datebook

TODAY, THURS., Dec. 19

WRESTLING: University of Florida, Panzer Gym, 8 pm.

SAT., Dec. 21

CHRISTMAS CAROLING: followed by party.
Meet at Student Center Information desk, 4:30 pm.
CULTURAL SERIES: MSC's Impulse Dance Co.,
Celiax Auditorium, 8 pm. Admission $3 or by subscription.

WED., Dec. 20

MIDNIGHT MASS: Freeman Hall Dining Room,
midnight. Sponsored by Newman Community.

FRI., Dec. 27

BASKETBALL (men's): Montclair State Christmas Tournament. Panzer Gym, 7 pm. Also Saturday at 7 pm.

THURS., Jan. 2

Winter Session classes begin. Through Jan. 23.

BASKETBALL (men's): Jersey City State College, Panzer Gym, 8:15 pm. Free with ID.

SAT. Jan. 4

BASKETBALL (men's): Bloomfield College, Panzer Gym 8:15 pm. Free with ID.

FENCING (men's): Pace University. Panzer Gym, 3:45.

EXHIBITION: Work by pupils of fine arts department student teachers. Student Center, Upper Montclair, N J. 07043. Telephone: (201) 893-5169.

MON., Jan. 9

BASKETBALL (women's): City College of New York, Panzer Gym 8:15 pm.

SAT., Jan. 11

WRESTLING: Bloomsburg State College (Pa.), Panzer Gym, 7:30 pm.

FRI., Jan. 10

BASKETBALL (women's): City College of New York, Panzer Gym, 8:15 pm.

SAT., Jan. 12

Change of Program Registration, Panzer Gym, through Thurs., Jan. 16.

TUES., Jan. 14

BASKETBALL (men's): Glassboro State College, Panzer Gym, 8:15 pm. Free with ID.

BASKETBALL (women's): Brooklyn College, Panzer Gym, 3:45.

MON., Jan. 16

In Person, Early Registration and Drop/Add Period, Panzer Gym, through Sat., Jan. 18. See page five for details.

SUN., Jan. 18

BASKETBALL (men's): East Stroudsburg State College, Panzer Gym, 8:15 pm. Free with ID.

BASKETBALL (women's): Bloomfield College, Panzer Gym, 7 pm.

THURS., Jan. 23

CHEESECRACKER FESTIVAL. Memorial Auditorium, through Sat., Jan. 25. Also midnight. Sponsored by Newman Community.

Midnight Mass: Freeman Hall Dining Room.

SAT., Jan. 11

WRESTLING: Bloomington State College (Pa.), Panzer Gym, 7:30 pm.

894 Enroll in Winter Session Classes

By Donald Scarinci

According to the registrar's office 894 students submitted registration for Winter Session and only between 50 and 60 students enrolled in the overseas program.

Eight courses were cancelled out of the 50 courses offered for the winter session and eight courses were oversubscribed, according to Marshall Butler, registrar. Registrations have been returned to 114 students.

Last year, 50 courses were offered over the winter period with a total enrollment of 1200 students. In the overseas program, the enrollment was 220 students last year.

Butler admitted that the faculty strike "had some effect on the low enrollment. But," he added, "registration was extended three days to compensate."

THE REGISTRAR insists that the main reason for low registration is the fact that the program gets promoted late. Butler said, "The students are uncertain about their plans for the winter so that if a person's course is cancelled, it's too late for him to make other plans for the winter."

Referring to the kinds of courses offered during the winter session, Butler said that the nature of the program is "innovative." Courses are offered that wouldn't ordinarily be offered during the regular semester.

The registrar noted that one of the courses which was oversubscribed was "Dinosaurs: Their Life and Times."

Students taking the overseas trips do not have to register for the overseas courses to take the tours. Students wanting the three credit hours, however, must register and pay the $2.50 per credit fee plus $2 registration fee.

Eurosession Courses
A Quick Sell-Out

By Janet Ratcliffe

"There's no program in the US which offers so much for so little. There's no better deal."

According to Joseph Kloza, director of the Center for International Education in Life Hall, the Winter Session study abroad programs are a "fantastic opportunity for any student."

This year the center is sponsoring six different three-credit study tours, taking 1200 MSC students and faculty overseas for three weeks, Jan. 2 to 22.

KLOZA EXPLAINS his philosophy is "to get the students as totally involved as possible." Although the study abroad is a three-credit class, no classroom instruction is used. Not all students taking the tour sign up for the credited course.

