Eighteen new officers were chosen in the school-wide elections held Tuesday, May 14. The Sophomore, Junior and Senior class positions were filled; the incoming Freshmen class will elect their officers in the fall.

The Juniors abandoned their traditional apathy and showed a healthy interest in their class elections. Ken Wolff, a mathematics major, was elected Senior Class President. Ken has been active in school functions since his Freshman year. He is the Junior Class President, treasurer of Lambda Chi Delta and a recipient of the Experiment in International Living Scholarship, planning to spend his summer in Switzerland.

The office for Vice-President was contested by three former class-vice-presidents, Pete Clinney, Joe Snow, and Larry Ward. Joe Snow was elected by a margin of votes. Among his multifarious activities, Joe was class treasurer one year and this year is the recipient of the Experiment in International Living Scholarship, planning to spend the summer in Spain.

Joe Snow, a Senior, Secretary of the Class of 1963, was re-elected once again by his classmates as Secretary to the Senior Class. Janet is a sister of Janet Grossman, twice Secretary of the Spanish honor society.

The incoming Freshmen class will elect their officers in the fall. The incoming Freshmen class will elect their officers in the fall.

Mr. and Mrs. John J. Murphy, Jr. (的心态), of Allendale, N.J., will be the guests of honor at a dinner to be held by the Kappa Delta Rho chapter of the college on Friday, May 25th, at 8 p.m. in the college's college hall. The chapter, headed by President Mary A. Murphy, will also receive Mrs. Murphy, who is a member of the chapter's executive committee.

The dinner will be held in the Student Life Dining Hall at 11:30 a.m. Following the luncheon an after-proma, featuring the election of alumni officers and presentation of the Clinton Awards, and an address by Robert E. Segman of A.T. & T. is planned.

Saturday's program will conclude with a period of socializing in the college lounge. Art exhibitions will be held by the individual classes in the evening.

Mr. Murphy is a member of the American Chemical Society and the American Institute of Electrical Engineers. He is a member of the American Institute of Electrical Engineers.
Letters to the Editor

Editor Montclairian:

On Tuesday May 22 a constitution change for the SGA will be brought before the students. The changes to be voted on will be:

1. Changing the election day for class officers and SGA members from a fixed day, to one that can be fixed by the SGA board in the beginning of the year. The advantages to such a program would be: the elimination of elections after a holiday, something we were unable to do with the election after Easter this year. It would also be possible to make sure that no elections take place when a group is scheduled to be at Wapalanne.

2. The second change would be equal representation for all classes on the SGA board. This would enable the freshmen class to have equal representation with the other classes and would give them a better orientation to the college board.

Even more remarkable was the size of the crowd on Friday night. It was like Broadway on New York's June 6. It appeared to be the largest crowd we have ever had.

The carnival tradition started about ten years ago when student activity advisory council had to cancel the annual carnival. People were busy raising funds to raise enough money to have a tremendous success for the following year. A number of colleges have taken the idea and now run a similar event each year. Monday morning all was sorted. The bassetter—each battle seat represented one chit—stood forlorn in its place. The subject of clean-up is in itself a sad story. Only four of twenty or so, who volunteered for clean-up, actually showed up. A little experience is gone, it is hard to help.

Those who plan and carry out such an event are to be congratulated on a job well done. It is the child's play to take on the activities of this nature a success. R. DeAlfonso Partridge

President Calls Carnival

The annual carnival which has now come and gone is a remarkable event.

On Friday afternoon, I walked over to the carnival grounds with my camera to take some pictures. The campus was a beehive of activity. About three to four thousand people, students were on hand. The lights were on decorations, countless numbered were carrying boxes, boards, bowls, paper and whatnot. It was an extraordinary sight.

A large portion of the student body and faculty were involved in preparing for carnival. To do so requires the day of activities. Number of activities must have required hundreds of hands. Someone watching from the sidelines and that would never be ready on time, but they were.

Some of the occasions showed remarkable ingenuity and clever marketing. For instance, we should have a picture showing the complete story of this event. The photo picture portraying the whole procedure from planning to clean-up would be a valuable addition to the college archives.

The carnival tradition started about ten years ago when student activity advisory council had to cancel the annual carnival. People were busy raising funds to raise enough money to have a multi-color success for the following year. A number of colleges have taken the idea and now run a similar event each year. Monday morning all was sorted. The bassetter—each battle seat represented one chit—stood forlorn in its place. The subject of clean-up is in itself a sad story. Only four of twenty or so, who volunteered for clean-up, actually showed up. Attached experience is gone, it is hard to help.

Those who plan and carry out such an event are to be congratulated on a job well done. It is the child's play to take on the activities of this nature a success.

KAHN'S CONCERT

The yearbook staff will distribute the 1962 La Campus to seniors on Thursday, May 24 in Memorial Auditorium at 3:30 p.m. Under the direction of the Montclair High School Band, the entire student body will be seated in the auditorium. All other classes will receive their copies of the annual on Friday.

SUGGESTIONS OR CRITICISMS

Please turn in this form in the SGA mailbox in the recreation lounge in Life Hall or place it in the drop-off box of the SGA office on the second floor of Life Hall.

