and Garry Meyer. Erbach flashed to a third place win in the 100-yard race while Gary Meyer took his third in the 220-yard contest.

Gary Meyer returned to place

second in the 440-yard run. Paul Simpson placed second in the half mile and third in the low hurdles. Ed Troy took first place in the low hurdles. In the highs, Jack Parish took first place and Ed Troy took second.

Montclair's track men ended a fine day by winning the four-lap relay in 2:44.7.

Move . . .

Another Win!

Stretch . . .

The stroke that means success.

LOOKING BACK IN SPORTS

The year—1960, the place—Adelphi College, Garden City, Long Island, the event—the first annual Metropolitan Smaller College Track and Field Championships. The thinclads of Montclair State finish second to Adelphi 37-35½.

On the same day, with the mid-season mark at hand, Coach Bill Dioguardi's baseball team suffered a 17-14 loss to Panzer College of East Orange. Dioguardi stated, "Some radical changes are necessary, if we are to successfully defend our NJIAC Championship." The change has been made.

Trenton Stops MSC; Take 3-1 Squeaker

Saturday saw Montclair State lose another conference game, this time to Trenton State. Pat Clark started things off right for the Indians, but his home run was the only offensive threat that the tribe was able to muster all day as they went down to a 3-1 defeat.

5-4 in Conference

A little over a week ago, Montclair stood alone at the top of the conference standings with a five and one record. The team is now in second place having slipped to a five and four mark after losing three in a row.