"In Poland, the students live with Polish families to try and learn the culture," Kloza said.

He added, "The medieval tour is just like going back in time. The students eat medieval, go to medieval plays, hear medieval music, etc. The only thing modern they come in contact with are the transportation and accommodations. And if I could I'd like to even change them."

This "totally living" concept seems to please the faculty and students, for the trips sold rapidly.

Kloza recalled the surprise he felt that the tours sold so fast. He was "prepared for failure." Last year people waited to the last minute to book, he said, and with the state of the economy and people's pocketbooks being deflated he certainly "weren't expecting too much."

SITTING IN his office surrounded with trinkets from around the world, Kloza related the reasons some of the students gave him for going.

"They felt they should go now while they have the chance. Next year it may be worse and they want to see the world before a depression." Kloza added, "registration was extended three days to compensate."

Butler admitted that the faculty strike "had some effect on the low enrollment. But," he added, "registration was extended three days to compensate."

THE SOFLOMORE class, with only one person seeking office (the presidency), sent 25 people to the polls last week. This election was the only contested elections and received the most attention, having the only contested elections and polling more than 170 people.

THE SOPHOMORE class, with only one person seeking office (the presidency), sent 25 people to the polls, while the junior and senior classes with one and two candidates respectively, polled 24 and 22 students.

Contesting Rothweiler for the position of freshman class president were Rudy Valli, who received 46 votes, and Ken Bosphorus who received 25.

Pamela Nathert, the only candidate for freshman class vice president, gained 142 votes while Donna Morgan took the freshman class secretary position with 74 votes.

The class presidents will appoint students to the unfilled positions. The classes as yet have no charter, having had their Class One status removed last year by the SGA, and therefore will serve as social and fraternal organizations until they apply for and receive charter.

The freshman class president and the SGA reps will have seats on the legislature and voting privileges.

Ken Rothweiler Frosh Prez

Ken Rothweiler polled an even 100 votes in the class elections last Wednesday and Thursday to earn the spot of freshman class president.

Other class presidents elected were Ronald Copeland, sophomore class; Nancy Forden, junior class; and Joan Garabek, senior class.

The freshman class elections received the most attention, having the only contested elections and polling more than 170 people.

THE SOPHOMORE class, with only one person seeking office (the presidency), sent 25 people to the polls, while the junior and senior classes with one and two candidates respectively, polled 24 and 22 students.

Contesting Rothweiler for the position of freshman class president were Rudy Valli, who received 46 votes, and Ken Bosphorus who received 25.

Pamela Nathert, the only candidate for freshman class vice president, gained 142 votes while Donna Morgan took the freshman class secretary position with 74 votes from Karen Dew Buttynan (46 votes) and Maureen Pridmore (40 votes).

The class presidents will appoint students to the unfilled positions. The classes as yet have no charter, having had their Class One status removed last year by the SGA, and therefore will serve as social and fraternal organizations until they apply for and receive charter.

The freshman class president and the SGA reps will have seats on the legislature and voting privileges.

MONTCLARION/John Scrapp

PLANET OF THE APES, An MSC student models a costume out of the movie Planet of the Apes during yesterday's Science Fiction convention held in the Student Center Ballrooms. The convention was the first of its kind at MSC and brought together science fiction writers, including noted science fiction editors and others from all over New Jersey. Pictured in this event was the costume contest. The program, sponsored by the English Club, also featured films, games, slides and a Star Trek exhibit.

Ken Rothweiler polled an even 100 votes in the class elections last Wednesday and Thursday to earn the spot of freshman class president.

Other class presidents elected were Ronald Copeland, sophomore class; Nancy Forden, junior class; and Joan Garabek, senior class.

Santa’s Bag Still Overflows

Because the holiday season is upon us and because giving is an integral part of this season, we hereby devote this column to the holiday gift list. If you happen to be looking for the ideal gift for someone listed below, take heed. Prices vary.