Dean Lawson W. Blouin announces that until the name is officially designated, the new men's dormitory will be known as "North Hall." It is to house freshmen. The dorm will be built on the site of the 1919 women. In the fall of 1963 the Graceland Freeman will be ready for occupancy and North Hall will be permanently named and occupied by men.

CLASS ELECTIONS

From Where I Sat . . .

By Tommy Downs

The blare of music, patriotic and otherwise, signals its beginning, and the fresh and usual rings, corn, most bland and egalitarian combining with the smell of popcorn and dance, parades and coffee filling the cool night air . . . the whole of baseball, cascades of splashing water, falling hats and screams of delight and fear . . . a lot of broken lights . . . plenty of noise and lots of fun . . . from tea to orange-ade, grapes from the U.S.O. . . .

The decor is that of a street carnival . . . pretzels and bagels . . . cartoons . . . Venus and Mars . . . from tea to orange-ade, grapes from the U.S.O. . . .

The Prefect of Partridge

The Prefect of Partridge will be held at the Friar Tuck Inn after the May Carnival. (We hope) votes are counted from the school election, and the Prefect of Partridge will be voted in Life Hall that day; May 22: Nothing; May 23: Sigma Sigma's Senior Ball; May 25: Prefect of Partridge Ball with Mr. E.C. Bye.

The Premonitory Selections include a Percy Grainger composition entitled Lincolnshire Posy and a Vincent Persichetti piece entitled Divertimento for Band. The concluding selections are Two Moons by Craig E. Gedda, and the January, February, March compositions by Don Gillis.

SUMMER SCHOOL

Summer School (Continued from Page 1, Col. 3)

The pre-summer courses are Driver's License Training beginning on June 13 and Movement Technique andpharmacy summer

Solving the Problem of the Student

The problem of the student is not one that can be easily solved. The students at Montclair State College are faced with many challenges, both academic and personal. However, there are certain strategies that can help students overcome these obstacles.

1. Time Management: It is important for students to manage their time effectively. This includes setting priorities, creating a schedule, and allocating time for both study and leisure activities.

2. Study Skills: Effective study skills are crucial for academic success. Students should develop good note-taking habits, use active rather than passive learning techniques, and practice regularly.

3. Resource Utilization: Students should take advantage of the resources available to them, such as library resources, tutoring services, and study groups.

4. Health and Well-being: Maintaining good physical and mental health is essential for academic success. Students should prioritize sleep, nutrition, and regular exercise.

5. Support System: Building a support system of friends, family, and mentors can provide emotional and practical support during challenging times.

By following these strategies, students can take control of their academic journey and achieve their goals at Montclair State College.

MONTCLARION Page Three

Who's Whose

by Flo Turquand

Bob Johnson with a 5-2 record. Bob is also a good hurler. He lost a squeaker to Upstate but came right back to blank a 5-2 revenge. Bob Jones in a 1-0 record played many positions and has slammed three four-baggers. Bob Timko is a good reliever and has saved when it counts. Bob Zimmerman, Gary Lavergne, Nicky Baratta, Jay Lear, John Quinn, John DePau, and Bruce Fitzs have all seen action in the field and provide a strong second wall to the Jayves team.

The last two remaining games will be played this week: at home vs. Stevens on Wednesday and away vs. St. Peters on Saturday. The overall view is a panorama of alert, lively, action and first-rate teamwork.

Though they have not seen as many spectactors as accumulated season runs scored, they have built up a fabulous record and produced many fine players who will fill Varsity positions in the years to come.

Deserve Recognition

A hardworking team of which Montclair can be quite proud, recognition can never be too late. You've done a fine job and made a valuable contribution deserving only the highest commendation. It's well-earned.

MSC Beats Trenton 9-0 On Tennis Court

An overcast May 3 found the MSC squad pitted against Jersey City. The Colonials were flying high, their opponents by trouncing them 8-0. Montclair's first team saw off the Jersey City Sandwich Boys to secure their way to a 6-1, 6-3 victory over Ed Matusewski. Second seeded Rich Catullo allowed John McAvoy a minimum of points in a 6-1, 6-1 matador to give Montclair its second win. Third place playing third had no trouble in dispatching Bob Nagle 6-2, 6-4. Bob Ranta, after winning 6-1 in the first set had to continually turn back the strong drives of Charlie McGuire to finally overpower him in the close 6-6 set. Bob Louhier, compiling a 5-3 record against individual records the team came through as usual with superior limbs which served to traverse Bill Anderson 6-3, 6-3. Bob Robinson, in his first singles effort completely ouplayed his more experienced opponent M. Sargent 6-1, 6-0.

Some lineup adjustments by Jersey City were to no avail as Cimbolic and Catullo defeated McAvoy and Nagle 6-1, 6-1. Bone and Banta defeated Matusewski and McGuire 6-4, 6-4 and finally Southerland Nicotra teamed to beat Anderson and Sargent 6-2, 6-3.

Good Outlook

The outlook is now that the Montclair colonials are strong contenders for the conference championship with the big test coming in the match with Trenton State.