To MICHAEL MESSINA, SGA president, a fully elected legislature and busfare anywhere in New Jersey for a year.
To President DAVID W.D. DICKSON: the Midas touch. With budget cuts every little bit helps.
To ANGELO GENOVA, NISA president: busfare anywhere in New Jersey for a year.
To Registrar MARSHALL BUTLER: a fool-proof, fulltime computer system.
To Athletic Director WILLIAM DIOGUARDI: an astro-turfed Sprague Field with a seating capacity of 20,000.
To the SGA: another crisis like the strike to band them together and get them moving.
To CLUB Chairman BUD SCHULHAFER: an Elton John concert and a committee of 50 to pull it off.
To WMSC: seasoning.
To Maintenance Director JOSEPH MCGINTY: the perfect water system.
To vice president of administration and finance VINCENT CALABRESE: the Midas touch. With budget cuts every little bit helps.
To QUARTERLY: four Allen Ginsberg’s, three Sylvia Plath’s, two Salvatore Dali’s and a partridge in a pear tree.
To THE WOMEN’S CENTER: another year of continued success.
To THE RESIDENT STUDENT: a dormitory with a lounge, not a classroom.
To THE COMMUTING STUDENT: a parking spot at 9:15 am.
To THE RACIAL STUDENTS LAWTON BLANTON: a frown. He is never constructed here at MSC.
To Chancellor of Higher Education RALPH A. DUNGAN: the new policy will be:
1) to shift the financial burden to the student, thereby
2) relieving the pressure on the rich and the corporations to pay their fair share of taxes and
3) to suppress salaries by privatizing the students against the faculty
4) and weakening opposition to board policies by dividing the campus community.

Mike Messina
WMSC Broadcasts in Time for Christmas Greeting

As Christmas is nearly upon us we begin to contemplate the gifts and presents we will receive and give during this holiday season. One of the most gifts that the college, students and surrounding communities have received is the airing of WMSC 90.3 fm. Perhaps this accomplishment does not seem very significant to most but having a station can be one of the most positive aspects of public relations ever constructed here at MSC.

The station accomplishes several things for the college community. The students involved in radio and communication have the opportunity to further develop their interests and concentration. More importantly, the entire student body now has the opportunity of hearing the station.

In the short time of WMSC’s operation I have noticed that the people involved in the station have attempted to meet the demands of the student body. The station is open to all members of the college community and the WMSC program covers a wide range of music, commentary, news and educational presentations.

The station can also be the voice of many community activities that occur in the neighboring towns. I hope that the staff of WMSC will try to incorporate the nearby cities within their time. I am optimistic that this will improve the college’s relations with our neighbors. The station has the potential to be an asset to so many people.

I would like to personally congratulate Lee Martin, the technical advisor to the station and all the students of the radio station for the hard work they have done to get the station on the air.

Board Reps Necessary

By Marcoantonio Lacatena
Ralph A. Dungan, Chancellor of Higher Education has recently indicated that he is interested in having tuition tied more directly to the true cost of higher education. There can be no doubt that this is a trial balloon for a new Board of Higher Education policy on tuition.

The new policy will be made palatable by providing more student aid in the form of loans, thereby making it possible for the chancellor to do what no one has the authority to do, which is to establish a college with reasonable student need, to shift the financial burden to the students against the faculty, thereby making it possible for the chancellor to establish a college with reasonable student need.

This tactic of divide and conquer, and weakening opposition to board policies by dividing the campus community.

On the Late Faculty Strike:

The new policy will be:

1) to shift the financial burden to the student, thereby
2) relieving the pressure on the rich and the corporations to pay their fair share of taxes and
3) to suppress salaries by privatizing the students against the faculty
4) and weakening opposition to board policies by dividing the campus community.

By Tom Malcolm

MSC will be honored for the fourth time by the American College Theater Festival (ACTF) when the speech/theater department hosts the seventh annual ACTF Region XIII competition from Thurs., Jan. 16—Sat., Jan. 18 in Memorial Auditorium.

Five college productions chosen from all entries for the ACTF competition in New York, New Jersey Pennsylvania and Delaware will travel to MSC for the regional finals. MSC has done this sort of thing before.

THIS SPRING the Major Theater Series' inaugural production "The Mandrake" was selected as one of the ten finest college productions in the country and played two performances at the John F. Kennedy Center for the Performing Arts in Washington DC. Participation in such a festival last January at Hofstra University, Long Island, N.Y.

Two previous department productions, 1967's "She Stoops to Conquer" and 1969's "Marat/Sade," also went as far as regional competition in their respective years.

As one of the 13 host colleges for regional competitions, MSC will contribute to the designation of the 10 best college theater productions (out of all approximately 400 entrances) that will be staged at the Kennedy Center next spring.

"WE WERE chosen to host the festival this year because of our central location and proximity to New York City," professor W. Scott MacConnell of the department and regional festival coordinator explained. "Our excellent facilities also proved attractive," he added.

The festival at MSC will also include a black ensemble workshop and a workshop designed to teach students of the theater how to get a show ready to tour.

We're deeply honored to be associated with such a prestigious festival," MacConnell said. "It's a good thing for the school," he continued, "and a unique opportunity for us and for the participants and audience as well."

ALSO, THOUGH MSC as a host college will be ineligible for competition, the school will be indirectly represented in the contest here. Robert Schvietzer, an MSC graduate with a BA and MA in speech/theater and now a professor at Edinboro State College, Edinboro, Pa., designed the sets for that school's production of Aristophanes' "The Birds," playing here on Fri., Jan. 17 at 1 pm.

The other productions that will be presented here include:

Thurs., Jan. 16, 8:30 pm: Paul Zindel's "And Miss Reardon Drinks a Little" from Hunter College, New York City; Fri., Jan. 17, 8:30 pm: John Guare's "The House of Blue Leaves" from Skidmore College, Saratoga Springs, N.Y.; Sat., Jan. 18, 1 pm: Amnon Cheklov's "The Three Sisters" from Lycoming College, Williamsport, Pa.

"We're In for a lot of work," MacConnell noted, "but it'll be worth it, as it will give people a chance to see our facilities." Admission to any of the five plays will be $1.50 for students, $2 for seniors and $2.50 for all others. Group rates are also available. The workshops are free.

Festival Host Chores Mark Fourth MSC Honor

**Wrestlers Get No Breaks Between Semesters**

By Hank Gola

They've faced the ninth and 11th ranked teams in the nation already, but if you could believe it MSC's wrestlers have yet to hit the toughest part of their schedule. That's coming up over the winter break when two tough matches highlight the Panzer Gym schedule, before MSC embarks on its celebrated midwest swing. Here are some capsule looks at what's in store for the Tribe next month.

**BLOOMSBURG STATE** (Home, Jan. 11) — Coach Sanders lost his big gun, Floyd Hitchcock, who was named the most outstanding wrestler at the University Division championships while winning the 177-pound class last year. The loss of two other All-Americans caused Sanders to make use of about seven sophomores and freshmen although that crop is outstanding. The key bout should pit Pennsylvania Colonels against Vinnie Tunio at 145. The rest of the squad is definitely beatable.

**INDIANA STATE** (Away, Jan. 20) — The Sycamores recruit heavily from the Pennsylvania-New Jersey-New York area. One of those prizes, Dave Gaunt was a two-time Indiana state champ while wrestling for Warren Township High School, and Steve Caldwell is primed to give him stiff competition. This could be the most testing match of the early part of the tour.

**IOWA** (Away, Jan. 25) — Here's where the schedule gets virtually impossible. The Hawkeyes are only shooting for the national championship this year, and they've already been impressive with an early season beating of defending champ Oklahoma. Top returnees are Tim Czywaski (126), Steve Hunt (134), Brad Smith (142) Chuck Yapka (150), Dan Holm (158) and Chris Campbell (177), a Jersey product out of Westfield. Kent Moulton moves up to 115 and his match with either Kim Wilson or Rich Numa will be interesting.

**IOWA STATE** (Away, Jan. 27) — The Cyclones, as usual, are loaded with talent. Willie Gideon, a junior-collegiate All-American while wrestling for Nevada Community College, was sought after by MSC and he'll give Iowa State a big boost at either 177 or 190. The Cyclones' top returnee is Bob Holland, a national runnerup at 150, who'll be a tough opponent for Bob Woods.

**NORTHERN IOWA** (Away, Jan. 31) — The finale of the swing will be every bit as tough as the two ranked teams in the nation already, seven All-Americans and nine returning lettermen in all. Jim Miller won one of those College Division titles and placed second in the university division. He'srassling at 134 and Sciacchetano is planning on moving Tunio down to give him the competition.

**Squaws Getting on the Ball**

By Joan Miketzuk

The women's winter sports schedule is just a dunk, splash, lunge and flip away as the four Squaw teams open their seasons in January looking to better last year's winning slates.

The basketball team will be defending its third state championship this season with coach Cathy Paskert back at the helm.

Last year's Squaws swept through most opponents on their way to defeating Glassboro State in the state championship finals but they lost out in the Eastern Regions to top-ranked Immaculata College.

The hoop squad opens with an Alumni Game on Tues., Jan. 7, in Panzer Gym before playing host to City College of New York, Brooklyn College and Westchester State College on Jan. 19, 18 and 22 respectively.

CATHERINE MEYER will be returning for her sophomore season at swimming and diving, and coach Tundo will replace Linda Monaco as this year's MSC versions of Olga Korbut.

The MSC swimming team will also play host to Glassboro State College on Wed., Jan. 29.

The fencing squad, under new coach Sheila Armstrong, also warms up against an alumni team on Wed., Jan. 22. The women, who took second place in the state tournament last year and finished fourth in the National Women's Intercollegiate Fencing Association Championships, will open against Trenton State College on Tues., Feb. 4.

The Fencers suffered the loss of both Nancy Murray and Julie Lowendie. However, Mary Lou Gaffarre, who placed second in the state for individual honors last year, will be returning to the team.

Also bowling a new coach this season will be the women's gymnastics team. Nanette Schrauble, a former collegiate and junior-collegiate all-American at UMBC, will replace Linda Monaco as this year's MSC versions of Olga Korbut will be trying to defend a 6-2 dual meet record from last year.

The gymnastics open their season against Queens College on Wed., Jan. 22.

Cagers Get Untracked, Roll Past Trenton State

By Bob Scherer

Ewing—Montclair State's basketball team recorded its second consecutive victory here Saturday night when they thoroughly whipped the Lions from Trenton State, 83-61. The win lifted the MSC's New Jersey State College Athletic Conference mark to 2-1 and dropped TSC to 0-3.

MONTCLAIR STATE (83)
TRENTON STATE (61) -

Murray 2-2-6, Oakes 3-0-6, Reid 0- 0-0, Jackson 1-1-3, Sumter 1-1-3, Zoppa 2-4-8, Manning 2-4-8.

THE VICTORY was MSC's second one-sider in its last two starts, having pounded Kean College last week 112-84. Asked whether he thought the Indians have arrived after dropping their first two, but winning convincingly their last two outings, Gelston hesitated.

"It is too early to tell how we will make out," he said, "I have always believed that the key month of the basketball season is January. If we have a good January, our momentum should carry us through. Momentum is the key."

The head coach then lauded the team and their captain. "They are a confident, hard-working bunch of guys who play well together, and Larry (Hughes) has been providing us with good leadership, especially for the younger players."

Mike Bobiak hit on an outside jumper after John Oakes had broken the tie for MSC. Jeff Auerbacher then put the Tribe in front to stay with a jumper that triggered a 21-4 MSC spurt and all but put the game out of reach for Trenton State.

CHUCK HOLLAND led both sides in scoring with 17 points on seven of 18 from the field, and was perfect in six attempts from the free throw line. Five other MSC representatives were responsible for eight or more points in contributing to a balanced offensive attack, for Trenton State, Mike Bobiak and Dick Johnson each had 12 to lead the Lions who lacked consistency and shot poorly all evening.

The start line revealed the disparity between the two squads. Montclair State shot 41% from the floor to TSC's 31% and the MSC disparity between the two squads.

Five other MSC representatives were responsible for eight or more points in contributing to a balanced offensive attack, for Trenton State, Mike Bobiak and Dick Johnson each had 12 to lead the Lions who lacked consistency and shot poorly all evening.

The start line revealed the disparity between the two squads. Montclair State shot 41% from the floor to TSC's 31% and the MSC teamwork manifested itself with 17 assists, while the Lions lack of unity was shown with only five.

"We played well," exclaimed head coach Ollie Gelston after the game. "We had good spot performances through we still showcase inexperience against the press in certain situations. But its always nice to win on the road."

A slow-paced first half was highlighted by a 15-0 MSC streak that was primarily the result of sloppy ballhandling by Trenton State and opportunism on the part of the Indians who capitalized on the poor passing.

"THE LIONS' most striking deficiency appeared to be their lack of floor leadership," Gelston noted later. "They have a first year coach (Tom McCorry) who right now is trying to find the right combination of players. He doesn't know the players too well yet and they are still trying to make an adjustment to him."

The half ended with MSC well ahead 38-18 after Tyrone Sherrod, Larry Hughes and Auerbacher had connected on three quick bucket with less than a minute remaining in the half.

A slow-paced second half continued following the second half tap when Auerbacher took little time hitting off two corner jumpers and then was credited with an assist for a Holland bank-in which extended the lead to 41-18 before Bobiak resalted with two free throws.

TSC's only challenging surge came midway through the second stanza when they excited the scattered spectators and regaining control on the court.

The Indians never trailed from the opening tap to the final buzzer, and led by as many as 27 late in the contest, while the closest the Lions came was 2-2 in the early going when
